Consumed Benjamin R. Barber,2008-03-17 Powerful and disturbing No one who cares about the future of our public life can afford to ignore this book Jackson Learns A powerful sequel to Benjamin R Barber s best selling Jihad vs McWorld Consumed offers a vivid portrait of a global economy that overproduces goods and targets children as consumers in a market where there are never enough shoppers and where the primary goal is no longer to manufacture goods but needs Disturbing provocative and compelling this book examines phenomena as seemingly disparate as adolescent fashion trends for adults megachurches declining voter participation the privatization of the public sphere branding and the rise of online shopping to show how the freedoms of the free market have undermined the freedoms of the deliberative adult citizen Barber brings together extensive empirical research with an original theoretical framework for understanding our contemporary predicament

Consumed Benjamin R. Barber,2007 An examination of the effects of capitalism on American culture and society reveals how consumer capitalism overproduces goods targets children as consumers and replaces public goods with private commodities

Hollywood Weekly Jan2009 , *The Punk Rock of Business* Jeremy Dale,2018-09-25 Author Jeremy Dale believes that too many businesses create an environment that encourages mediocrity and corporate norms that deliver lukewarm results at best In *The Punk Rock of Business* Dale offers a road map away from average and towards innovation through a mindset rooted in punk rock principles In this fast paced actionable guidebook readers will find Eight punk rock principles to help you redefine your place in the corporate world for the better A set of characteristics to strive for that will liberate you and accelerate your success Countless examples drawing on both the classic stories from the music genre s industry changing legacy and Dale s years of business success to illustrate these principles and characteristics in action Straightforward lessons and actions to start taking today right now to break through corporate norms and build something greater Punk rockers had a cause They aimed for authenticity and refused to conform In doing so they created a dramatic change that shook society to its core It was a much needed wake up call for the conservative part of the music industry Jeremy Dale wants you to do the same in the business world and in *The Punk Rock of Business* he gives you the tools you need to accomplish that goal
