Mlb Playoffs In The Us:

Die Übertragbarkeit von US-amerikanischen Serienformaten Angela Boldt, Benjamin Hänisch, 2012-04-26 Wir leben in einer Zeit des ständig wachsenden Medienangebotes Um sich als TV Sender bemerkbar zu machen spielt die TV Programmplanung eine wichtige Rolle Zentraler Aspekt der Arbeit ist wie TV Formate vor dem Programmeinkauf geprüft werden können Im wissenschaftlich theoretischen Teil werden der US amerikanische und der deutsche Markt betrachtet Eine weitere Grundlage für den empirischen Teil bildet die Betrachtung der Erfolgsfaktoren und Systemforschung Die Autoren beschränken die Untersuchung auf das Genre Science Fiction und zwei ausgewählte Serien Im empirischen Teil erstellen die Autoren ein Modell mit dem eine Funktion zur Vorhersage des Serienerfolgs erstellt wird Dieses Modell wird in mehreren Schritten auf die Gegebenheiten angepasst und bildet das Forschungsergebnis **Baseball's Longest Games** Philip J. Lowry, 2010-04-23 Baseball is the only major team sport that doesn't feature a clock and there's a familiar saying among fans that as long as outs remain the game can theoretically go on forever Every now and again it nearly does as author Phil Lowry demonstrates The product of more than four decades of research this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings stretched five or more hours or ended after 1 00 am Lowry also examines probability models to predict how often games of unusual length will occur *Unnützes American Football Wissen* Moritz Wollert, 2022-01-23 Für viele Spieler bleibt die sagenumwobene NFL nur ein kurzes Stelldichein was ihr unter Profis und Fans den Beinamen Not For Long eingebracht hat Ein Slogan über den die Liga selbst nur mäkeln kann Seit über 100 Jahren fasziniert sie nun die Massen Die Sportart American Football gibt es sogar noch ein halbes Jahrhundert länger *Unnützes American Football Wissen* bündelt die spektakulärsten Anekdoten und verblüffendsten Fakten rund um den härtesten Sport der Welt in einem unwiderstehlichen Drive komplette Angriffsserie Zu welchem Spottpreis wurde Quarterback Legende Johnny Unitas von den Baltimore Colts einst verpflichtet Wie kommt es dass Emlen Tunnell mit 79 Interceptions nicht nur zu den besten Ballhawks der NFL Geschichte zählt sondern auch das Leben zweier Menschen rettete Und wem gelangen nach einer durchgemachten Partynacht unvergessliche 138 Yards und zwei Touchdowns im Super Bowl In Sachen Unterhaltung handelt es sich hier zweifellos um einen Complete Pass *American Sports* Murry R. Nelson, 2013-05-23 America loves sports This book examines and details the proof of this fascination seen throughout American society in our literature film and music our clothing and food and the iconography of the nation This momentous four volume work examines and details the cultural aspects of sport and how sport pervasively reflects and affects myriad aspects of American society from the early 1900s to the present day Written in a straightforward readable manner the entries cover both historical and contemporary aspects of sport and American culture Unlike purely historical encyclopedias on sports the contributions within these volumes cover related subject matter such as poetry novels music films plays television shows art and artists mythologies artifacts and people While this encyclopedia set is ideal for general readers who need information on

