Ordinary Sustainable Faith In A Radical Restless World:

Ordinary Michael Horton, 2014-10-07 Radical Crazy Transformative and restless Every word we read these days seems to suggest there s a next best thing if only we would change our comfortable compromising lives In fact the greatest fear most Christians have is boredom the sense that they are missing out on the radical life Jesus promised One thing is certain No one wants to be ordinary Yet pastor and author Michael Horton believes that our attempts to measure our spiritual growth by our experiences constantly seeking after the next big breakthrough have left many Christians disillusioned and disappointed There s nothing wrong with an energetic faith the danger is that we can burn ourselves out on restless anxieties and unrealistic expectations What s needed is not another program or a fresh approach to spiritual growth it s a renewed appreciation for the commonplace Far from a call to low expectations and passivity Horton invites readers to recover their sense of joy in the ordinary He provides a guide to a sustainable discipleship that happens over the long haul not a quick fix that leaves readers empty with unfulfilled promises Convicting and ultimately empowering Ordinary is not a call to do less it s an invitation to experience the elusive joy of the ordinary Christian life Mere Economics Art Carden, Caleb S.

Fuller, 2025-04-01 Mere Economics points to the basic principles of economic theory with a tone that is conversational and inviting with the hope that the everyday Christian will not only discover helpful insight into the world of economics but will find within it the call for responsibility and stewardship **Following Hard After God: Discipleship and Faithfulness In**

Our Day Carl Shank, 2018-05-09 I am going to contend in this book that faith in Jesus is simply and profoundly faithfulness to Jesus Faithfulness is what God wants in a follower of Christ What I am at the end of my faith journey is what God looks at not my moments of greatness or excitement or visionary declarations God s measuring stick is faithfulness Technology and

Theology William H. U. Anderson, 2021-01-05 Technology is growing at an exponential rate vis vis humanity s ability to control it Moreover the numerous ethical issues that technology raises are also troubling These statements however may be alarmist since Telus would tell us The Future is Friendly The Modernist vision of the future was utopic for instance Star Trek of the 1960s But postmodern views such as are found in Blade Runner 2049 are dystopic Theology is in a unique interdisciplinary position to deal with the many issues pro and con that technology raises Even theologians like Origen in the third century and Aquinas in the thirteenth century made forays into Artificial Intelligence and surrounding issues they just didn t know it at the time Artificial Intelligence AI and Transhumanism raise questions about what it means to be human What is consciousness What is soul What are life and death Can technology really save us and give us eternal life Theology is in a unique position to handle these questions and issues This book also has practical applications in terms of ecclesiology church in the context of the COVID 19 pandemic both in terms of what it means to be a church and in terms of the sacraments or ordinances Is there such a thing as a Virtual Church or must we gather physically to constitute one Are Baptism and Communion legitimate if one is not physically in a church building but are online This book struggles with these

and many other questions which will help the scholar or reader make up their own minds however tentatively

Flourishing in Tensions Michael Bräutigam, 2022-09-09 Following Jesus Christ presents unique challenges to disciples today In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus's radical call into discipleship This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest invites us to cross bearing and as King demands us to follow him Jesus's call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ's radical call into discipleship today Participation and Covenant

Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology Same Old, Same New

Mike Mason, 2024-04-10 Why is so much of our existence so ordinary Why this immense tract of stuff in our lives that seems to have no lofty purpose In ninety short devotional chapters Mike Mason meditates on this question concluding that in fact everydayness to the extent we embrace it is a source of deep consolation Far from being meaningless the humdrum and the commonplace may actually hold the secret of life Same Old Same New beautifully and provocatively written and full of arresting insights will take your old tired world stand it on end and spin it like a top Mike Mason straddles two worlds the quotidian and the eternal Of course those two worlds aren't separate worlds at all and the reality of that intermingling that co-existence of the mundane and the mystical is perhaps the recurrent theme of Mason's writing Ron Reed Founding Artistic Director of Pacific Theatre The Making of Evangelical Spirituality Jason Cherry, 2023-01-05 How did it come to be that evangelicals expect individualized extrabiblical revelation from God What has

happened culturally historically and theologically to make this the ubiquitous assumption of evangelical spirituality The Making of Evangelical Spirituality is a compound of history and theology applied to the subject of evangelical spirituality specifically the phenomenon of evangelicals thinking God spoke to me in a still quiet voice The story is complex multifaceted and urgently in need of telling Few Christians know the history of the spiritual expectations heaped upon them Few know the individuals who gave shape to evangelical spirituality spiritual chieftains who were often guided by uniquely ephemeral social and cultural forces There is no towering figure like Martin Luther that stands as the lone front man for the esoterica of evangelical spirituality Instead it s the osmosis of many fascinating people struggling through life in the storm of worldly and cultural momentum This book is the story of those hermits monks reformers heretics politicians outcasts and preachers who gave shape Failure to tell the story now risks it becoming just another part of historical compost threatening to make evangelicals forever ignorant of what they are tossing into the garden of their soul *The Narrow Trail* Dr. Chuck

