**Apple Pro Training Series** Kevin M. White, Gordon Davisson, 2013-12-23 This is the official curriculum of the Apple Mavericks 101 OS X Support Essentials 10.9 course and preparation for Apple Certified Support Professional ACSP 10.9 certification as well as a top notch primer for anyone who needs to support, troubleshoot or optimize OS X Mavericks. This guide provides comprehensive coverage of Mavericks and is part of the Apple Pro Training series, the only Apple certified books on the market. Designed for support technicians, help desk specialists and ardent Mac users, this guide takes you deep inside the Mavericks operating system. Readers will find in-depth, step-by-step instruction on everything from installing and configuring Mavericks to managing networks and system administration. Whether you run a computer lab or an IT department, you'll learn to set up users, configure system preferences, manage security and permissions, use diagnostic and repair tools, troubleshoot peripheral devices and more, all on your way to preparing for the industry standard ACSP certification. Covers updated system utilities and new features of OS X Mavericks including iCloud Keychain and Tags. Features authoritative explanations of underlying technologies, troubleshooting, system administration and much more. Focused lessons take you step by step through practical, real-world tasks. Lesson files and bonus material available for download, including lesson review questions summarizing what you've learned to prepare you for the Apple certification exam.

**Apple Pro Training Series** Marco Paolini, 2005-10-25 Talk about making an impact: Apple's Shake compositing and visual effects software has been used in every Academy Award winning film for visual effects since its debut. It's no wonder that trained Shake artists are in high demand and there's nowhere better to begin getting that training than with this fully updated for Shake 4 and comprehensive Apple approved guide which includes a free 30 day trial version of this multi-thousand dollar software. Using step by step, hands-on instruction, Hollywood effects wizard Marco Paolini takes you through Shake's interface and features including its color correction tools, tracking and stabilization capabilities, integrated procedural paint, powerful new floating point technology, advanced keyframing, blue and green screen techniques, rotoscoping tools and more. As with the other titles in the Apple Pro Training series, each chapter in this guide represents a complete lesson with a project to complete, a review section and bonus exercises to help test what you've learned. The accompanying DVD includes the lesson files needed to complete the book's projects. You can work through the book from cover to cover to get an entire course or you can go straight to the lessons that interest you most. Either way, you'll find the coverage you need to confront even the most daunting compositing and effects tasks with Shake. **Apple Training Series** Kevin M.
