Practical Feelings

Marci D. Cottingham,2022 Tracing emotions across work leisure social media and politics Practical Feelings counters old myths and shows how emotions are practical resources for tackling individual and collective challenges We do not usually think of our emotions as practical often they are nuisances to overcome momentary mysteries to solve or fleeting sensations to savor before getting back to the business of living But emotions interlace the practical elements of daily life In Practical Feelings Marci D Cottingham develops a theory of emotion as practical resources By integrating the sociology of emotion with practice theory Cottingham covers diverse areas of social life to show the range of an emotion practice approach and trace how emotions are put to use in divergent domains Spanning work leisure digital interactions and the political sphere Cottingham portrays nurses sports fans social media users and political actors in more complex holistic ways Practical Feelings provides the conceptual tools needed to examine emotions as effort energy and embodied resources that calibrate us to the social world
