[Instagram Guide for Beginners and Dummies](#) Mey Irtz, 2021-05-08 The ways in which we use social media are constantly changing and evolving While initially a place for users to share photos with their family and friends and post aesthetically pleasing updates for people to be able to see what is happening in their lives social media has increasingly become more integrated within consumer culture Social media platforms have become increasingly more geared towards driving engagement and generating ad revenue Some audiences who are primarily still using social media to connect and be social have been more resistant to this switch but others love this integration There are a plethora of ways to bridge this gap and encourage all types of audiences to engage willingly and happily with business accounts As everyone surely knows Instagram is one of the most popular photo sharing platforms on social media today According to Instagram's own data over 200 million users visit at least one business profile each day 60% of users say that they have discovered a new product on Instagram and one third of the stories that receive the most views are posted by businesses As with the social media market as a whole there has been a shift from Instagram being a social platform to it being a media platform that places emphasis on unique content creation as well as business and marketing

**Profit from Facebook Instagram Stories Marketing Ads** Hillary Scholl, 2018-07-07 Stories Marketing Ads I know how discouraging it can be to put your heart and efforts into a project or business only to feel like you've been left holding an empty bag It can really make you want to throw in the towel but hang on Don't give up on yourself or your business just yet There are several things you can do to turn this situation around If you're not setting and consistently meeting your business goals something's got to give You will need to identify where the breakdown is and fix it Depending on which and how many goals are falling short of their marks you may discover that you need to make multiple changes in a variety of areas However

this doesn't mean you'll have to put in a lot of extra time and effort to achieve your goals. In fact, this is an opportune time to make the needed changes. I say this because now is your chance to implement a very beneficial marketing method: social media stories. Storytelling has always been popular, particularly when it comes to marketing. However, stories have emerged as an amazing strategy to use in conjunction with social media marketing. If you want to attract more business with social media stories, incorporate more visuals, interact with your target market, and meet your business goals, you're about to learn why audiences love social media stories. Visual stories excite, intrigue, and empower the viewer with choices. Whole stories can be consumed in seconds. Stories with hashtags are easy to find and access. Relevant stories make audiences feel more involved and important. Audiences like seeing the real you in real-life situations. Stories address their impulse wants as well as here-and-now needs. Stories can provide many highly visual forms of info within one story. Social media stories are still new in the big scheme of things. By adding these very visual stories, now you can still get early adoption benefits, which include being one of the people in your niche who is on the ball with the latest marketing methods. If creating visual content makes you want to run for the hills, you're not alone. Producing videos can be scary, and creating images may seem out of your league, but they're not. This book will show you how to quickly attract more business with social media stories, incorporate more visuals, interact with your target market, and meet your business goals.

Instagram Reels Marketing: Instagram Reels Is The Latest Addition In The Top Marketers Social Media Marketing Arsenal. If you haven't heard about it or are confused about how to get started, we're here to help. Everything you need to know is right here. This is an excellent opportunity to learn how to get started with Instagram Reels marketing to interact with a wider audience, fuel your branding endeavors, and help brands cash upon more ROI. Instagram Reels is the latest format of Instagram Stories that can be used to create and share 15-second video clips either with your followers or, if you have a public account, with the larger Instagram community via the Explore page. And since video content is all the rage now, top brands are using Instagram Reels for business marketing by sharing short video content to convey their branding and advertising messages on the Explore page as well as with followers to gain massive traction. As it rolled out to the majority of users in August 2020, this feature is being made available across 50 countries, including the U.S., making it an impeccable platform to interact with audiences and fuel your branding endeavors. The timing is also fortuitous, given TikTok's uncertain future in the U.S. as the Trump administration weighs either banning the Chinese-owned app entirely or forcing it to sell off its U.S. operations. To put this further into perspective, let's take a look at a few stats. The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels. For example, some published data reflects recent development as follows: Two-thirds of the NBA's franchises have posted at least one Reel since the feature launched in the United States. The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385,000 engagements and more than 4.1M plays on a single video. Louis Vuitton averages 7M views on each Reel and are still increasing. Sephora France gets more

than 453K views on each Reel and more That is great news for businesses that want to survive and thrive despite the challenging economic conditions So here we are with our Awesome course Instagram Reels Marketing This guide will discuss why Instagram Reels Marketing is important for your business as well as the process of creating attention grabbing sales oriented videos on them and all the answers about utilizing this platform All in all it is jam loaded with information on how to showcase your brands using the Instagram Reels in an effective way and inspire sales oriented actions from your Instagram Page This course covers All you need to know to get started with Instagram Reels Find out how to use Instagram Reels for Business Marketing Explore the difference between Instagram Reels TikTok Discover how to produce Reels content that will successfully engage users Find out how to run a successful Instagram Giveaway Explore the tips and ideas on how to use Instagram Reels to grow your Brand Find out can Instagram takedown TikTok with Reels Discover is Instagram Reels Worth Pursuing Pros and Cons for Marketers Explore Instagram Reels Marketing Success Stories
