Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy

D. Berg-Schlosser

Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy:

Ordinary People in Extraordinary Times Nancy G. Bermeo, 2020-06-16 For generations influential thinkers often citing the tragic polarization that took place during Germany's Great Depression have suspected that people's loyalty to democratic institutions erodes under pressure and that citizens gravitate toward antidemocratic extremes in times of political and economic crisis. But do people really defect from democracy when times get tough? Do ordinary people play a leading role in the collapse of popular government? Based on extensive research, this book overturns the common wisdom. It shows that the German experience was exceptional; that people's affinity for particular political positions are surprisingly stable and that what is often labeled polarization is the result not of vote switching but of such factors as expansion of the franchise, elite defections, and the mobilization of new voters. Democratic collapses are caused less by changes in popular preferences than by the actions of political elites who polarize themselves and mistake the actions of a few for the preferences of the many. These conclusions are drawn from the study of twenty cases, including every democracy that collapsed in the aftermath of the Russian Revolution in interwar Europe, every South American democracy that fell to the Right after the Cuban Revolution, and three democracies that avoided breakdown despite serious economic and political challenges. Unique in its historical and regional scope, this book offers unsettling but important lessons about civil society and regime change and about the paths to democratic consolidation today.

Die verwundbare Demokratie Maximilian Steinbeis, 2024-07-22 Während Populisten überall auf der Welt die freiheitliche Rechtsordnung aushebeln, halten wir unsere Demokratie noch immer für unverwundbar. Die Feinde der demokratischen Vielfalt missbrauchen unter dem Vorwand, die wahren Interessen des Volkes zu vertreten, das Recht. Was droht Deutschland? Maximilian Steinbeis, Jurist und streitbarer Experte für alle Fragen zur Verfassung, zeigt am Beispiel Thüringen, wie Populisten den freiheitlichen Staat zerstören könnten, indem sie Gesetze und Institutionen missbrauchen. Schulen und Universitäten, Justiz und Polizei, Medien und Kunst: Es bleibt nur noch wenig Zeit, unsere Freiheit gegen diese Angriffe zu verteidigen. Maximilian Steinbeis schärft unser Bewusstsein für die Bedrohungen, denen unsere freie Gesellschaft ausgesetzt ist.

Kampf der Eliten Cristóbal Rovira Kaltwasser, 2009-08-10 Der Elitebegriff hat besonders in den letzten Jahren Konjunktur und gewinnt fortlaufend an Brisanz. Allerdings fehlt seinem Gebrauch meist die nötige Trennschärfe. Hilfig signalisiert er zum einen die Suche nach leistungsstarken gesellschaftlichen Führungskräften, zum anderen droht er Empörung über die Unfähigkeit der politischen Klasse an. Jenseits dieses Phänomens stellt sich die Frage nach dem theoretischen Gehalt des Elitebegriffes: Inwiefern ist er relevant für die politische Theorie? Worin liegt sein analytisches Potential? Die Antwort dieses Buches lautet: In der historisch vergleichenden Forschung, die den Kampf um gesellschaftliche Führung zwischen Eliten in den Mittelpunkt der Analyse rückt. Denn erst so lassen sich nationale Entwicklungspfade rekonstruieren, anhand derer sich Konflikte zwischen Eliten und die Austragung dieser Konflikte herauskristallisieren. Aus diesem Blickwinkel müssen Bildung und Erneuerung der Eliten als Prozesse von langer Dauer

verstanden werden die entscheidend für die historische Entwicklung aller Gesellschaften sind Auf Grundlage dieser theoretischen Diskussion untersucht das Buch die Geschichte Lateinamerikas von der politischen Emanzipation von Europa bis zum ökonomischen Zusammenbruch von 1982 Dabei stehen Argentinien Brasilien Chile und Mexiko im Fokus so dass vier Länder im Detail vergleichend untersucht werden Der Autor lenkt den Blick auf die Frage inwiefern gemeinsame Probleme etwa die politische Unabhängigkeit von Europa die Formierung des Staates oder der Umgang mit der sozialen Frage von den jeweiligen Eliten eines Landes unterschiedlich wahrgenommen und gelöst worden sind Im Gegensatz zu europäischen Diskursen die Lateinamerika vielfach romantisieren andauernde Aufstände und Aufstieg charismatischer Führer oder degradieren permanente Korruption und Unterentwicklung bietet dieses Buch eine nüchterne Darstellung dieser komplexen Region Statt sie zu exotisieren wird demonstriert dass sich aus dem Kampf zwischen den jeweiligen Eliten wesentliche Weichenstellungen ergeben haben anhand derer sich historische Entwicklungspfade rekonstruieren lassen **The**

