Netflix Reddit Pro Discount:

Amazon Paul Smith, Alexander Monea, Maillim Santiago, 2022-11-28 Amazon is everywhere In our mailboxes in delivery vans clogging our streets in an increasing portion of our air traffic in our grocery stores on our televisions in our smart home devices and in the infrastructure powering many of the websites we visit Amazon's tendrils touch the majority of online retail transactions in the United States and in many other countries As Amazon changes the face of capitalist business it is also changing global culture in multiple ways This book brings together some of the most important analyses of Amazon's pioneering business practices and how they intersect with and affect the components of everyday culture Its contributors examine the political economy of Amazon's platform making the argument that it operates as an unregulated monopoly that is disruptive to the global economy and that its infrastructure and logistical operations increasingly alienate its workers and wreak many other social harms Our contributors outline the practices of resistance that have been employed by organizers ranging from Amazon employees to artists to digital piecemeal laborers working on Amazon's Mechanical Turk platform They examine the broader cultural impact that Amazon has had looking at things like Amazon Prime and the creation of unending consumption the absorption of Whole Foods and its brand of conscious capitalism and the impact of Amazon Studios and Prime Video on everyday film and television viewing practices This book examines the broader environmental impacts that Amazon is having on the world looking at the slow violence it incurs its underwhelming Climate Pledge and the regional impacts that its business practices have Lastly this book gathers together some important artistic responses to Amazon for the first time in an appendix that offers readers insight into other ways in which critics of the company are making their voices heard and attempting to move broader audiences into solidarity against Amazon *After Net Neutrality* Victor

Pickard, David Elliot Berman, 2019-10-29 A provocative analysis of net neutrality and a call to democratize online communication This short book is both a primer that explains the history and politics of net neutrality and an argument for a more equitable framework for regulating access to the internet Pickard and Berman argue that we should not see internet service as a commodity but as a public good necessary for sustaining democratic society in the twenty first century They aim to reframe the threat to net neutrality as more than a conflict between digital leviathans like Google and internet service providers like Comcast but as part of a much wider project to commercialize the public sphere and undermine the free speech essential for democracy Readers will come away with a better understanding of the key concepts underpinning the net neutrality battle and rallying points for future action to democratize online communication **Rechte Angriffe -**

toxische Effekte Elke Gaugele, Sarah Held, 2021-10-01 Was tun wenn sich Symbolik Bildsprache und Rhetorik extrem rechter Gesinnungsgruppen nicht mehr klar von Mainstream Normcore und linken Kommunikationsguerilla Strategien unterscheiden lassen Es kommt zu toxischen Effekten mit schwerwiegenden Folgen ber Moden und Styles werden extrem rechte Identitäten popularisiert rechte Gruppierungen eignen sich den Diskurs um sexuelle Gewalt gegen Frauen an und

AI and Authorship in Scholarly Communication Heather Moulaison-Sandy,2025-05-16 AI and Authorship in Scholarly Communication explores the role of artificial intelligence AI as it pertains to scholarly research and writing Explaining what AI is and how it can be used by scholars the book also focuses on aspects with the potential to change the scholarly communication landscape Bringing together research on AI and writing from the scholarly literature in LIS and beyond the book weaves together information about essential topics relating to AI and authorship In laying out the primary concerns surrounding AI in the field of scholarly communication Moulaison Sandy considers how those concerns map to norms and practices in research and writing The book likewise explores the future landscape of scholarly communication an environment in which AI will continue to play an important role AI and Authorship in Scholarly Communication will be of great interest to scholars students and practitioners and will be particularly useful to those studying AI or authorship from a library and information science LIS perspective Researchers or practitioners working in higher education or with learning technologies will also find much to interest them within the pages of the book

Work-Life Bloom Dan Pontefract,2023-10-24 GOLD MEDAL WINNER 2024 AXIOM BUSINESS BOOKS AWARD LEADERSHIP CATEGORY Work life balance isn t making anyone happy In fact our relentless attempts to achieve this goal have created workplaces full of stress discontent and burnout While this workplace disillusionment has been brewing for years the pandemic helped catalyze a cultural shift of workers redefining themselves beyond what they do for a living Now it s time for you to rethink your role as a leader in the nexus of work and life In Work Life Bloom How to Nurture a Team That Flourishes award winning author Dan Pontefract contends that a thriving workplace isn t about employee engagement levels nor is it predicated on your team members bringing their best selves to work Instead it requires you to support the people

you manage so they can be their best in work and life Just as a flower needs the right mix of sunlight water and nutrients to grow your people need the right mix of work life factors to create a fulfilling and harmonious existence Pontefract introduces a new leadership paradigm focused on twelve key work life factors that determine whether your team members gardens are able to grow Drawing upon primary global research interviews and personal experiences Pontefract delivers a timely blueprint for leaders to cultivate work life ecosystems where individuals don t just survive they bloom *The Oxford Handbook of Political Participation* Marco Giugni,Maria Grasso,2022-06-16 The Oxford Handbook of Political Participation provides the first comprehensive up to date treatment of political participation in all its varied forms investigates a wide range of topics in the field from both a theoretical and methodological perspective and covers the most recent developments in the area It brings together research traditions from political science and sociology bridging the gap in particular between political sociology and social movement studies contributions also draw on crucial work in psychology economics anthropology and geography Following a detailed introduction from the editors the volume is divided into nine parts that explore political participation across disciplines core theoretical perspectives methodological approaches modes of participation contexts determinants processes outcomes and current trends and future directions The book will be a valuable reference work for anyone interested in understanding political participation and related themes Abortion Rights Backlash Alison Brysk,2025-02-15 Reproductive rights are fundamental for the life freedom health and safety of over half the world s population Yet reproductive freedoms are under attack worldwide even where women have achieved political rights and workplace participation According to the World Health Organization about a third of pregnancies end in abortion but about half of abortions are unsafe resulting in tens of thousands of deaths each year Why are abortion rights backsliding even in developed democracies Why do some modern societies progress toward reproductive freedoms while others regress or stagnate And what can the struggle for reproductive rights teach us about broader movements for human rights and gender justice In *Abortion Rights Backlash* Alison Brysk shows how threats to reproductive rights stem from a gendered political struggle over declining democracy national identity and widening inequality due to globalization Formerly dominant groups facing social and economic crisis promote reactionary nationalist ideologies built around patriarchy race and religion as they seek to control population politics Brysk demonstrates that this is a global phenomenon comparing the diverging experiences of the politics of abortion in Ireland Poland Argentina Brazil and the United States California vs Texas Timely and pathbreaking in its global perspective and feminist analysis *Abortion Rights Backlash* transforms our understanding of human rights the future of democracy and the struggle for gender justice worldwide True Crime in American Media George S. Larke-Walsh,2023-06-01 This book explores contemporary American true crime narratives across various media formats It dissects the popularity of true crime and the effects both positive and negative this popularity has on perceptions of crime and the justice system in contemporary America As a collection of new scholarship on the development scope and

character of true crime in twenty first century American media analyses stretch across film streaming broadcast TV podcasts and novels to explore the variety of ways true crime pervades modern culture The reader is guided through a series of interconnected topics starting with an examination of the contemporary success of true crime the platforms involved the narrative structures and engagement with audiences moving on to debates on representation and the ethics involved in portraying both victims and perpetrators of crime within the genre This collection provides new critical work on American true crime media for all interested readers and especially scholars and students in the humanities and social sciences It offers a significant area of research in social sciences criminology media and English Literature academic disciplines
