The 'Ism' Dilemma

George I. Bailey, 2020-11-09. My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern-day society. The book has an overwhelming focus on the spiritual impact on people when pride-based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually and by improving the quality of their relationships with others.

Integrating Young Adult Literature through the Common Core Standards Rachel L. Wadham, Jon W. Ostenson, 2013-01-07. This book advocates for a stronger role for young adult literature in ELA classrooms, compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks. *Integrating Young Adult Literature through the Common Core Standards* provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students' needs and the demands of the common core standards.
