Federal Communications Commission,1993 Vibe ,2008 The Los Angeles Lakers Encyclopedia Richard J. Shmelter,2016-03-18 Against the backdrop of the glitz and glamour of Hollywood California the Los Angeles Lakers have become not only one of professional basketball s most treasured gems but an internationally renowned sports icon With the wizardry of players who require only one name Elgin West Wilt Kareem Magic Shaq Kobe the Lakers grew from a promising Midwestern team starting afresh in the City of Angels and becoming one of the most successful corporate giants in the history of athletic competition This definitive encyclopedia of the Lakers provides all vital data pertaining to each season of the team s first 50 years in Los Angeles including biographies of Hall of Famers other great performers and coaches complete rosters season by season schedules and statistics draft picks and records and individual accomplishments **A Soaring Season** Aaron Bracy,2025-03-01 The 2003 04 season was a dream for anyone in the orbit of Saint Joseph s basketball Being a student on Hawk Hill at the time I lived every second of it and long assumed I knew everything imaginable about that team and that time Aaron Bracy proved otherwise A Soaring Season isn t only a joyous echo of those days but it s a deeply reported dive into all the coincidental circumstances required for ordinary people to go extraordinary places Brendan Quinn The Athletic In the 2003 04 season Saint Joseph s became the most unlikely and most incredible story in college basketball The underdog Hawks captivated the entire city of Philadelphia and much of the nation with a unique guard oriented style and team first mentality featuring players who were not wanted by power conferences Big time programs passed over star point guard Jameer Nelson because of his height but Nelson played

an oversized sensational game that dwarfed his 5 feet 11 inches height Nelson's backcourt mate Delonte West was a lightly recruited prospect out of high school but transformed himself into an NBA first round draft pick with a work ethic and competitive drive that never had been seen before or since on Hawk Hill Outspoken head coach Phil Martelli overlooked for the only job he had ever wanted until he was nearly 41 years old surrounded Nelson and West with a perfect cast of complementary players Individually none of Nelson and West's teammates would be mentioned as an All American candidate Put all of the Hawks together however and you had a practically unstoppable force Not only did the players accept their roles they relished them And each one's contribution from Nelson and West all the way down to former cheerleader and walk on Robert Hartshorn was crucial to the entire team's success The Hawks spurred on by a mascot who never stops flapping its wings and a never quit school mantra The Hawk Will Never Die played their games in a gym that wasn't even as modern as many high schools Not much about the Hawks home felt big time not much that is except their team It was this low budget mom and pop men's basketball program that overcame seemingly insurmountable odds to complete a perfect regular season rise to the unanimous No 1 ranking in the country and become the envy of the blue bloods of the sport St Joe's provided hope then and today by reminding everyone that you don't have to be the biggest to beat the biggest or have the best to be the best
