McCotter-Jordan, 2021-12-25 I'm not suggesting that you fire your boss i.e. quit your job In fact I advise you to keep your job in this book I have a job That's called having more than one stream of income and I talk about that in this book This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income This is a raw and real book written by a guy who is only a few steps ahead of you That's it I'm not a guru This is not a scam I put my heart and soul

into making this I wrote this book as if it was for the 18 year old me Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong I even did what most of these personal finance authors don't have the guts to do I talk about my personal life and the mistakes I made that cost me thousands of dollars That's why this genre is called personal finance right I get really personal Some might say it's too personal If you're a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you I started off as a poor black boy in a small town in Alabama on section 8 I currently have a 6 figure net worth If I can do it you can too Buy this book today The Southwestern Reporter, 1897 **Fiverr.com Sales** Malik Jordan, 2020-03-21 In Fiverr.com Sales How To Get Sales on Fiverr.com Malik Jordan shows you how you can earn money online using Fiverr.com If you want to learn how to get started with selling on Fiverr.com and how you can actually get sales then this is the book for you The good news is this book is short and cheap The bad news is that this book is not for everyone Earning money on the internet may be easier than earning money in real life but it is still a challenge and will take time This is not the book for you if you are unwilling to actually do the work Don't waste your time reading this book if you expect to earn money on Fiverr.com over night That's just plain unrealistic The information in this book will only work if you are patient This is the book for you if you want to learn how to get your first sale how to earn extra money on the side how to deal with clients how to gain a competitive advantage that will separate you from the competition and how to get access to the money you earned on Fiverr.com CALL TO ACTION If this is something you are interested in because you think it will help you out then you should buy Fiverr.com Sales How To Get Sales on Fiverr.com today risk free If you're not satisfied with this book within the first 30 days then you can get your money back guaranteed no questions asked Begin your journey on discovering new possibilities with Fiverr.com Sales How To Get Sales on Fiverr.com today Act fast because the price of this book will not be this low forever A Digest of New York Statutes and Reports, 1883 **District of Columbia Code, 1961 Ed** District of Columbia, 1961 *District of Columbia Code, Annotated* District of Columbia, 1961 **The Encyclopedic Digest of Texas Reports (civil Cases)** Thomas Johnson Michie, 1911 *Federal Register*, 2000-05-04 Code of Federal Regulations, 1986 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries The Code of Federal Regulations of the United States of America, 1984 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government **District of Columbia Code, Annotated: Title 45-Real property to title 49-Compilation and construction of code.
