Sheppy,2017-07-05 This title was first published in 2003 Death Liturgy and Ritual is a two volume study of Christian funerary theology and practice presenting an invaluable account of funeral rites and the central issues involved for compilers and users Paul Sheppy writes from direct experience of conducting funerals and of drafting liturgical resources for others In Volume I A Pastoral and Liturgical Theology Sheppy argues that the Church ought to construct its theological agenda in dialogue with other fields of study He proposes a Christian statement about death that finds its basis in the Paschal Mystery since human death must be explained by reference to Jesus death descent to the dead and resurrection Using the three phases of van Gennep's theory of rites of passage the author shows how the Easter triduum may be seen as normative for Christian liturgies of death The companion volume Volume II A Commentary on Liturgical Texts reviews a wide range of current Christian funeral rites and examines how they reflect both the Church's concern for the death and resurrection of Christ and the contemporary secular demand for funerals which celebrate the life of the deceased **Divine Worship and Human Healing** Bruce T. Morrill,2013-03-15 Would many believers consider a wake or funeral an act of worship What does it mean to say that in anointing the sick or administering Viaticum to the dying humans are healed Such questions plumb the biblical and traditional depths of the paschal mystery Just as Jesus ministry at the social religious margins revealed the center of his faith in God's reign so also the church's ministry to sickness and death reveals much about the baptismal and Eucharistic worship so central to its entire life In Divine Worship and Human Healing Bruce Morrill turns to the rites serving the sick dying deceased and grieving to show why sacramental liturgy is so fundamental to the life of faith Readers will appreciate both his compelling narratives from actual pastoral experience and his engagement with biblical theological historical and social scientific resources Morrill invites readers to discover how the liturgical ministry of healing discloses God's merciful love amid communities of faith Jesuit Father Bruce Morrill discusses new book on Liturgical Theology from Jesuit Conference USA on Vimeo *The Sacristy Manual* G. Sacred Liturgy Context and Text is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective. This second edition, which includes an expanded introduction, covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies, further research in method for liturgical studies, consideration for changes in the cultural contexts in which people celebrate the liturgy. Besides brand new chapters on time and sacramentality and additions to the chapter on the arts, this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity.

Rites of Committal for the Order of Christian Funerals English Catholic Bishops' Conference, 2005-03-01

Since liturgical celebration involves the whole person, it requires attentiveness to all that affects the senses. The readings and prayers, psalms and songs should be proclaimed with understanding, conviction and reverence. The ritual gestures, processions and postures should express and foster an attitude of reverence and reflectiveness in those taking part in the funeral rites. This Committal rite should be celebrated in an atmosphere of simple beauty in a setting that encourages participation. Care must be taken that the choice of signs and symbols are in accord with the culture of the people. With these words, this important new publication is introduced. Various texts for committal are printed along with rubrics, and including also the rite of committal at a crematorium. This new version of the Rite of Committal now includes the Roman Lectionary relating to Funeral Rites but now excludes the Rite of Committal for children.
