Mickey,2013-04-17 Named one of the year s best gardening books by The Spectator UK Nov 2014 The 1890s saw a revolution in advertising Cheap paper faster printing rural mail delivery railroad shipping and chromolithography combined to pave the way for the first modern mass produced catalogs The most prominent of these reaching American households by the thousands were seed and nursery catalogs with beautiful pictures of middle class homes surrounded by sprawling lawns exotic plants and the latest garden accessories in other words the quintessential English style garden America s Romance with the English Garden is the story of tastemakers

and homemakers of savvy businessmen and a growing American middle class eager to buy their products It s also the story of the beginnings of the modern garden industry which seduced the masses with its images and fixed the English garden in the mind of the American consumer Seed and nursery catalogs delivered aspirational images to front doorsteps from California to Maine and the English garden became the look of America *Publishers' circular and booksellers' record* ,1868 **The Romance of a Great Store** Edward Hungerford,2022-07-31 In *The Romance of a Great Store* Edward Hungerford offers readers a meticulous exploration of the inner workings and the expansive history of a retail institution elevated by his refined prose and detailed narrative style The book transcends a mere chronicle of a department store it encapsulates the sweeping societal changes and the evolution of consumer culture through the ages The rich narrative weaves in historical context while maintaining a lyrical quality that engages the literary enthusiast reflecting DigiCat Publishing s commitment to revering works that represent significant cultural touchstones Hungerford a seasoned author with an affinity for detailing historical progressions and socio economic narratives has meticulously researched the subject matter possibly fueled by a personal fascination with the confluence of commerce history and society His articulate rendition of a Great Store s story doubles as a subtle commentary on modernity The immersive experience Hungerford provides is a testament to his deep understanding of the tapestry that commerce weaves into human lives presumably stemming from thorough observation and a thoughtful perspective on economic evolution Scholars of economic history as well as connoisseurs of rich narrative non fiction will find *The Romance of a Great Store* an indispensable addition to their libraries Hungerford s work is at once an educational resource and a captivating saga that highlights the intersection of the human experience with the relentless march of commerce and industry Readers who cherish literary finesse alongside a robust historical account will be thoroughly gratified by the journey that Hungerford s tome promises *The Electrical World* ,1893 **Historical Romance Fiction** Dr Lisa Fletcher,2013-05-28 The first book length study of romance novels to focus on issues of sexuality rather than gender *Historical Romance Fiction* moves the ongoing debate about the value and appeal of heterosexual romance onto new ground testing the claims of cutting edge critical theorists on everything from popular classics by Georgette Heyer to recent bodice rippers to historical fiction by John Fowles and A S Byatt Beginning with her nomination of *I love you* as the romance novel s defining speech act Lisa Fletcher engages closely with speech act theory and recent studies of performativity The range of texts serves to illustrate Fletcher s definition of historical romance as a fictional mode dependent on the force and familiarity of the speech act *I love you* and permits Fletcher to provide a detailed account of the genre s history and development in both its popular and literary manifestations Written from a feminist and anti homophobic perspective Fletcher s subtle arguments about the romantic speech act serve to demonstrate the genre s dependence on repetition Romance can only quote and the shaky ground on which the romance s heterosexual premise rests Her exploration of the subgenre of cross dressing novels is especially revealing in this regard With its deft mix of theoretical arguments and suggestive close readings

Fletcher's book will appeal to specialists in genre speech act and performativity theory and gender studies The Best Of The Year - Modern Romance Lynne Graham, Maya Blake, Caitlin Crews, Kate Walker, Cathy Williams, Abby Green, Sharon Kendrick, Michelle Smart, Maisey Yates, Annie West, Carol Marinelli, Susan Stephens, 2016-01-01 M B brings you the most exciting Modern alpha men of 2015 In this sinfully seductive collection prepare to be swept away by twelve determined demanding heroes This includes *The Romance of Crime.
