DePew (Classic Reprint)** Chauncey M. Depew, 2015-07-01 Excerpt from Orations and After Dinner Speeches of Chauncey M Depew We celebrate to day the Centenary of our Nationality One hundred years ago the United States began their existence The powers of government were assumed by the people of the Republic and they became the sole source of authority The solemn ceremonial of the first inauguration the reverent oath of Washington the acclaim of the multitude greeting their President marked the most unique event of modern times in the development of free institutions The occasion was not an accident but a result It was the culmination of the working out by mighty forces through many centuries of the problem of self government It was not the triumph of a system the application of a theory or the reduction to practice of the abstractions of philosophy The time the country the heredity and environment of the people and the folly of its enemies and the noble courage of its friends gave to liberty after ages of defeat of trial of experiment of partial success and substantial gains this immortal victory About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *My Memories of Eighty Years* Chauncey M. Depew, 2019-12-10 In *My Memories of Eighty Years* Chauncey M Depew crafts a poignant and vivid autobiography encapsulating the rich tapestry of American life

from the mid 19th to early 20th century This work is characterized by its narrative style blending personal anecdotes with historical reflections thus offering readers a lens through which they can observe the evolution of societal norms and values Depew s eloquent prose captures salient moments of his life from his early days in New York to his roles in business and politics showcasing his experiences against the backdrop of the burgeoning American landscape and its cultural shifts Chauncey M Depew was not only a prominent figure in the realms of business and politics but also a dedicated public servant which informed his keen observations of the changing social landscape His tenure as a leading lawyer and the president of the New York Central Railroad positioned him at the heart of industrial transformation Depew s extensive interactions with contemporaries including luminaries from various domains enriched his understanding of American identity and its myriad complexities This book is a must read for those seeking insight into an era marked by innovation and upheaval Depew s reflections offer a unique perspective on personal and national evolution making it an invaluable text for historians literary enthusiasts and general readers alike

Composing the Speech Glen Earl Mills,1952 *Orations, Addresses and Speeches of Chauncey M. Depew, Vol. 6 (Classic Reprint)* Chauncey Mitchell DePew,2015-08-08 Excerpt from *Orations Addresses and Speeches of Chauncey M Depew Vol 6* Senator Depew s public utterances have covered such a wide range of subjects have evidenced such marvelous versatility all possess so great merit that comparisons between those covering any particular line with another may well be omitted And yet perhaps Mr Depew s most unusual powers as an orator shine most brightly from the political platform One who has not experienced the difficulties of touring the country day after day making from twenty to thirty talks from the observation end of a railroad coach and from hastily constructed platforms on convenient street comers or in public parks and then conclude the day s labor with one or two set speeches in the evening at times also in the open air can hardly imagine the strain and fatigue endured Senator Depew has in this way participated in every presidential campaign for the past half century and in many State campaigns as well He has cheerfully met the demands of his party and the call for his return has ever been unanimous His political addresses extend from the Civil War until to day and beyond their attractiveness and charm of diction they are most valuable because they practically cover the political history of the country for the last half century Logic patriotism eloquence humor have ever characterized Senator Depew s political efforts and even those who do not agree with his sentiments have been glad to listen and to applaud He possesses the happy faculty of combining argument illustration and anecdote and sometimes even criticism in a straightforward manner but without offense and no shaft from his oratorical bow has ever rankled or festered in the bosom of an opponent no matter how sensitive he may have been The Republican Party of his State and this country owe much to Senator Depew About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged
