Macroeconomics through my eyes David Scheuer,2010-12-28 A book created in my college Macroeconomics Class for a project The material is based on watching several videos and applying the terminologies from the chapter we were studying at the time It is a good basic Macroeconomics book for any student that wants to know more about the basic understanding of Macroeconomics from a former students viewpoint *The Great Housing Bubble*

Lawrence Roberts,2008 A detailed analysis of the psychological and mechanical causes of the biggest rally and subsequent fall of housing prices ever recorded Examines the causes of the breathtaking rise in prices and the catastrophic fall that ensued to answer the question on every homeowner s mind Why did house prices fall Page 4 of cover *Fixed* John Y. Campbell,Tarun Ramadorai,2025-10-21 Two leading economists reveal why today s personal finance markets are rigged against us and offer practical steps to fix them We interact with the financial system every day whether taking out or paying off loans making insurance claims or simply depositing money into our bank accounts *Fixed* exposes how this system has been corrupted to serve the interests of financial services providers and their cleverest customers at the expense of ordinary people John Campbell and Tarun Ramadorai diagnose the ills of today s personal finance markets in the United States and across the globe looking at everything from short term saving and borrowing to loans for education and housing financial products for retirement and insurance They show how the system is fixed to benefit those who are wealthy and more educated while encouraging financial mistakes by those who are aren t making it difficult for regular consumers to make sound financial decisions and disadvantaging them in some of the most consequential economic transactions of their lives

Campbell and Ramadorai describe how some even opt out of the financial system altogether relying on unregulated and often shady mechanisms to implement necessary financial functions with dire consequences for individuals families and the economy more broadly With the explosive growth of the global middle class longer lifespans and greater numbers of seniors managing their money alone the pitfalls of personal finance now affect billions of people around the world Fixed proposes concrete solutions that harnesses the expertise of economists the power of government and the speed of technology to restore fairness and trust in our broken system and make it work better for ordinary people