the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture Each entry provides a number of both print and online resources for further investigation of the topic **Billboard** ,2011-10-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Multilingual Baseball** Brendan H. O'Connor,2023-04-06 What can baseball teach us about language culture and society The first book length exploration of multilingualism in professional sports Multilingual Baseball provides an intimate look at language diversity in the transnational world of baseball Based on extensive interviews and observations in the US and the Dominican Republic the book foregrounds the voices of current and former players coaches front office personnel international scouts language teachers and interpreters with baseball experience in the Dominican Republic Cuba South Korea Taiwan and the United States Engaging a wide range of foundational concepts within sociolinguistics applied linguistics and linguistic and cultural anthropology the analysis reveals the relevance of bilingualism to the social and economic realities of professional baseball as a transnational business It also illuminates day to day encounters with linguistic and cultural difference on the field in clubhouses and in communities around the world Through this linguistic lens the book delves into social issues in diverse societies by connecting interactions within baseball to the broader challenges of immigration race and demographic change While grounded in the experiences of Spanish and English speakers in US Major League Baseball organizations Multilingual Baseball presents the transnational game as a microcosm of globalizing societies around the world inviting readers to consider what we can learn from the bilingual understandings and misunderstandings that arise in everyday baseball interactions Statistical Abstract of the United States ,2004 **Gehaltsobergrenzen im Berufssport in den USA und Europa** Jan Mertens,2022-09-14 Die Begrenzung von Gehaltern im Berufssport aus Grunden der Kostenkontrolle und sportlichen Ausgeglichenheit hat in den professionellen Sportligen Nordamerikas lange Tradition Zuletzt mehrten sich Stimmen die auch fur den europaischen Fussball eine solche Gehaltsbegrenzung fordern Es stellt sich jedoch jeweils die Frage der kartellrechtlichen Zulassigkeit Warum werden die bestehenden Gehaltsobergrenzen in Nordamerika nicht als kartellrechtswidrig angesehen Konnen derartige Begrenzungssysteme im europaischen Berufsfussball eingefuhrt werden ohne an kartellrechtlichen Hurden zu scheitern Wie ist die jeweilige Sportorganisation ausgestaltet und zeitigt dieser Sachverhalt einen Einfluss auf Gehaltsobergrenzen Wie stellen sich die verschiedenen Kartellrechtssysteme dar und bestehen Besonderheiten und Ausnahmen fur den Sport Entlang dieser Fragestellungen untersucht Jan Mertens die Zulassigkeit von Gehaltsobergrenzen fur Nordamerika und Europa aus kartellrechtlicher Sicht **Focus On: 100 Most Popular American Game Show Hosts** Wikipedia contributors, **Sportscasting in the Digital Age** John McGuire,2025-02-12 Sportscasting in the Digital Age

More than the Game is a much needed textbook that not only dives deep into the how to of sports play by play but also gives students a broader understanding of the sports media industry and how to find their place in an ultra competitive business It covers a range of topics including Preparing for game day Roles of the sportscaster Unique aspects of calling specific sports Calling the game for both radio and television Conducting interviews Sports network operations and working with advertisers How to be the face of the team Featuring breakout sections with expert insight from leaders in the field including Cubs announcer Pat Hughes and ESPN ABC's Dusty Dvoracek and profiles of great interviewers such as the late Jack Buck and ESPN host and reporter Marty Smith Sportscasting in the Digital Age is full of practical guidance and behind the scenes details that will prepare the next generation of sportscasters for success **Space as a Strategic Asset** Joan

Johnson-Freese, 2007-03-27 Joan Johnson Freese argues that the race for space weapons and the U S quest for exclusive or at least dominant ownership of strategic space assets have alienated the very allies that the United States needs in order to maintain its leading role in space exploration Taking a balanced look at the issues that have contributed to the decline of America's manned space program such as lack of political support and funding Johnson Freese offers not only a critique but also a plan for enhancing U S space security through cooperation rather than competition She begins with a brief overview of the history of international space development through four eras before Sputnik the space race after Apollo and globalization Then she focuses on how policy changes of the mid 1990s have changed the nation examining why the United States has grown obsessed with the development of space technology not just as a tool for globalization but as a route toward expanding an already dominant arsenal of weapons Johnson Freese claims that these policy choices have greatly affected the attitudes and actions of other countries and in the fight to achieve security the United States has instead put itself at greater peril Johnson Freese explains complex technical issues in clear accessible terms and suggests a way forward that is comprehensive rather than partisan America is not the only country with space ambitions but it is unique in viewing space as a battlefield and the technological advancements of other nations as a dire threat Urgent and persuasive Space as a Strategic Asset underscores the danger of allowing our space program to languish and the crucial role of cooperation in protecting the security of our country and the world

Dislocating Anthropology? Simon Coleman, Peter Collins, 2020-05-15 Anthropology continues to develop both in terms of theory and in relation to the ways in which fieldwork is conducted Dislocating Anthropology seeks to capture and represent these developments through a collection of ethnographic essays that are cutting edge but which do not represent a complete break with what has gone before In recent years anthropologists have increasingly come to accept that fieldwork in bounded and discrete places is no longer tenable People can no longer be represented in these static parochial terms At the start of the 21st century and with the possibility of internet connections almost anywhere we have the potential to move even when we are stationary Each of the contributors to this collection have identified and attempted to understand sets of relationships that are both temporally and spatially dynamic that appear to

flow into and out of the field Together the chapters shed light on a number of methodological conundrums or dislocations relating for example to locality identity fieldwork and reflexivity The book is concerned with dislocation as both practice and process and as such extends a theme that has arguably been central to Anthropology since Malinowski s Trobriand ethnography

