The Collection Program in Schools Marcia A. Mardis, 2021-07-19 This thorough treatment of collection development for school library educators students and practicing school librarians provides quick access to information This seventh edition of The Collection Program in Schools is updated in several key areas It provides an overview of key education trends affecting school library collections such as digital textbooks instructional improvement systems STEM priorities and open education resource OER use and reuse Topics of discussion include the new AASL standards as they relate to the collection the idea of crowd sourcing in collection development and current trends in the school library profession such as Future Ready Libraries and new standards from the National Board for Professional Teaching Standards Each chapter has been updated and revised with new material and particular emphasis is placed on disaster preparedness and response as they pertain to policies circulation preservation and moving or closing a collection This edition also includes updates to review of curation and community analysis principles as they affect the development of the library collection [The Edge of the Precipice](#)

[Paul Socken](#), 2013-09-01 Can a case be made for reading literature in the digital age Does literature still matter in this era of instant information Is it even possible to advocate for serious sustained reading with all manner of social media distracting us fragmenting our concentration and demanding short rapid communication In The Edge of the Precipice Paul Socken brings together a thoughtful group of writers editors philosophers librarians archivists and literary critics from Canada the US France England South Africa and Australia to contemplate the state of literature in the twenty first century Including essays by outstanding contributors such as Alberto Manguel Mark Kingwell Lori Saint Martin Sven Birkerts Katia Grubisic Drew Nelles and J Hillis Miller this collection presents a range of perspectives about the importance of reading literature today The Edge of the Precipice is a passionate articulate and entertaining collection that reflects on the role of literature in our society and asks if it is now under siege Contributors include Michael Austin Newman University Sven Birkerts author Stephen Brockmann Carnegie Mellon University Vincent Giroud University of Franche Comte Katia Grubisic poet Mark Kingwell University of Toronto Alberto Manguel author J Hillis Miller University of California Irvine Drew Nelles editor in chief Maisonneuve Keith Oatley University of Toronto Ekaterina Rogatchevskaia British Library Leonard Rosmarin Brock University Lori Saint Martin translator Universit du Qu bec Montr al Paul Socken University of Waterloo and Gerhard van der Linde University of South Africa

Teaching Adult Learners Jessica A. Curtis, 2019-06-12 As adult instruction becomes a more common part of library practice librarians need guidance in an area that may not always have been a part of their library science education This book provides the instruction necessary to instruct adult patrons Presenting complex concepts and ideas in an easy to understand format this book applies learning theory to real life situations and provides a much needed resource for those responsible for or seeking to instruct adults in library settings The book introduces learning principles and techniques that will enhance your classes programs and one on one interactions as well as increase the

memory retention of participants It will help you not only to promote learning but also to create positive library interactions and build retention Current library instructional and theoretical texts address instructional programming but do not explain how the instructor handles learning instruction differently for individuals general audiences and specific audiences or in passive situations such as through handouts or online interactions This guide differs from other works in that it addresses all adult services positions not only those with the title of instructional librarian and addresses the full scope of instruction that librarians need to better meet patron needs *Entrepreneur* Lars Tvede,Mads Faurholt,2018-09-07 Build a world class business with a clear blueprint to success *Entrepreneur Building Your Business From Start to Success* is your guidebook to achieving entrepreneurial success Whether you re an existing business owner seeking to increase your reach or a budding entrepreneur ready to take the next step this book provides invaluable guidance from experts who have made it happen time and time again A simple step by step process will help you translate your ideas into effective business plans raise the capital needed to start and grow your business build a winning team and leave the competition behind Drawing upon their experience founding more than 30 companies the authors share their entrepreneurial wisdom and reveal the real world techniques that lead to success With a pragmatic and personal approach the authors explore the personal characteristics that are vital to achievement managing stress withstanding heavy workloads and coping with potential health concerns are subjects often overlooked in the pursuit of business achievement Addressing the link between business concerns and personal welfare the authors offer suggestions on how to most effectively reconcile entrepreneurial drive with personal well being Build or revitalise a business with proven methods from two globally recognized experts in the field Develop an effective business plan to maximise your probability of success Understand funding markets and raise capital necessary to start or grow your business Grow your business by beating the competition and dominating your market Providing invaluable insight into real world entrepreneurial methods that work this book arms current and future business leaders with the skills knowledge and motivation to create the organization of their dreams **Information Services Today** Sandra

