Check & Mate Ali Hazelwood,2023-11-07 In this clever and swoonworthy new novel from the New York Times and Sunday Times bestselling author of The Love Hypothesis life s moving pieces bring rival chess players together in a match for the heart Mallory Greenleaf is done with chess Every move counts nowadays after the sport led to the destruction of her family four years earlier Mallory s focus is on her mom her sisters and the dead end job that keeps the lights on That is until she begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious Kingkiller Nolan Sawyer current world champion and reigning Bad Boy of chess Nolan s loss to an unknown rookie shocks everyone What s even more confusing His desire to cross pawns again What kind of gambit is Nolan playing The smart move would be to walk away Resign Game over But Mallory s victory opens the door to sorely needed cash prizes and despite everything she can t help feeling drawn to the enigmatic strategist As she rockets up the ranks Mallory struggles to keep her family safely separated from the game that wrecked it in the first place And as her love for the sport she so desperately wanted to hate begins to rekindle Mallory quickly realizes that the games aren t only on the board the spotlight is brighter than she imagined and the competition can be fierce ly attractive And intelligent and infuriating This novel is suitable for both young adult and adult audiences **Decision and Decision-maker in an Industrial Environment** Lamia Berrah,Vincent

Clivillé,2023-07-26 Decision and Decision maker in an Industrial Environment developed around the observation that two different decision makers faced with the same problem may not make the same decision The book proposes explanations for this ranging from the wholly rational to the irrational and analyzes different factors in decision making such as the intention of the decision maker the environment in which their decision is made or the process leading to decision making While the common belief is that everything in an industrial environment stems from reasoned decisions analysis of common practice shows that this is not always the case This book offers an original perspective by presenting the decision making mechanism from the point of view of the decision maker and their handling of a specific decision making problem To learn more about the decision maker s motivations when faced with these situations the authors provide a review of the history of decisionmaking and the major trends in decision making theory The concepts and methods are presented with illustrations based on the use of an MES an industrial management software package **Social Media Marketing All-in-One For**
