Goodreads Choice Today Open Now:

Book of the Month Jennifer Probst, 2024-10-22 From New York Times bestselling author Jennifer Probst discover Book of the Month She's desperate for another bestseller and she'll go to any length to get it Even if it means sacrificing her pride to chase the hottest bachelor in town and get him to break her heart Once the literary world's golden girl Aspen Lourde can't seem to produce another successful book and the pressure's on to prove she's not just a one-hit wonder But there's a catch her bestseller was a heartbreak hit straight from her own love-life disaster Without any fresh romantic turmoil to fuel her pen Aspen needs inspiration quick enough to create a book her agent can sell to her publisher So she escapes for the summer to the Outer Banks with a plan to live a story worth writing Brick Babel is a romance novelist's dream a local heartthrob with a reputation as wild as the horses running free in the town He's everything Aspen needs for a muse kickstart gorgeous moody and notoriously unattainable His affairs are legendary in the small town and every woman warns her off including her sister Too bad a good heartbreak is exactly what she needs to meet her deadline But Brick refuses to play the game rejecting all of her advances When Aspen hears his tour company is on the verge of bankruptcy she offers him a deal fake a whirlwind summer romance then ditch her drama guaranteed Desperate to save his grandfather's business Brick agrees to the ridiculous deal What starts as a contractual fling spirals out of control as lines blur and real feelings emerge Brick's falling hard and Aspen's rethinking her plot twist The novel might be her ticket back to the top but at what cost Because Aspen's finally found her muse but some stories may be too true to share Book of the Month isn't just about finding love where you least expect it It's about finding yourself in the pages of life's unexpected chapters **Young Adult Literature in Action**

parentless teens When the home was shut down after the disappearance of several kids the three were split up Though the trauma of their childhood has never left them each went on to live accomplished if troubled lives They haven't seen one another since they were teens but now are reunited for a single haunting reason someone is trying to kill them To survive the group will have to revisit the nightmares of their childhoods and confront their shared past a past that holds the secret to why someone wants them dead It's a reunion none of them asked for or wanted But it may be the only way to save all their lives What Have We Done is both an edge of your seat thriller and a gut wrenching coming of age story And it cements Alex Finlay as one of the new leading voices in thrillers today

If Something Happens to Me Alex Finlay, 2024-05-28 From one of the genre's most exciting voices E News comes one of the year's most anticipated thrillers For the past five years Ryan Richardson has relived that terrible night The car door ripping open The crushing blow to the head The hands yanking him from the vehicle His girlfriend Ali's piercing scream as she is taken With no trace of Ali or the car a cloud of suspicion hangs over Ryan But with no proof and a good lawyer he's never charged though that doesn't matter to the podcasters and internet trolls Now Ryan has changed his last name and entered law school He's put his past behind him Until on a summer trip abroad to Italy with his law school classmates Ryan gets a call from his father Ali's car has finally been found submerged in a lake in his hometown Inside are two dead men and a cryptic note with five words written on the envelope in Ali's handwriting If something happens to me Then halfway around the world the unthinkable happens Ryan sees the man who has haunted his dreams since that night As Ryan races from the rolling hills of Tuscany to a rural village in the UK to the glittering streets of Paris in search of the truth he has no idea that his salvation may lie with a young sheriff's deputy in Kansas working her first case and a mobster in Philadelphia who's experienced tragedy of his own In classic Alex Finlay form *If Something Happens to Me* is told by several distinct compelling characters whose paths intersect detonating into a story of twist after pulse pounding twist The novel cements Finlay as one of the leading thriller writers today
