Stanwick,Sarah Stanwick,2013-02-20 Packed with real world examples and cases this new edition of Understanding Business

Ethics prepares students for the ethical dilemmas they may face in their chosen careers by providing broad comprehensive coverage of business ethics from a global perspective. The book's 26 cases profile a variety of industries, countries, and ethical issues including online privacy, music piracy, Ponzi schemes, fraud, product recall, insider trading, and dangerous working conditions such as four cases that emphasize the positive aspects of business ethics. In addition to unique chapters on information technology, the developing world, and the environment, the authors present AACSB recommended topics such as the responsibility of business in society, ethical decision making, ethical leadership, and corporate governance. Taking a managerial approach, the second edition of this best seller is designed to provide a clear understanding of the contemporary issues surrounding business ethics through the exploration of engaging and provocative case studies that are relevant and meaningful to students' lives. With an emphasis on applied hands-on analysis of the cases presented, this textbook will instill in students the belief that business ethics really do matter. *The Advocate*, 2005-10-25. Understanding Business Ethics Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08. Understanding Business Ethics, Fourth Edition, offers an impactful exploration into the realm of ethics in the global business environment. Authors Peter A. Stanwick and Sarah D. Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks: a global perspective, real-world business cases, comprehensive ethics topics, and a consistent theme linking each chapter. Whether it's uncovering the intricate relations between businesses and their stakeholders, discussing the effects of financial reporting, or exploring the ethical implications of information technology, marketing, human resources, and the natural environment, this textbook equips readers with a robust ethical framework for the business world. Additionally, the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions. This text is offered in Sage Vantage, an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto-graded assessments to drive student engagement and ensure accountability. Unparalleled in its ease of use and built for dynamic teaching and learning, Vantage offers customizable LMS integration and best-in-class support.
