1940's Style Guide , Costume, Makeup, and Hair Adrienne L. McLean,2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book s contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have

played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms *Community Building on the Web* Amy Jo Kim,2006-07-19 What s the point of creating a great Web site if no one goes there or worse if people come but never return How do some sites such as America Online EBay and GeoCities develop into Internet communities with loyal followings and regular repeat traffic How can Web page designers and developers create sites that are vibrant and rewarding Amy Jo Kim author of *Community Building on the Web* and consultant to some of the most successful Internet communities is an expert at teaching how to design sites that succeed by making new visitors feel welcome rewarding member participation and building a sense of their own history She discusses important design strategies interviews influential Web community builders and provides the reader with templates and questionnaires to use in building their own communities Halloween Parties Lori Hellander,2004-09-01 Designed to fit even the most modest budgets this book provides six complete spook tacular party plans from invitations to food and drinks to games and activities to goodie bags Liberalism Mark Dice,2018-11-13 It s as if we re living in an episode of the Twilight Zone Every day we are inundated by news reports trending topics on social media and new political movements promoting such bizarre beliefs about race gender sexuality and life in general that it s impossible in many cases to distinguish whether such ideas are serious or if they re a parody of what liberalism has become The political differences between liberals and conservatives used to be pretty well established but recently the tug of war between the Left and the Right took a dramatic and disturbing turn Modern liberalism has been replaced with new mind boggling agendas promoting the adoption of unscientific authoritarian and sociologically disastrous ideologies In attempts to accomplish their plans the Left are conspiring to end freedom of speech traditional families long cherished holidays and hope to implement a new world order Who is behind this madness What is their ultimate goal How far are they willing to go to achieve it And what can we do to stop them Bestselling author and media analyst Mark Dice takes you on a tour inside the minds of those constructing this new social landscape in his groundbreaking investigation *Liberalism Find a Cure* **How to Save Your Planet One Object at a Time** Tara Shine,2020-04-16 an unpreachy guide free of jargon and full of often surprising information The Times Change starts at home In the office Change starts with you Your family Your friends Change starts with everyday things One object at a time Sometimes it can feel overwhelming thinking about all that needs to be done to save our planet This book is the antidote to that feeling Easy to read and easy to do here s all the information and inspiration you need to make a difference simply by making smart choices about everyday objects tasks and habits Environmental scientist Dr Tara Shine guides you from room to room and occasion to occasion with environmentally friendly solutions backed by science From swapping bottled soap to bars to replacing cling film with a simple plate you will reduce your environmental footprint in an instant while saving money This book busts persistent myths and will once and for all

show that living sustainably can be both fun and convenient Besides it will not only have a positive impact on the environment but your wellbeing too Dr Tara Shine is an enlightened big picture thinker and with this book she shows that she is equally and delightfully adept at bringing details into focus This book is all about realising the power you have as an individual by informing yourself asking questions and making smart choices By getting becoming active and joining the conversation you become empowered and you do something about the problem we face rather than feeling powerless in its presence Christiana Figueres Former Executive Secretary of the United Nations Framework Convention on Climate Change

The Tyranny of Opinion Russell Blackford,2018-10-18 We live in an age of ideology propaganda and tribalism Political conformity is enforced from many sides the insidious social control that John Stuart Mill called the tyranny of the prevailing opinion and feeling Liberal or left minded people are often more afraid of each other than of their conservative or right wing opponents Social media and call out culture makes it easier to name shame ostracize and harass non conformists and destroys careers and lives How can we oppose this regaining freedom and our sense of ourselves as individuals The Tyranny of Opinion identifies the problem defines its character and proposes strategies of resistance Russell Blackford calls for an end to ideological purity policing and for recommitment to the foundational liberal values of individual liberty and spontaneity free inquiry diverse opinion and honest debate
