Orality and Performance in Early French Romance Evelyn Birge Vitz, 1999 This book proposes a fundamental revision of the history of early French romance it argues that oral and performed traditions were far more important in the development of romance than scholars have recognised Starting with issues of orality and literacy it is argued that the form in which romances were composed was not the invention of clerics but was rather an oral form The second part of the book looks at performance and shows that romances such as those of Chretien invited voiced presentation moreover they were frequently recited from memory sung and acted out in dramatic fashion Romances can and should still be performed today *Master Cordell: A Steamy Beach Resort Romance/Suspense* Samantha Cole, 2022-10-06 A temporary contract no emotions no complications Submissive Tiffany Armstrong has been broken and bruised and the only way to get her life back is to give over control to someone who can help her heal Retired police lieutenant Cordell Roberts is an experienced Dom who s helped several women recover from harmful relationships before finding them a permanent partner As they work together to get the new Master Key Resort up and running lines are blurred when close proximity and unwavering trust lead to love But both are afraid to reveal what they feel in their hearts Struggling to hide their feelings from each other seems the least of their worries though because trouble is brewing in paradise Someone is sabotaging their new venture but who is the primary target Master Cordell is a steamy friends to lovers workplace beach romance as a Dom falls for the submissive he s been helping recover from an abusive D s relationship Full of passion suspense angst and fun times you won t want to put it down The Master Key series is a spinoff of Samantha Cole s popular Trident Security series Reading book one first is recommended as this story picks up where it left off While the Trident Security series and its spinoffs can be read independently follow the best reading order available on Samantha s website listed on her author page for optimum enjoyment Fans of Shayla Black Golden Angel and Sierra Cartwright will love the steamy scenes and happily ever afters in this series *Historical Romance Linguistics* Randall Scott Gess, Deborah Arteaga, 2006-01-01 This volume contains 17

studies on historical Romance linguistics within a variety of current theoretical frameworks it includes studies on phonology morphology and syntax focusing solely or comparatively on all five major Romance languages French Italian Portuguese Romanian and Spanish An introduction by the eminent Romance Linguist Jürgen Klausenburger addresses the fit of these studies in the overall development of the field of historical Romance linguistics since the 19th century The studies in this volume demonstrate an organic link between Malkiel's 1961 classic definition of Romance linguistics and the field of Romance linguistics today because just as scholars of the field in the 19th century successfully applied the dominant paradigm of historical linguistics of their time Neogrammarian theory so do the authors contained in the present volume avail themselves of current linguistic advances to achieve equally significant results *Film Guide for Industrial Training* National Metal Trades Association (U.S.).