Routledge Handbook of Autocratization Aurel Croissant, Luca Tomini, 2024-05-14 The Routledge Handbook of Autocratization comprehensively and systematically explores the current understanding and uncharted research paths of autocratization With wide reaching regional coverage and expert analysis from Asia North and South America Europe the Middle East and North Africa this handbook reveals cross country and cross regional analysis and insights and presents in depth explanations and consequences of autocratization Arranged in five thematic parts chapters explore the basic aspects of conceptualization theorization and measurement of autocratization the role of various political and non political actors as perpetrators supporters bystanders or defenders of democracy against autocratization processes and the consequences across various policy fields Showcasing cutting edge research developments the handbook illustrates the deeply complex nature of the field examining important topics in need of renewed consideration at a time of growing concerns for democracy and the global spread of authoritarian challenges to democracy The Routledge Handbook of Autocratization will be a key reference for those interested in and studying authoritarianism democratization human rights governance democracy and more broadly comparative politics and regional area studies Chapter 2 and Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 International license chapter 2 and Creative Commons Attribution CC BY 4.0 International license Chapter 11 **Democratization and Autocratization in Comparative Perspective** Jørgen Møller, Svend-Erik

Skaaning, 2023-12-22 This book provides balanced critical and comprehensive coverage of the theories and realities of autocratization and democratization It sketches developments in the conceptions of democracy discusses how to distinguish between different forms of political rule and maps the development of democracy and autocracy across space and time The book reviews the major debates and findings about domestic and international causes and consequences of democratization and autocratization It synthesizes theoretical models and empirical relationships based on an explicit comparative

perspective which focuses on similarities and differences across countries and historical periods Key features Offers a coherent framework which students and scholars can use to grasp the literature on democratization and autocratization as a whole Includes tables and figures as well as plentiful illustrative in text features including chapter summaries text boxes concluding bullet points and discussion questions Fully updated to account for the recent developments within the relevant academic literature as well as global and regional patterns of democratization and autocratization A section on democracy and autocracy today highlighting important political challenges for democracy such as populism and polarization and providing an overview of the level of democratic crisis in developed democracies Democratization and Autocratization in Comparative Perspective will be essential reading for students and scholars of political science democracy and democratization comparative politics political theory and international relations *Argentina's Radical Party and Popular Mobilization, 1916-1930* Joel Horowitz, 2010-11-01 Rise of Democracy Christopher Hobson, 2015-10-07 Explores democracy's remarkable rise from obscurity to centre stage in contemporary international relations from the rogue democratic state of 18th Century France to Western pressures for countries throughout the world to democratise

Political Parties and Democracy Kay Lawson, 2010-07-20 Native scholars explore the relationship between political parties and democracy in regions around the world The development of political parties over the past century is the story of three stages in the pursuit of power liberation democratization and de democratization Political Parties and Democracy is comprised of five stand alone volumes that probe the realities of political parties at all three stages In each volume contributors explore the relationship between political parties and democracy or democratization in their nations providing necessary historical socioeconomic and institutional context as well as the details of contemporary political tensions Contributors are distinguished indigenous scholars who have lived the truths they tell and are thus able to write with unique breadth depth and scope They show the parties of their respective nations as they have developed through history and changing institutional structures and they explain the balance of power among them and between them and competing agencies of power today **Handbook on Democracy and Security** Nicholas A. Seltzer, Steven L. Wilson, 2023-01-06 The Handbook on Democracy and Security offers an insightful new interpretation of the topic that reframes the contemporary challenge of democracy away from competing ideologies or external existential threats and centres on the security of democracy in the minds and lived experience of its citizens *Democratization and Research Methods* Michael Coppedge, 2012-06-25 Democratization and Research Methods summarizes what researchers know about why countries become and remain democracies and why they often do not It also evaluates the various methods social scientists use to answer such questions Michael Coppedge draws lessons that can be applied to any political phenomenon that is studied comparatively **Nonviolent Resistance and Democratic Consolidation** Daniel Lambach, Markus Bayer, Felix S. Bethke, Matteo Dressler, Véronique Dudouet, 2020-03-20 This book argues that democracies emerging from peaceful protest

last longer achieve higher levels of democratic quality and are more likely to see at least two peaceful handovers of power than democracies that emerged out of violent resistance or top down liberalization Nonviolent resistance is not just an effective means of deposing dictators it can also help consolidate democracy after the transition from autocratic rule Drawing on case studies on democratic consolidation in Africa and Latin America the authors find that nonviolent resistance creates a more inclusive transition process that is more resistant to democratic breakdown in the long term