Ryor,2021-07-06 Healthy Christian living doesn t happen without genuine community growing humility and Gospel clarity The Narrow Trail provides a Three Tips paradigm for experiencing God s grace through three important practices Like those who are amateur hikers and climbers are guided by those three hiking tips Christians are counseled by God s Word to do the same Don t go alone Know your limitations Never leave the path The Narrow Trail aims to help people discover or rediscover a vibrant faith that is fully confident in God s love The confidence in God s love it aims for is not pie in the sky wishful thinking but a certainty based on the historic teaching about what Jesus has done for His children In the end by applying the principles contained therein readers will find renewal in their faith and revival in their practice Along the way The Narrow Trail not only points out the benefits of genuine community growing humility and Gospel clarity but takes time to explain why so many have abandoned these practices and the church *Themelios, Volume 40, Issue 3* D. A. Carson,2015-12-18

Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary

A. Smith, 2016-03-29 Christianity Today Book Award Winner Martin Institute and Dallas Willard Center Book Award You are what you love But you might not love what you think In this book award winning author James K A Smith shows that who and what we worship fundamentally shape our hearts And while we desire to shape culture we are not often aware of how culture shapes us We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices He explains that worship is the imagination station that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship Following the publication of his influential work *Desiring the Kingdom* Smith received numerous requests from pastors and leaders for a more accessible version of that book s content No mere abridgment this new book draws on years of Smith s popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh bottom up rearticulation The author creatively uses film literature and music illustrations to engage readers and includes new material on marriage family youth ministry and faith and work He also suggests individual and communal practices for shaping the Christian life

Covenant Lord and Cultic Boundary Michael Beck, 2023-02-02 The Reformed Two Kingdom project has generated a great deal of literature However this literature is often characterized by inflamed rhetoric Further though it is standard fare to assume that Kline was the architect of the project in reality there has been very little scholarly examination of this point In response Kline s system is analyzed through the means of a dialectical discourse with three differing models within the Reformed tradition the Theonomist Perspectivalist and Dooyeweerdian schools Through this means the study keeps away from surface level polemics and instead directs readers to the critically important substructural level of current discussions While clarifying some of the key differences between Kline and his interlocutors often overlooked points of nuance are also highlighted These points are shown to be important in that they present the potential to lessen frustration and impasse in the ongoing dialogue

Churching Rick Harrington, 2025-02-25 Over forty million people have left the church in the past twenty five years in the United States This is not merely people walking away from the faith Many Christians have dechurched as well The local church is seen as an optional club and gathering with other Christians is a sort of side issue in the real business of following Jesus This short book seeks to push against the cultural tide It musters together an argument biblically historically and practically on behalf of the church The church does not sit on the periphery of the Christian life it belongs smack dab in the center The church is our means of grace to corporate worship Christian fellowship and the Great Commission Read and reimagine what the church could look like going forward Brief and winsome this

resource draws on Scripture pastoral experience and wisdom from the global church to present a thoughtful and practical argument intended to help readers understand the call upon the Christian to commit and serve the church

Re-Envisioning Transformation David C. Scott, 2018-09-14 In today's church use of the term transformation has become commonplace. Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved. These often conflicting views suggest an ecclesial landscape characterized by pluralism, division, fragmentation, confusion, relativism, individualism, pragmatism, and subjectivism. Despite the current interest in transformational theology, the absence of a common, coherent, and integrated vision, and the lack of transformation is often accepted and affirmed. Re-Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive, unified, broad, effectual, and distinctly Christian. In this book, the contributions of two radically different theologians of the Christian life are examined. This provides the basis from which to develop a comprehensive and integrated framework of transformational theology, pointing God's people toward the need to express and live out a distinctly Christian vision. **The**

