Reddit Deal Tutorial:

You Should Quit Reddit Jacob Desforges, 2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit s r NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple You Should Quit Reddit is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit s flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner

Most Dope Paul Cantor,2022-01-18 The first

biography of rapper Mac Miller the Pittsburgh cult favorite turned rap superstar who touched the lives of millions before tragically passing away at the age of 26 Most Dope works as a reminder of Mac's passion for hip hop and his gifts as a MC But the new book from music journalist Paul Cantor absolutely soars as a cautionary tale about drug addiction Esquire Malcolm James McCormick was born on January 19 1992 He began making music at a young age and by 15 was already releasing mixtapes One of the first true viral superstars his early records earned him a rabid legion of die hard fans as well as a few noteworthy detractors But despite his undeniable success Miller was plagued by struggles with substance abuse and depression which fueled his raw and genre defying music yet ultimately led to his demise Through detailed reporting and interviews with dozens of Miller's confidants Paul Cantor brings you to leafy Pittsburgh seductive Los Angeles and frenzied New York where you will meet Miller's collaborators producers business partners best friends and even his roommates Traveling deep into Miller's inner circle behind the curtain the velvet ropes and studio doors this is the story of a passionate gifted young man who achieved his life's ambition only to be undone by his personal demons Most Dope is part love letter part cautionary tale never shying away from the raw visceral way Mac Miller lived his life **Grace Canceled Dana**

Loesch, 2020-02-25 A society addicted to outrage is in trouble It's a seductive yet toxic drug that kills reason nuance and kindness Dana Loesch has been the target of as much outrage as anyone And as she forthrightly acknowledges here she has dished it out as well As passionately attached to faith and freedom as ever she warns that our addiction to outrage has debased our politics and reduced us to a vicious tribalism The antidote to outrage is grace a generous and forgiving spirit that tolerates those with whom one disagrees and offers redemption to the offender But grace is hard even under the best conditions and leftist rage mobs have stoked the fires of anger so assiduously with help from some of their foes on the right that grace is almost impossible Fortunately as Dana reminds us grace comes from God who specializes in the impossible In Grace Canceled Dana Loesch explains How America got cut up into competing tribes Why a society without grace falls for socialism Why outrage makes us dumb How violence became an acceptable political tactic on the left When anger is called for and when it's just self-indulgence The three golden rules of a happy warrior Make no mistake our freedom our faith our very way of life are under attack The stakes are incredibly high and Dana doesn't pretend they aren't But the social justice warriors are already slaves of outrage and if the rest of us become slaves as well then no one wins **Build Demand Before You Build Products: The Smart Pre-Sale Validation Blueprint** Sybex Books, 2025-06-22 The old way Build it and hope someone buys The smart way Build the demand first Build Demand Before You Build Products is the ultimate blueprint for pre-selling your ideas validating your market and making money before you even create This is not theory it's strategy backed by real results from creators and entrepreneurs who stopped guessing and started selling smart Inside you'll learn how to identify your ideal buyer craft a message that converts instantly and build an offer that people raise their hands for before it even exists No more wasted time building something nobody wants No more quiet launches and crushing disappointments This

book shows you how to sell before you spend saving you money energy and frustration You ll uncover how to create waitlists that generate momentum design simple landing pages that collect payments upfront and build hype the right way without faking urgency or manipulating trust Whether you re launching your first product or validating your tenth this method protects your time and maximizes your results You don t need a big audience You don t need a perfect product You just need a problem worth solving and a system that proves people want the solution Because when you build demand first success becomes predictable not accidental And your next product It won t be a shot in the dark It ll be a guaranteed yes A