When Democracies Collapse Luca Tomini, 2017-10-24 While the process of democratization is nowadays an established scholarship the reverse process of de democratization has generated less attention even when the regression or even breakdown of democracy occurred on a regular basis over past decades This book investigates both the different combination of explanatory factors triggering the transition from democratic rule as well as the role of the actors involved in the process It aims to integrate different levels of analysis and explanatory factors through a comparative analysis of the phenomenon since the beginning of the third wave of democratization As such it addresses the existing divide between the approaches focused on the conditions and those focused on the processes of change using a mixed method research design This text will be of key interest to scholars and students of comparative politics democracy democratization and de democratization political theory and comparative political institutions

Resilience of Democracy Anna Lührmann, Wolfgang Merkel, 2023-02-28 Illiberalism and authoritarianism have become major threats to democracy across the world In response to this development research on the causes and processes of democratic declines has blossomed Much less scholarly attention has been devoted to the issue of democratic resilience Why are some democracies more resilient than others to the current trend of autocratization What role do institutions actors and structural factors play in this regard What options do democratic actors have to address illiberal and authoritarian challenges This book addresses all these questions The present introduction sets the stage by developing a new concept of democratic resilience as the ability of a democratic system its institutions political actors and citizens to prevent or react to external and internal challenges stresses and assaults The book posits three potential reactions of democratic regimes to withstand without changes to adapt through internal changes and to recover without losing the democratic character of its regime and its constitutive core institutions organizations and processes The more democracies are resilient on all four levels of the political system political community institutions actors citizens the less vulnerable they turn out to be in the present and future This edited volume will be of great value to students academics and researchers interested in politics political regimes and theories democracy and democratization autocracy and autocratization polarization social democracy and comparative government The chapters in this book were originally published as a special issue of Democratization

Making Democratic Governance Work Pippa Norris, 2012-08-27 Is democratic governance good for economic prosperity Does it accelerate progress towards social welfare and human development Does it generate a peace dividend and reduce conflict at home Within the international community democracy and governance are widely

advocated as intrinsically desirable goals Nevertheless alternative schools of thought dispute their consequences and the most effective strategy for achieving critical developmental objectives This book argues that both liberal democracy and state capacity need to be strengthened to ensure effective development within the constraints posed by structural conditions Liberal democracy allows citizens to express their demands hold public officials to account and rid themselves of ineffective leaders Yet rising public demands that cannot be met by the state generate disillusionment with incumbent officeholders the regime or ultimately the promise of liberal democracy ideals Thus governance capacity also plays a vital role in advancing human security enabling states to respond effectively to citizen s demands **Learning Democracy** Leslie E.

Anderson, Lawrence C. Dodd, 2009-11-15 Historically Nicaragua has been mired in poverty and political conflict yet the country has become a model for the successful emergence of democracy in a developing nation Learning Democracy tells the story of how Nicaragua overcame an authoritarian government and American interventionism by engaging in an electoral revolution that solidified its democratic self governance By analyzing nationwide surveys conducted during the 1990 1996 and 2001 Nicaraguan presidential elections Leslie E Anderson and Lawrence C Dodd provide insight into one of the most unexpected and intriguing recent advancements in third world politics They offer a balanced account of the voting patterns and forward thinking decisions that led Nicaraguans to first support the reformist Sandinista revolutionaries only to replace them with a conservative democratic regime a few years later Addressing issues largely unexamined in Latin American studies Learning Democracy is a unique and probing look at how the country s mass electorate moved beyond revolutionary struggle to establish a more stable democratic government by realizing the vital role of citizens in democratization processes

Mixed Methods in Comparative Politics D. Berg-Schlosser, 2012-09-26 This book approaches current controversies concerning qualitative and quantitative procedures in the social sciences and incorporates new methods showing how they can supplement each other It is based on a comprehensive international research project that readers can apply to their findings through the data set provided on the author s home page **Conservative Parties and the Birth of Democracy**

