Newman, Emily Witsell, 2018-02-20 Launched in 1977 by the Christian Broadcasting Service originally associated with Pat Robertson the ABC Family Freeform network has gone through a number of changes in name and ownership Over the past decade the network now owned by Disney has redefined family programming for its targeted 14 to 34 year old demographic addressing topics like lesbian and gay parenting postfeminism and changing perceptions of women the issue of race in the U S and the status of disability in American culture This collection of new essays examines the network from a variety of perspectives with a focus on inclusive programming that has created a space for underrepresented communities like transgender youth overweight teens and the deaf **The Harding Affair** James David Robenalt, 2025-08-22 Warren Harding fell in love with his beautiful neighbor Carrie Phillips in the summer of 1905 almost a decade before he was elected a United States Senator and fifteen years before he became the 29th President of the United States When the two lovers started their long term and torrid affair neither of them could have foreseen that their relationship would play out against

one of the greatest wars in world history the First World War Harding would become a Senator with the power to vote for war Mrs Phillips and her daughter would become German agents spying on a U S training camp on Long Island in the hopes of gauging for the Germans the pace of mobilization of the U S Army for entry into the battlefields in France Based on over 800 pages of correspondence discovered in the 1960s but under seal ever since in the Library of Congress The Harding Affair will tell the unknown stories of Harding as a powerful Senator and his personal and political life including his complicated romance with Mrs Phillips The book will also explore the reasons for the entry of the United States into the European conflict and explain why so many Americans at the time supported Germany even after the U S became involved in the spring of 1917 James David Robenalt s comprehensive study of the letters is set in a narrative that weaves in a real life spy story with the story of Harding s not accidental rise to the presidency

Sentient Strategy Alan Weiss,2023-03-23 No pre pandemic strategy is effective anymore None Not for organizations large or small for profit or non profit domestic or global Claims of a return to normal or the new normal are ridiculous What we re facing is really a new reality and that reality is the need for agile strategic decisions and pragmatic views of the future That means that strategy formulation can be reduced to a few days and the view of the future can only be 12 18 months This is the antithesis of Peter Drucker s approach to strategy but his highly effective approach was developed at GM three quarters of a century ago It s time to move on Alan Weiss has developed an original and completely new approach to strategy which thus far has certified over 100 people globally delivering this approach to scores of firms of all types in four countries More than two dozen firms are using this approach Sentient Strategy is based on two modern dimensions awareness of the environment in which the organization exists and has influence and consciousness of the impact of actions being considered The old SWOT strengths weaknesses opportunities threats approaches are currently equivalent to riding down the freeway on a horse We must drop the hubris that has led us to believe we can see years ahead and anticipate what s coming No one predicted the Internet No one predicted the latest pandemic It s time to turn volatility and disruption on their heads and use them as offensive weapons in the marketplace instead of trying to protect ourselves from them Imagine a strategy that an organization can formulate in just a day or so revisit easily and frequently and design a series of shorter term viable futures Sentient means perceptive and self aware It doesn t mean one size fits all from a cookie cutter firm s approach to strategy Alan Weiss equips the reader to consider using this approach independently These are new times a new reality a no normal™ hence it s ridiculous to use old approaches to strategy There s a clear reason why Sears didn t morph into Amazon and why Hertz surrendered its number one spot to Enterprise
