Orderly General George Washington:

Varnum's Quarters John P. Brucksch,1993 *Threshold to Valley Forge* Sheilah D. Vance,2025-02-28 *Threshold to Valley Forge* adds an important untold chapter to Pennsylvania's Revolutionary War history Through extensive research Vance illuminates how six days in Gulph Mills shaped the Continental Army's path to Valley Forge while highlighting the complex challenges faced by Pennsylvanians during this pivotal time The Honorable Robert P Casey Jr United States Senator for Pennsylvania When George Washington and the Continental Army marched into Gulph Mills in December 1777 they were uncheered by any recent triumph Washington's army had lost at Brandywine at Germantown and at Paoli and the British had captured Philadelphia the largest city in the American colonies Even worse the Continental Congress had recently visited the patriot camp in Whitemarsh to inspect Washington's work questioning if he was the right man to lead the Continental Army Members of the Continental Congress and local legislators pushed for one more battle with the British before going into winter quarters but the soldiers and generals were in no condition to engage the enemy The army was bruised famished and despondent At the same time the new nation was trying to secure its existence The states began debating whether to adopt the Articles of Confederation that the Continental Congress had passed in the previous month Benjamin Franklin and the members of the American Commission were in France lobbying the King Louis XVI and his government to officially support the United States From December 12 19 1777 Washington's Army encamped in the towering hills of Gulph Mills Pennsylvania fifteen miles from Philadelphia Known as the Threshold to Valley Forge the Gulph Mills Encampment is often forgotten or minimized falling as it did between the more famous military engagements of the Philadelphia Campaign and the well known experience of the army at Valley Forge Yet the Gulph Mills Encampment was a significant microcosm of the Revolutionary War It included encounters with the British and the local community little food clothing and shelter for the troops the celebration of the new nation's first Thanksgiving and tough decisions by Washington including his momentous decision to make Valley Forge the army's winter quarters Based largely on writings and documents from soldiers generals local residents the Continental Congress the British Army and others this book reveals the fascinating details of George Washington's and the Continental Army's last stand before and as they moved into winter quarters at Valley Forge

Belonging to the Army Holly A. Mayer,2023-02-24 Chronicles the identities and importance of civilians to the American Revolutionary War effort *Belonging to the Army* reveals the identity and importance of the civilians now referred to as camp followers whom Holly A Mayer calls the forgotten revolutionaries of the War for American Independence These merchants contractors family members servants government officers and military employees provided necessary supplies services and emotional support to the troops of the Continental Army They served in virtually every imaginable capacity from lifting spirits with food drink and dances to nursing the sick digging ditches and spying on and fighting against the enemy Mayer demonstrates that by making encampments livable communities a matter of some significance given the years it took to

achieve independence these civilians played a fundamental role in the survival and ultimate success of the Continental Army. In this study of the army as a community rather than merely as a formal military organization Mayer looks at the formation and administration of the Continental community as well as the meaning of class, gender, and race within it. She considers whether the community contributed to social revolution even as it struggled to effect the independence that was part of the political revolution. Mayer describes how the military initially wanted to be rid of most camp followers but unable to fulfill its own support functions assimilated the civilians and thus gave an expansive meaning to the term belonging to the army. She documents how such assimilation included attempts to make camp followers invisible and to make them fit the army's visionary image. Mayer shows that in actuality the military failed to conceal and recast the civilians' efforts and that invisibility only enveloped the camp followers as the nation chose to remember selectively who belonged to the army.

The War of the American Revolution Robert W. Coakley, Stetson Conn, 1975 *Information Bulletin*, 1978 *A Catalogue of the Washington Collection in the Boston Athenæum* Boston Athenæum, 1897 A considerable portion of the books left to George C. Washington sold by him to Henry Stevens in 1847 or 1848 and by the latter to the Boston Athenæum in 1849 The Papers of George Washington George Washington, 1983 **Assembly** West Point Association of Graduates (Organization), 1989 Report of the Librarian and Annual Supplement to the General Catalogue State Library of Massachusetts, 1899 Library of Congress Information Bulletin, 1978 *The Historical Magazine and Notes and Queries Concerning the Antiquities, History and Biography of America*, 1870 Sales Parke-Bernet Galleries, 1950 **The American Historical Record** Benson John Lossing, 1874 **The American Historical Record**, 1874 **History of the First New York Regiment, 1775-1783** T. W. Egly, 1981 **The Pennsylvania Magazine of History and Biography**, 1890 *American Historical Record*, 1874 **Major General Adam Stephen and the Cause of American Liberty** Harry M. Ward, 1989 Dr. Adam Stephen, a physician and Scottish emigrant, became a leading military figure commanding Virginia troops during the French and Indian War and in the Continental army during the northern campaigns of the American Revolution.