Hirsh,2022-03-08 This third edition of *Information Services Today* An Introduction demonstrates the ever changing landscape of information services today and the need to re evaluate curriculum competency training professional development and lifelong learning in order to stay abreast of current trends and issues and more significantly remain competent to address the changing user needs of information communities Specifically the *Information Services Today* An Introduction provides a thorough introduction history and overall state of the field explores different types of information communities the varying information needs within those communities and the role of equity of access diversity inclusion and social justice in those communities addresses why information organizations and information and technological literacy are more important today than ever before discusses how technology has influenced the ways that information professionals provide information resources and services in today s digital environment highlights current issues and trends and provides expert insight into

emerging challenges innovations and opportunities for the future and identifies career management strategies and leadership opportunities in the information professions The new edition features chapter updates to address changes in information services introducing new updated topics such as emergency crisis management community resilience sustainability data analysis and visualization social justice and equity of access diversity and inclusion EDI Information Services Today An Introduction begins with an overview of libraries and their transformation as information and technological hubs within their local and digital communities as well as trends impacting the information field Information Services Today An Introduction covers the various specializations within the field emphasizing the exciting yet complex roles and opportunities for information professionals in a variety of information environments With that foundation in place it presents the fundamentals of information services delves into management skills needed by information professionals today and explores emerging issues related to the rapid development of new technologies Information Services Today An Introduction addresses how libraries and information centers serve different kinds of communities highlighting the unique needs of increasingly diverse users Information Services Today An Introduction provokes discussion critical thinking and interaction to facilitate the learning process The content and supplemental materials discussion questions rich sets of online accessible materials multimedia webcast interviews featuring authors from this book discussing the trends and issues in their respective areas and chapter presentation slides for use by instructors give readers the opportunity to develop a deeper understanding of and engagement with the topics

Writing New Adult Fiction Deborah Halverson, 2014-07-24 Join the New Adult Fiction revolution From Sylvia Day's *Bared to You* to Jamie McGuire's *Beautiful Disaster* new adult fiction has arrived and it's hotter than ever But there's more to this category than its 18 to 26 year old characters The success of your story depends on authentically depicting the transition of your young protagonists from teenhood to adulthood With *Writing New Adult Fiction* you'll learn how to capture the spirit of freedom self discovery and romance that defines the new adult experience Create memorable characters that act and sound like new adults Sculpt a distinct personality for your fiction with POV voice tone and word choices Build a unique captivating plot that satisfies your audience from beginning to end Learn tools for revising effectively and efficiently in a speed driven market Weigh the options for your path to publication traditional indie and hybrid The new adult category is filled with opportunities to break in with distinct plots and original characters Make your mark by writing a novel that's fresh unique and wholly new adult

The Routledge Introduction to American Women Writers Wendy Martin, Sharone Williams, 2016-04-28 The Routledge Introduction to American Women Writers considers the important literary historical cultural and intellectual contexts of American women authors from the seventeenth century to the present and provides readers with an analysis of current literary trends and debates in women's literature This accessible and engaging guide covers a variety of essential topics such as the transatlantic and transnational origins of American women's literary traditions the colonial period and the Puritans the early national period and the rhetoric

of independence the nineteenth century and the Civil War the twentieth century including modernism the Harlem Renaissance and the Civil Rights era trends in twenty first century American women s writing feminism gender and sexuality regionalism domesticity ethnicity and multiculturalism The volume examines the ways in which women writers from diverse racial social and cultural backgrounds have shaped American literary traditions giving particular attention to the ways writers worked inside outside and around the strictures of their cultural and historical moments to create space for women s voices and experiences as a vital part of American life Addressing key contemporary and theoretical debates this comprehensive overview presents a highly readable narrative of the development of literature by American women and offers a crucial range of perspectives on American literary history

Corporate Risks and Leadership Eduardo E.

Mariscotti,2020-05-13 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law Because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of the fines for noncompliance have increased dramatically In parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people This change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal in this more complex environment To transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition While each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain This book is a source of information that connects yesterday with today The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves The book covers theories of ethics but with an eye focused on practical application Risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or in technical and regulatory details Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations Thus due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors it seems appropriate that executives get access to a book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This book is a wake up call that allows business leaders to understand the benefits of implementing an effective ethics and compliance program that will help members of organizations to make the right decisions and act within the law If they do they can better prevent and react to the difficult obstacle course of risks dangers and threats that organizations face and that may jeopardize the sustainability resilience and survival of companies

Offline Imran Rashid, Soren Kenner, 2018-12-28 Authors Imran Rashid and Soren Kenner have sparked an international debate by revealing the mind hacks Facebook Apple Google and Instagram use to get you and your children hooked on their products In Offline they deliver an eye opening research based journey into the world of tech giants smartphones social engineering and subconscious manipulation This provocative work shows you how digital devices change individuals and communities for better and worse A must read if you or your kids use smartphones or tablets and spend time browsing social networks playing online games or even just browsing sites with news and entertainment Learn how to recognize mind hacks and avoid the potentially disastrous side effects of digital pollution Unplug from the matrix Learn digital habits that work for you

The Digital Reading Condition Maria Engberg, Iben Have, Birgitte Stougaard Pedersen, 2022-12-30 This volume offers a critical overview of digital reading practices and scholarly efforts to analyze and understand reading in the mediatized landscape Building on research about digital reading born digital literature and digital audiobooks The Digital Reading Condition explores reading as part of a broader cultural shift encompassing many forms of media and genres Bringing together research from media and literary studies digital humanities scholarship on reading and learning as well as sensory studies and research on multimodal and multisensory media reception the authors address and challenge print biased conceptions of reading that are still prevalent in research whether the reading medium is print or digital They argue that the act of reading itself is changing and rather than rejecting digital media as unsuitable for sustained or focused reading practices they argue that the complex media landscape challenges us to rethink how to define reading as a mediated practice Presenting a truly interdisciplinary perspective on digital reading practices this volume will appeal to scholars and graduate students in communication media studies new media and technology literature digital humanities literacy studies composition and rhetoric