Artistic Vision Alex Sosler, Gary Ball, 2024-07-25 When you look at the world, what do you see? As an artist, your creativity stems from your vision. The problem in the modern world is how often one's imagination is fragmented and reduced between worship and work, the body and soul, the material and the spiritual. Written to practicing artists and those who pastor them, *The Artistic Vision* encourages artists who long for a greater sense of purpose and a greater sense of wholeness, proposing that seeing the material world as a shadow of spiritual realities will lead them toward an expression that joins faith and practice. Drawing from the Oxford Movement and artistic examples like Christina Rossetti and Flannery O'Connor, Ball and Sosler present a sacramental way of seeing the world: the invisible through the visible, the spiritual through the material, the divine through creation. Interspersed with practical vignettes from artists and pastoral reflection, *The Artistic Vision* helps artists regain an enchanted, mysterious, and reverent vision of life. Artists neither have to check their faith at the studio door nor produce kitschy or easy art. By creating with a sacramental vision, they are seeing the world charged with the grandeur of God and inviting viewers into that participation. **Five Views on the Gospel** Michael Horton, Scot McKnight, David A.

deSilva, Julie C. Ma, Shively T. J. Smith, 2025-06-03 *Five Views on the Gospel* presents five different perspectives on the question, "What is the gospel?" Presenting a variety of contemporary and tradition-based perspectives, each contributor answers key questions about the nature of the gospel. Questions contributors address include: What is the gospel? What is the context for understanding the New Testament teaching about the gospel? What are the primary biblical texts that you believe express the gospel, and how do you understand them? What are people called to do with the gospel, and what are the benefits promised by the gospel? How can the definition and proclamation of the gospel be contextualized and made relevant today? What example of an inadequate gospel and a false gospel can you offer? What does it mean to live a life worthy of the gospel? The CounterPoints format provides a unique opportunity for each contributor to set forth their own understanding of the gospel.

to interact with competing perspectives and for the editors to sum up points of agreement and disagreement and a path forward in the debate Positions and Contributors include The Reformation Gospel Michael Horton The King Jesus Gospel Scot McKnight The Wesleyan Gospel David A deSilva The Pentecostal Gospel Julie C Ma A Liberation Theology Gospel Shively T J Smith The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Unreconciled** Paul S. Jeon, 2018-10-18 The summons to live a radical life for God has led us away from doing the very basic things he has commanded Instead of changing the world our Lord Jesus calls us to change the way we approach relationships Specifically he challenges us to pursue reconciliation Unreconciled The New Norm invites Christians especially those who are busy seeking to do great things for a great God to remember the command to go and be reconciled and to renew their commitment to live in obedience to the things God has revealed Perhaps by pursuing the seemingly ordinary we will see God do extraordinary things in our pursuit to create cultures of reconciliation **Beauty Is Oxygen** Wesley Vander Lugt, 2024-06-18 Beauty is oxygen because it comes from the lungs of God Isolating individualism rank injustice and everyday monotony threaten to suffocate our souls But Wesley Vander Lugt shows how beauty can breathe life back into us Written in a graceful cadence that invites readers to turn these pages slowly Beauty Is Oxygen weaves together theological reflection poetry cultural criticism and Scripture Throughout Vander Lugt shows how beauty can break us out of self centered malaise promote healing and hope for our broken world and reenchant our lives Beauty is about more than positive feelings or pleasing aesthetics Beauty is as essential to our souls as oxygen is to our bodies As readers encounter these traces of divine glory in Vander Lugt s finely crafted meditations they will find how Christ will make all things new Core Christianity Michael Horton, 2016-04-05 What beliefs are core to the Christian faith This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation A lot of Christians take their story the narratives that give rise to their beliefs for granted They pray go to church perhaps even read their Bible But they might be stuck if a stranger asked them to explain what they believe and why they believe it Author pastor and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today And in a way that will make you excited to be a Christian Core Christianity covers topics like Jesus as both fully God and fully man The doctrine of the Trinity The goodness of God despite a broken world The ways God speaks The meaning of salvation What is the Christian calling Includes discussion questions for individual or group use This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ Upside-Down Spirituality Chad Bird, 2019-04-02 In our age when the church can too often seem like a poor copy of the world Chad Bird challenges us to

reclaim the astounding originality of our ancient backward faith Where the world stresses the importance of success Bird invites readers to embrace nine specific failures in the areas of our personal lives our relationships and the church Why Because what human wisdom deems indispensable is so often an impediment to our spiritual growth and what it deems insignificant is so often essential to it With compelling examples from the Bible and today Bird paints an enticing picture of the counterintuitive countercultural life that God wants for us He helps readers delight in all of the ways that Jesus turned the world upside down allowing us to experience true freedom not from our weaknesses but in the midst of them
