Movie Nights with the Reagans Mark Weinberg, 2018-02-27 The former special advisor and press secretary to President Ronald Reagan shares a sentimental but often revealing enjoyable walk down Memory Lane Kirkus Reviews told through the movies he watched with the Reagans every week at Camp David Over the course of eight years Mark Weinberg travelled to Camp David with Ronald and Nancy Reagan as they screened movies on Friday and Saturday nights They watched movies in times of triumph such as the aftermath of Reagan's 1984 landslide and after moments of tragedy such as the explosion of the Challenger and the shooting of the President and Press Secretary Jim Brady Weinberg's unparalleled access offers a rare glimpse of the Reagans unscripted relaxed unburdened by the world with no cameras in sight Each chapter discusses a legendary film what the Reagans thought of it and provides warm anecdotes

and untold stories about his family and the administration From Reagan s pranks on the Secret Service to his thoughts on the parallels between Hollywood and Washington Weinberg paints a full picture of the president The New Yorker once famously dubbed The Unknowable A meander through a simpler time capturing a different time and a different president USA TODAY Movie Nights with the Reagans is a nostalgic journey through the 1980s and its most iconic films seen through the eyes of one of Hollywood s former stars one who was simultaneously transforming the Republican Party the American economy and the course of the Cold War For those equally enthused about movies and the fortieth president this book will serve as a welcome change from today s political climate Publishers Weekly **Power Up** Diana Neebe,Jen Roberts,2023-10-10

Wherever you are on the path to 1 1 teaching and learning you need a guide that can help you make the best use of the powerful technology available in today s classrooms In Power Up Making the Shift to 1 1 Teaching and Learning Diana Neebe and Jen Roberts draw on research and their extensive experience working with teachers across subject areas and grade levels to share the keys to success when teaching with a computer or tablet for every student This is the book secondary teachers need to understand the changes in pedagogy planning classroom organization time management and collaboration that will help them be successful in a 1 1 environment Whether providing immediate and detailed feedback to student writers giving voice to quiet learners or creating more time for actual work in a jam packed school day Neebe and Roberts show teachers how communication differentiation and other effective practices can be powered up with personalized technology Throughout the book Neebe and Roberts coach teachers through their initial concerns about technology integration offer advice about avoiding common problems and encourage innovation Using detailed classroom examples questions and suggestions they provide a framework for shaping the transformation of a traditional classroom into a student centered technology rich learning environment Readers will come away with a clear sense of how a fully implemented 1 1 classroom operates Power Up makes the transition to 1 1 a manageable and exciting journey It s a key part of supporting teachers and ensuring the success of your 1 1 program Ask, Measure, Learn Lutz Finger,Soumitra Dutta,2014-01-23

You can measure practically anything in the age of social media but if you don t know what you re looking for collecting mountains of data won t yield a grain of insight This non technical guide shows you how to extract significant business value from big data with Ask Measure Learn a system that helps you ask the right questions measure the right data and then learn from the results Authors Lutz Finger and Soumitra Dutta originally devised this system to help governments and NGOs sift through volumes of data With this book these two experts provide business managers and analysts with a high level overview of the Ask Measure Learn system and demonstrate specific ways to apply social media analytics to marketing sales public relations and customer management using examples and case studies **Lifescape** Brian Solis,2019-02-28 Somewhere along the way we got distracted As much as we multitask love our devices and feel like we re in control deep down we know that something is off Shortened attention spans declines in critical thinking lack of sleep self doubt and decreased creativity are just some of

the effects coming to light in an age of digital distraction It s time to reclaim our lives It s time to take control Lifescale is a journey of self discovery and growth It s about getting back into balance and remastering our destinies Author Brian Solis knows first hand He struggled with distraction and all of its ill effects To get his life back he developed a set of techniques exercises and thought experiments designed to tame the chaos and positively and productively navigate our day to day lives Instead of falling victim to the never ending cycle of newsfeeds Likes addictive apps and boredom scrolling aka the endless scroll we can learn to manage our time and inspire our own lives in a way that will bring meaning back without sacrificing the benefits that our devices bring us In Lifescale Brian has done the legwork to pull together scientific findings and practical tools into one book Readers especially those who are distracted will connect with the humor pathos and inspiration inside Using this book s simple but powerful lessons we can Identify sources of distraction and turn attention toward creativity and productivity Understand and resist the manipulative techniques that turn us into digital addicts Find meaning and purpose to guide our time in more meaningful ways Visualize future success to successfully dive into deep work and stop procrastinating Break bad habits establish rituals and establish routines that help you achieve goals Nurture imagination and learn to express ourselves more artistically Maximize productivity with simple but effective strategies Focus for extended periods and make breaks more restorative Foster a strong sense of purpose in life and identify the steps needed to bring it to life every day Smile more and build self esteem With the renewed perspective Lifescale offers we can finally learn to prioritize what matters and live our digital and physical lives with intention and true happiness Structural Pandemonium Victoria
