Selenium WebDriver 3 Practical Guide Unmesh Gundecha, Satya Avasarala, 2018-07-31 Selenium WebDriver 3 is the latest version used by many professionals for automated testing. The book will guide you through various Selenium WebDriver APIs and provide solutions to the common challenges faced while using Selenium WebDriver. You will learn to use remote WebDriver to run tests on remote machines for cross browser testing and **Learn Selenium** Unmesh Gundecha, Carl Cocchiario, 2019-07-18 Learn end to end automation testing techniques for web and mobile browsers using Selenium WebDriver, AppiumDriver, Java and TestNG. Key Features: Explore the Selenium grid architecture and build your own grid for browser and mobile devices; Use ExtentReports for processing results and Sauce Labs for cloud based test services; Unlock the full potential of Selenium to test your web applications. Book Description: Selenium WebDriver 3.x is an open source API for testing both browser and mobile applications. With the help of this book, you can build a solid foundation and can easily perform end to end testing on web and mobile browsers. You'll begin by being introduced to the Selenium Page Object Model for software development. You'll architect your own framework with a scalable driver class, Java utility classes, and support for third party tools and plugins. You'll design and build a Selenium grid from scratch to enable the framework to scale and support different browsers, mobile devices, and platforms. You'll strategize and handle a rich web UI using the advanced WebDriver API and learn techniques to handle real time challenges in WebDriver. You'll perform different types of testing such as cross browser testing, load testing, and mobile testing. Finally, you will also be introduced to data driven testing using TestNG to create your own automation framework. By the end of this Learning Path, you'll be able to design your own automation testing framework and perform data driven testing with Selenium WebDriver. This Learning Path includes content from the following Packt products: **Selenium WebDriver 3 Practical Guide Second Edition** by Unmesh Gundecha; **Selenium Framework Design in Data Driven Testing** by Carl Cocchiario. What you will learn: Use different mobile and desktop browser platforms with Selenium 3; Use the Actions API for performing various keyboard and mouse actions; Design the Selenium Driver Class for local, remote, and third party grid support; Build page object classes with the Selenium Page Object Model; Develop data driven test classes using the TestNG framework; Encapsulate data using the JSON protocol; Build a Selenium Grid for Remote WebDriver testing; Build and use utility classes in synchronization, file I/O reporting, and test listener classes. Who this book is for: This Learning Path is ideal for software quality assurance testing professionals, software project managers, or software developers interested in using Selenium for testing their applications. Professionals responsible for designing and building enterprise based testing frameworks will also find this Learning Path useful. Diminishing Returns Lucio Baccaro,Mark Blyth,Jonas Pontusson,2022 A set of state of the art empirical analyses at the country regional and global level that work from a new theoretical framework that analyzes the politics of growth and stagnation As highlighted by the recent debate on secular stagnation economic growth has slowed down considerably and this has given rise to a host of new problems from financial instability to the collapse of mainstream parties What happens when growth the main mechanism of capitalist

legitimation is harder to come by and less broadly shared And how should we think about capitalist diversity in the context of global stagnation In *Diminishing Returns* Lucio Baccaro Mark Blyth and Jonas Pontusson address these questions by bringing together a number of comparative and international political economists with expertise across many different countries and regions Going beyond the methodological nationalism common in most comparative research each author departs from a common theoretical framework the Growth Model Perspective and contributes to develop it further The outcome is a new theoretical framework to help social scientists policymakers and opinion makers understand the politics of growth and stagnation which offers state of the art empirical analyses at the country regional and global level **Red Stream** Paul

Tracy,2013-03-28 Max paused and bent his head at an angle to get a better look That was wine a leak coming from one of the vats not much a dribble but definitely a leak wending its way across the slightly sloping floor of the cellar into the gutter running down the middle He walked briskly towards it then stopped catching his breath The shiny black shoes stuck out foolishly into the alley just below the blue overalls Pierre Berton a youngish man with sandy hair lay on his side with a sad expression on his face The red stream gently seeping across the cellar floor was not wine This macabre discovery in a wine cellar in south west France is the beginning for Max Christian winemaker extraordinary of a chase to uncover a huge network of wine fraud with worldwide tentacles The pursuit takes him to Provence London Italy and California with the increasing feeling that he is gradually turning from the hunter into the hunted But in that case who are the hunters Written by an insider *Red Stream* is an amazing thriller that perfectly takes advantage of its unusual background Highly recommended for everyone a must have for all wine lovers *Getting Out of a Contract - A Practical Guide for Business*

Adam Rose,David Leibowitz,2017-07-05 This book is written by three commercial lawyers Their clients often ask them as much for help in getting out of a contract as in getting them into one in the first place Built around two business case studies the book highlights the various legal issues that a business must address when faced with a contract it wants to walk away from In the first instance the business needs to discover whether it is as shackled by a contract as it thinks it is In many cases a contract is not as binding as it might initially appear *Getting Out of a Contract* explains the circumstances in which this applies It then goes on to explore how to minimize the damage should the agreement be inescapable and helps the reader to understand what the consequences of any actions might be Written in plain English the authors manage to demystify complicated aspects of English law for the non lawyer This book will help managers to address how they make contracts avoid making wrong decisions because they fail to appreciate what contracts they actually have or how to get round them become more attuned to the legal ins and outs of contracts enabling them to use lawyers more cost effectively Company secretaries finance directors and managers at all levels will find *Getting Out of a Contract* accessible and an invaluable business planning tool *Arihant CBSE Informatics Practices Term 2 Class 12 for 2022 Exam (Cover Theory and MCQs)*