The Baseball Bat Stephen M. Bratkovich, 2020-08-06 Why do modern day sluggers like Aaron Judge prefer maple bats over the traditional ash bats swung by Ted Williams and others Why did the surge of broken bats in the early 21st century create a crisis for Major League Baseball and what steps were taken to address the issue Are different woods being considered by players and manufacturers Do insects disease and climate change pose a problem long term These and other questions are answered in this exhaustive examination of the history and future of wooden bats written for both lifelong baseball fans and curious newcomers

Will Big League Baseball Survive? Lincoln Mitchell, 2017 Major League Baseball is a beloved American institution that has been a product of the economic social and media structures that have evolved in the United States over the last century In his shrewd analysis Will Big League Baseball Survive Lincoln Mitchell asks whether the sport will continue in its current form as a huge lucrative global business that offers a monopoly in North America and whether those structures are sustainable Mitchell places baseball in the context of the larger evolving American and global entertainment sector He examines how both changes directly related to baseball including youth sports and the increased globalization of the game as well as broader societal trends such as developments in media consumption and celebrity culture will impact big league baseball over the next few decades His book ultimately proposes several possible scenarios for what big league baseball might look like Will it become more global smaller or remain the same or will it transform into some kind of hybrid of the three

American National Pastimes - A History Mark Dyreson, Jaime Schultz, 2016-04-14 When the colonies that became the USA were still dominions of the British Empire they began to imagine their sporting pastimes as finer recreations than even those enjoyed in the motherland From the war of independence and the creation of the republic to the twenty first century sporting pastimes have served as essential ingredients in forging nationhood in American history This collection gathers the work of an all star team of historians of American sport in order to explore the origins and meanings of the idea of national pastimes of a nation symbolized by its sports These wide ranging essays analyze the claims of particular sports to national pastime status from horse racing hunting and prize fighting in early American history to baseball basketball and football more than two centuries later These essays also investigate the legal political economic and culture patterns and the gender ethnic racial and class dynamics of national pastimes connecting sport to broader historical themes American National Pastimes chronicles how and why the USA has used sport to define and debate the contours of

nation This book was published as a special issue of the International Journal of the History of Sport American Liturgy James Calvin Davis,2021-02-08 How can celebrating the holy days of American culture help us to understand what it means to be both Christian and American In timely essays on Super Bowl Sunday Mother s Day Independence Day Thanksgiving and other holidays of the secular calendar James Calvin Davis explores the wisdom that Christian tradition brings to our sense of American identity as well as the ways in which American culture might prompt us to discern the imperatives of faith in new ways Rather than demonizing culture or naively baptizing it Davis models a bidirectional mode of reflection where faith convictions and cultural values converse with and critique one another Focusing on topics like politics race parenting music and sports these essays remind us that culture is as much human accomplishment and gift as it is a challenge to Christian values and there is insight to be discovered in a theologically astute investment in America s holy days **Sports Capitalism** Frank P. Jozsa,2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women s sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials **Going Going Gone** Eric Marcus,2023-03-28 Book Going going gone That was how many MLB broadcasters would describe home runs which were my favorite aspect of my favorite sport baseball That is where the title of this book originated Sadly MLB has been changing over the past several years My favorite sport has become maddening difficult to watch and the adoration I had for MLB players and teams has evaporated This book describes my opinions on what has happened to MLB which I believe is destroying its future The book starts with my childhood experiences and favorite MLB heroes which I believe many fans of my generation in particular can understand and relate to I am hoping it sparks similar fond memories for my readers The book moves on to the top reasons why MLB has been diminished and now it has a very uncertain long term future These are all my opinions and my hope is that it increases the reader s understanding of what is happening to the sport I once loved so much Eric L Marcus *Baseball America 2007 Almanac* Baseball America (Firm),2007-01-02 Baseball America s 2007 Almanac offers a complete recap of the 2006 baseball season from the World Series to the major minor college high school independent and amateur leagues The Almanac has organization team and player statistics and season reviews covering all of professional amateur and youth baseball It is also the only volume to

feature in depth coverage of the annual draft of players at all levels