Daniel Ziblatt, 2017-04-17 How do democracies form and what makes them die Daniel Ziblatt revisits this timely and classic question in a wide ranging historical narrative that traces the evolution of modern political democracy in Europe from its modest beginnings in 1830s Britain to Adolf Hitler s 1933 seizure of power in Weimar Germany Based on rich historical and quantitative evidence the book offers a major reinterpretation of European history and the question of how stable political democracy is achieved The barriers to inclusive political rule Ziblatt finds were not inevitably overcome by unstoppable tides of socioeconomic change a simple triumph of a growing middle class or even by working class collective action Instead political democracy s fate surprisingly hinged on how conservative political parties the historical defenders of power wealth and privilege recast themselves and coped with the rise of their own radical right With striking modern parallels the book has vital implications for today s new and old democracies under siege Democratic Stability in an Age of Crisis Agnes

Cornell, Jørgen Møller, Svend-Erik Skaaning, 2020-04-15 The interwar period has left a deep impression on later generations. This was an age of crises where representative democracy itself, a relatively recent political invention, seemed unable to cope with the challenges that confronted it. Against the backdrop of the economic crisis that began in 2008 and the rise of populist parties, a new body of scholarship frequently invoked by the media has used interwar political developments to warn that even long-established Western democracies are fragile. Democratic Stability in an Age of Crisis challenges this interwar analogy based on the fact that a relatively large number of interwar democracies were able to survive the recurrent crises of the 1920s and 1930s. The main aim of this book is to understand the striking resilience of these democracies and how they differed from the many democracies that broke down in the same period. The authors advance an explanation that emphasizes the importance of democratic legacies and the strength of the associational landscape, i.e. organized civil society and institutionalized political parties. Moreover, they underline that these factors were themselves associated with a set of deeper structural conditions which on the eve of the interwar period had brought about different political pathways. The authors' empirical strategy consists of a combination of comparative analyses of all interwar democratic spells and illustrative case studies. The book's main takeaway point is that the interwar period shows how resilient democracy is once it has had time to consolidate. On this basis, recent warnings about the fragility of contemporary democracies in Western Europe and North America seem exaggerated or at least that they cannot be sustained by interwar evidence. Comparative Politics is a series for researchers, teachers, and students of political science that deals with contemporary government and politics. Global in scope, books in the series are characterized by a stress on comparative analysis and strong methodological rigour. The series is published in association with the European Consortium for Political Research. For more information, visit www.ecpr.net/eu. The series is edited by Susan Scarrow, Chair of the Department of Political Science, University of Houston, and Jonathan Slapin, Professor, Department of Political Science, University of Zurich. **Distrusting Democrats** Devra C. Moehler, 2008 Publisher Description **Islamist Parties and Power in Democratic Nation-States** Ihsan Yilmaz, Syaza Shukri, 2024-08-27 By exploring the trajectories of Islamist parties in six diverse countries: Turkey, Morocco, Tunisia, Pakistan, Indonesia, and Malaysia, this book provides a comparative analysis of the strategies employed by Islamist groups to confront established political structures through electoral processes and their subsequent governance practices, if and when they assume power. The latter aspect is less explored than the predominant focus on Islamist opposition movements. The book analyses how these Islamist political parties navigate and negotiate with oppositional forces and establishments, concisely discussing the complex dynamics at play within each country. The book also bridges the gap between North Africa, South Asia, Southeast Asia, and Asia Minor, providing a comparative analysis across regions. Primarily serving as an introductory text to the subject of Islamist parties, the book functions as a comprehensive reader and handbook. Each chapter covers a range of key issues and themes relevant to the governance and political activities of the Islamist party of the country studied in the

chapter offering a general overview of Islamist party experiences across various themes and different historical periods

Recognizing the pretentiousness ways to get this book **Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy** is additionally useful. You have remained in right site to begin getting this info. acquire the Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy colleague that we allow here and check out the link.

Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Introduction

Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy : This website

Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy

hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, it's a popular resource for finding various publications. Internet Archive for Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Offers a diverse range of free eBooks across various genres. Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy, especially related to Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books or magazines might include. Look for these in online stores or libraries. Remember that while Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy eBooks, including some popular titles.

FAQs About Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy Books

Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy

1. Where can I buy Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Ordinary People In Extraordinary Times The Citizenry And The Breakdown Of Democracy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
