clear comprehensive systematic and practical guide to achieving Early Years Teacher Status and meeting the EYT Standards and requirements

Changing Our Minds Naomi Fisher, 2021-02-04 Children are born full of curiosity eager to participate in the world They learn as they live with enthusiasm and joy Then we send them to school We stop them from playing and actively exploring their interests telling them it s more important to sit still and listen The result is that for many children their motivation to learn drops dramatically The joy of the early years is replaced with apathy and anxiety This is not inevitable We are socialised to believe that schooling is synonymous with education but it s only one approach Self directed education puts the child back in control of their learning This enables children including those diagnosed with special educational needs to flourish in their own time and on their own terms It enables us to put wellbeing at the centre of education Changing Our Minds brings together research theory and practice on learning It includes interviews with influential thinkers in the field of self directed education and examples from families alongside practical advice This essential guide will give you an understanding of why self directed education makes sense how it works and what to do to put it into action yourself

Making Integration Work Language Training for Adult Migrants OECD, 2021-04-28 The OECD series Making Integration Work summarises in a non technical way the main issues surrounding the integration of immigrants and their children into their host countries This fifth volume explores the issue of language learning for adult migrants addressing methods to ensure such training is provided in an efficient and effective way taking into account migrants different starting points and circumstances