Digital Wine Tara Brabazon, Mick Winter, Bryn Gandy, 2014-05-12 This book explores the way in which QR codes Quick Response codes can help the wine industry facilitate distribution and more effectively market and sell their product It examines the interventions invention and opportunities brought about by QR codes for the wine industry It also investigates how QR codes can help enable regional development as well as information and knowledge about winemakers and regions The book begins with an introduction to QR codes It explains how to use them as well as shows how QR codes combine analogue and online promotion and information dissemination Next the book explores strategies and examples from the creative industries small nation theory and emerging wine industries It then goes on to examine how to integrate QR codes with wine media including marketing the bottle and using QR codes to build new wine regions The book concludes with a case study of how Aotearoa New Zealand wine producers deploy QR codes QR codes can store and digitally present a range of helpful data including URL links geo coordinates and text and can be scanned by smart phones making them a useful marketing and business tool Presenting detail research on how QR codes can enhance the relationship between producers and consumers as well as aid regional development in the wine industry this book will be of interest to academics

focusing on Wine Studies small and medium sized enterprises SMEs and practitioners and researchers from the creative industries sector In addition while this book focuses on the wine industry the information that it presents about QR codes is relevant and applicable for an array of industries that require a tether between analogue and digital physical and virtual especially food and primary production

Stylistics, Stylometry and Sentiment Analysis in German Studies Massimo Salgaro, 2023-04-17 Can literature be investigated through quantitative methods Can style empathy and prestige be measured This study attempts to respond to these questions by providing results from a selection of case studies taken from German literature of the 19th through the 21st century including Goethe's late style Felix Salten and the output of contemporary writers such as Florian Meimberg's twitterature and Daniel Glattauer's e-mail novel Altogether this study shows how the interplay among literary theory stylometry stylistics

sentiment analysis empirical studies and archival research can offer new answers to old questions regarding German literature and provide tools to formulate new questions and novel approaches to research

Social Media and Library Services Lorri Mon, 2022-05-31 The rise of social media technologies has created new ways to seek and share information for millions of users worldwide but also has presented new challenges for libraries in meeting users where they are within social spaces From social networking sites such as Facebook and Google and microblogging platforms such as Twitter and Tumblr to the image and video sites of YouTube Flickr Instagram and to geotagging sites such as Foursquare libraries have responded by establishing footholds within a variety of social media platforms and seeking new ways of engaging with online users in social spaces Libraries are also responding to new social review sites such as Yelp and Tripadvisor awareness sites including StumbleUpon Pinterest Goodreads and Reddit and social question and answer Q A sites such as Yahoo Answers sites which engage social media users in functions similar to traditional library content curation readers advisory information and referral and reference services Establishing a social media presence extends the library's physical manifestation into virtual space and increases the library's visibility reach and impact However beyond simply establishing a social presence for the library a greater challenge is building effective and engaging social media sites that successfully adapt a library's visibility voice and presence to the unique contexts audiences and cultures within diverse social media sites This lecture examines the research and theory on social media and libraries providing an overview of what is known and what is not yet known about libraries and social media Chapter 1 focuses on the social media environments within which libraries are establishing a presence including how social media sites differ from each other yet work together within a social ecosphere Chapter 2 examines how libraries are engaging with users across a variety of social media platforms and the extent to which libraries are involved in using these different social media platforms as well as the activities of libraries in presenting a social self sharing information and interacting with users via social media Chapter 3 explores metrics and measures for assessing the impact of the library's activity in social media sites The book concludes with Chapter 4 on evolving directions for libraries and social media including potential implications of new and emerging technologies for libraries in social spaces Table of Contents Preface The Social Media Environment Libraries and Social Media Assessing Social Media Sites and Services Evolving Directions in Social Libraries Bibliography Author Biography

Timp ca să crești Marina Khidekel, Ne confruntăm în fiecare zi cu responsabilități și sarcini de îndeplinit. Munca ne ocupă zilele și cu timpul ne ocupă chiar și nopțile. Nu este doar povestea celor care și-au împărțit experiențele între paginile cărții ci e povestea noastră a tuturor. Marina Khidekel și redactorii Thrive au alcătuit un ghid complet prin care oricine încearcă să supraviețuiască în jungla urbană poate să câștige lupta cu burnoutul. Timp ca să crești te scoate dintre ecrane și ne oferă soluții de calmare. Viața revine la ritmul său firesc readucându-ne aminte cine suntem noi cu adevărat: oameni cu aspirații și înzuiți, dar și cu nevoia primară de odihnă și relaxare. ingredientele de bază ale rețetei succesului
