Florida Studies Claudia Slate, 2009-03-26 Florida was the first region of the United States to be discovered explored and after a fashion settled by Euroamericans Its population in the early 21st century is approaching 17 million Within years the number of people living in the state will surpass those living in New York and the Sunshine State will become the most populous area east of the Mississippi The first book in English about Florida was written by Jean Ribault A French adventurer Ribault established a colony of Huguenots near present day Jacksonville He was captured by the very able Spanish commander Pedro Menendez who ordered his French rival and all his minions killed The state s long and colorful past is matched by its equally long and colorful literary production Strangely critical assessment of Florida literature has lagged far behind With this volume the Florida College English Association has formally begun an effort to correct this lamentable oversight Included are papers on every aspect of Florida literature and history by scholars from every part of the

state who are employed in every kind of institution of higher learning Of special interest are the studies of Florida literature in the 19th century and in the late 20th and early 21st centuries areas that are generally ignored in national journals The papers on the contributions of African American literary figures such as Zora Hurston and James Weldon Johnson are noteworthy Of particular interest are the suggestions for teaching Florida studies in the classroom which can be adapted for high school as well as college students

Nos amis italiens et espagnols ils ne sont pas les seuls ne font guère de distinction entre roman noir et roman policier. Mais comme en France nous la faisons en toute logique ce dictionnaire devrait ne comprendre que des entrées concernant le roman policier. Si vous en êtes d'accord ce sera ma première licence je parle d'un univers littéraire qui est le mien on y trouvera aussi bien du polar que du noir. S'agissant d'un univers littéraire il ne devrait y avoir ici que des livres. Ce sera ma seconde licence incidemment on y trouvera quelques films quelques séries TV quelques BD des librairies des blogs. Enfin autant prévenir tout de suite pour les définitions matrisées les monographies exhaustives les analyses thématiques etc le lecteur trouvera facilement d'excellents ouvrages j'en
