Hold, Please Richard Hester,2022-03-15 A Broadway Stage Manager s pandemic memoir Winner of the 2022 International Impact Book Award Winner and the 2022 Pinnacle Book Achievement Award March 12 2020 Last night after weeks of downplaying and ridiculing the virus we were finally told by our President that it is in fact serious And so it began Broadway shut down Instead of sitting in a darkened theatre every night watching Jersey Boys Richard Hester like many other people found himself sitting on his sofa glued to the news As the days that followed unfolded and turned into weeks and then into months we all experienced a profound seismic shift The virus spread infecting millions We lost friends and family Our economies shut down Our jobs either stopped or changed in radical ways The senseless murder of George Floyd forced us to take a hard look at who we are and how we treat each other The Presidential election drove the country so far apart that it threatened to destroy Democracy itself Hold Please chronicles it all from the particular point of view of a career Broadway stage manager living in Manhattan Part journal part blog these essays attempted to make sense of the crisis and what it was doing to us By the end everything had changed What follows is a journey through one of the most fascinating periods in both our cultural and our personal histories Written with humor and compassion Hold Please provides a unique perspective on this time and delivers the most important lesson of all Hope I ve watched Richard create order out of chaos for years so it comes as no surprise when he was able to do it again with these beautiful posts Together they create a powerful reminder of where we ve been as well as a thoughtful and compassionate guide for moving ahead Bernadette Peters It is no surprise to me that Richard Hester is an exquisite companion as he insightfully guides us on the journey through the strange isolation of that endless pandemic The Elizabethan theatre was frequently shut down because of the Black Death and I ve often tried to imagine how the players of that time managed to cope with the stress Richard s book makes it vividly clear Des McAnuff Director I am so grateful that Richard wrote all of this down so that I don t have to remember it myself Patti LuPone Thank you for taking my suggestion seriously Ima need you to file these and publish a book good sir because we are all better for it Ariana DeBose Richard Hester is a saint as far as I m concerned Anything he writes I would read however I

haven't had the time to read his book yet as my first grandchild was just born. As soon as I stop changing diapers, Richard's book is the first thing I'm reading. Mandy Patinkin: I have always been in awe of Richard Hester's gift as a storyteller. He has beautifully crafted a diary that reminds us of the journey we have been on for the past two years and with this book gives us the courage to carry on with hope and faith. Sergio Trujillo: Director, Choreographer. Hester describes such experiences in a warm conversational tone in a book in which his lyrical writing about the natural world adds dimension to humorous stories about working and not working from home. Hester interweaves descriptions of living through Covid 19 with stories of his colorful theatrical career. Kirkus Reviews
