The disclosure related issues would be useful to benchmark with the Ind AS IFRS disclosures of major companies. Currently there is limited literature of the Ind AS application issues. This book endeavors to provide guidance on these issues. The book would be an immensely useful referencer for professionals, practitioners and corporates. International GAAP 2019 Ernst & Young LLP, 2019-01-14. International GAAP 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS) setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EY's financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. The 2019 edition of International GAAP has been fully revised and updated in order to continue to investigate the many implementation issues arising as entities adopt IFRS 9 Financial Instruments and IFRS 15 Revenue from Contracts with Customers. Explore the complex implementation issues arising as entities adopt in 2019 IFRS 16 Leases. Include an updated chapter on the new insurance contracts standard IFRS 17 Insurance Contracts which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised proposed narrow scope amendments to IFRS 17 intended by the IASB and also explores other matters arising as users prepare for the adoption of this standard. Include an amended chapter on the revised Conceptual Framework which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event. Address amended standards and new interpretations issued since the preparation of the 2018 edition. Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements. Provide insight on the many issues relating to the practical application of IFRS based on the extensive experience of the book's authors in dealing with current issues. **The Encyclopedia of Taxation & Tax Policy** Joseph J. Cordes, Robert D. Ebel, Jane Gravelle, 2005. From adjusted gross income to zoning and property taxes, the second edition of *The Encyclopedia of Taxation and Tax Policy* offers the best and most complete guide to taxes and tax-related issues. More than 150 tax practitioners and administrators, policymakers and academics have contributed. The result is a unique and authoritative reference that examines virtually all tax instruments used by governments: individual income, corporate income, sales and value added, property, estate and gift, franchise, poll and many variants of these taxes, as well as characteristics of a good tax system, budgetary issues and many current federal, state, local and international tax policy issues. The new edition has been completely revised with 40 new topics and 200 articles reflecting six years of legislative changes. Each essay provides the generalist with a quick and reliable introduction to many

topics but also gives tax specialists the benefit of other experts best thinking in a manner that makes the complex understandable Reference lists point the reader to additional sources of information for each topic The first edition of The Encyclopedia of Taxation and Tax Policy was selected as an Outstanding Academic Book of the Year 1999 by Choice magazine Publisher s website
