AMERICA The Sleeping Giants MUST Awake John P. Hunter III, 2014-07-30 AMERICA America is the land of the free and home of the brave At least this used to be how it was Now it is more like America is the land of the corrupt and home of the ignorant Here we have an uncontrollable disease of corruption at its finest WE THE PEOPLE are simply lacking knowledge or information of who we choose to elect for a government office Who we think we are voting for just from the looks or what conspires out of their very mouths but do we really know who they are in essence of how they qualify in a particular role of office In order to justify the means the book you are about to read will enlighten you as to whom is corrupt and for how long it has been into existence We will evaluate the circumstances to see why these events or things were corrupted out of revenge or sheer greed of money to gain power Some who are mentioned within this book are not so much corrupt but do hold a very thin line of being so The Constitution pertains to ALL Americans and especially government officials who were elected to make sure our rights are not trampled on regardless of race religion or place of origin Whenever these rights are continuously being abused by the representatives of our government then it surely is time for the Sleeping Giants MUST Awake Again America There has to be a big change within the entire government system It has to take place from city mayors governors legislation federal court system all the way up to the United States President Action speaks louder than words therefore what actions are taken by our congress people should be monitored closer by the people so our rights are upheld in an honorable fashion When outsiders other than American citizens are given our constitutional rights being illegal immigrants and then treason by fault of the U S government is in play IMPEACHMENT is in order to follow through immediately We can control the corruption if we discontinue the dynasties and take time to investigate whom we are going to vote for better When any candidate try to change any of the Constitution or Bill of Rights for their own personal needs it threatens the people of any age groups It dishonors our flag and country dishonors other political or religious organizations camouflaging misconduct by prejudice unexplainable expenses for diplomatic reasons while traveling parties while there is a crisis going on which requires their immediate attention or gives aid to the undeserving before their own kind Americans should be impeached immediately with no benefits herewith ALL must take drug test and have background checks The law is for everybody no exemption because you happen to be a politician Only you and I can hope to enforce these rules of conduct to have a better tomorrow and of human decency for all Americans IMPEACH OUR FRAUDULENT PRESIDENT BARACK HUSSEIN OBAMA The Hacking of America Bernadette H. Schell, John L. Dodge, 2002 Table of contents The Hacking of the American Mind Robert H. Lustig, 2017-09-12 Explores how industry has manipulated our most deep seated survival instincts David Perlmutter MD Author 1 New York Times bestseller Grain Brain and Brain Maker The New York Times bestselling author of Fat Chance reveals the corporate scheme to sell pleasure driving the international epidemic of addiction depression and chronic disease While researching the toxic and addictive properties

of sugar for his New York Times bestseller *Fat Chance* Robert Lustig made an alarming discovery our pursuit of happiness is being subverted by a culture of addiction and depression from which we may never recover Dopamine is the reward neurotransmitter that tells our brains we want more yet every substance or behavior that releases dopamine in the extreme leads to addiction Serotonin is the contentment neurotransmitter that tells our brains we don't need any more yet its deficiency leads to depression Ideally both are in optimal supply Yet dopamine evolved to overwhelm serotonin because our ancestors were more likely to survive if they were constantly motivated with the result that constant desire can chemically destroy our ability to feel happiness while sending us down the slippery slope to addiction In the last forty years government legislation and subsidies have promoted ever available temptation sugar drugs social media porn combined with constant stress work home money Internet with the end result of an unprecedented epidemic of addiction anxiety depression and chronic disease And with the advent of neuromarketing corporate America has successfully imprisoned us in an endless loop of desire and consumption from which there is no obvious escape With his customary wit and incisiveness Lustig not only reveals the science that drives these states of mind he points his finger directly at the corporations that helped create this mess and the government actors who facilitated it and he offers solutions we can all use in the pursuit of happiness even in the face of overwhelming opposition Always fearless and provocative Lustig marshals a call to action with seminal implications for our health our well being and our culture
