Organised Sexual Abuse

JR Anderson

Organised Sexual Abuse:

Organised Sexual Abuse Michael Salter, 2012-11-12 *Organised Sexual Abuse* offers a comprehensive interdisciplinary investigation of this phenomenon. Since the early 1980s social workers and mental health professionals around the globe have encountered clients reporting sexual abuse by organized groups or networks. These allegations have been amongst the most controversial in debates over child sexual abuse, raising many unanswered questions: Are reports of organized abuse factual or the product of moral panic and false memories? If these reports are true, what is the appropriate response? The fields of child protection and psychotherapy have been polarised over the issue. And although cases of organized abuse continue to be uncovered, a reasoned and evidence-based analysis of the subject is long overdue. Examining the existing evidence and supplementing it with further qualitative research in this book, Michael Salter addresses the relationship between sexual abuse and organized abuse, questions over the veracity of testimony, the gap between the policing response to sexual abuse and the realities of child sexual exploitation, the contexts in which sexually abusive groups develop and operate, the role of religion and ritual in subcultures of multi-perpetrator sexual abuse, as well as the experience of adults and children with histories of organized abuse in the criminal justice system and health system. *Organised Sexual Abuse* thus provides a definitive analysis that will be of immense value to those with professional and academic interests in this area.

Organised Sexual Abuse Michael Salter, 2013 This book examines the sexual abuse of children by groups or networks. It reviews the debates and controversy surrounding organised abuse and examines case studies of 21 adults in Australia who experienced organised sexual abuse in childhood. Themes discussed include the relationship between sexual abuse and organised abuse, debates on allegations and recovered memories, police responses, the contexts in which sexually abusive groups develop and operate, the role of religion and ritual in subcultures of organised sexual abuse, and the experience of adult and child victims in the criminal justice system and health system.

Organised Abuse Peter C. Bibby, 1996 This is the first Anglophone book covering the whole spectrum of organised abuse. It is intended to give the reader a basic understanding of how paedophiles work, how to intervene successfully, and issues for the children, their families, front-line staff, their managers, and the wider community, including international perspectives.

Counselling Adult Survivors of Child Sexual Abuse Christiane Sanderson, 1995 *Counselling Adult Survivors of Child Sexual Abuse* addresses the myths and mysteries while propelling a lifeline to both the health professional and the adult survivor. This is probably the most complete book on sexual abuse in publication.

Nursing Ethics If you're looking for a comprehensive overview of theory and practice in this hugely important area of work, then look no further: a useful resource book which would make a thoughtful and thorough introduction for trainee clinical and counselling psychologists or those looking to familiarise themselves with the range of issues in this area of work.

Changes An International Journal of Psychology and Psychotherapy significant in its frank, honest explication of the problem society faces when children are sexual victims and challenges psychologists to treat this systemic problem with all

the resources available to them The significance of this work is the comfort it provides to those who are searching for normalization of their experiences the honesty in addressing the very existence of ongoing sexual abuse of children our shared societal responsibility for potentially or inadvertently tolerating abuse and a sense that there is a group of persons with whom survivors can identify Contemporary Psychology a comprehensive guide to the background theory and treatment of survivors of abuse which tackles the thorny issue of false memories with sound advice about the role of the counsellor It has an easy readable style with just enough summarising of previous chapters to allow them to be read separately making it an enjoyable and worthwhile book to read or refer to I particularly liked the separation of objectives approaches and techniques in dealing with treatment which gave the book enormous clarity Counselling comprehensive and useful very readable and would be especially useful for anyone who is just entering this field and wishes to explore all the options and provide their client with the best possible service Community Care gives an overview of the literature on theories of sexual abuse its impact and long term psychological consequences and an examination of different models of treatment Journal of Family Therapy this excellent book strikes a good balance between theory data and practical advice for workers and includes illustrative case material and practical strategies for counsellors It conveys both the experiences of survivors and the enormous amount that can be achieved It is a stimulating and optimistic book which would be suitable for all workers in this important area Criminal Behaviour and Mental Health This book is academically sound and is all embracing in its treatment of its subject matter It is an excellent resource book and would be recommended reading for any person wishing to embark on research in this field All counsellors may indeed learn something from it Counselling Newsletter well organized clear carefully reasoned and documented a thorough helpful and sensible book providing a readable overview of knowledge on the topic While the text is aimed at professionals Sanderson s style appeals to other concerned individuals including survivors and those who support them FVSAB This revised edition includes new information and data on the incidence of child sexual abuse and looks more closely at the complexities of sexual abuse by female abusers An entirely new chapter on False Memory Syndrome is included in this edition which presents both clinical and scientific arguments pertaining to the retrieval of memories as well as analysing the impact of the application of this syndrome not only on victims and survivors but also on therapists and society as a whole Counselling Adult Survivors of Child Sexual Abuse examines the theories which attempt to account for the occurrence of child sexual abuse explains the traumatic impact of child sexual abuse looks at the ways in which these effects can be ameliorated and the adult healed Treatment techniques and the role of the counsellor in employing these techniques are also discussed in such a way that the counsellor can make use of the book not only as a review of current theory but also as a practical handbook for use with clients who may be adult survivors of child sexual abuse

Grappling with Smoke Bernard Gallagher,1998 The past five years have seen increased recognition of the scale of organized child sexual abuse Summarizing interviews with police officers social services department staff and voluntary

sector staff this report examines investigations into 13 community based five institution based and two family based cases of organized abuse The report considers the implications for multi disciplinary practice

Ritual Abuse in the Twenty-first Century Pamela Perskin Noblitt, 2008 Allegations of ritual abuse are universal and mental health professionals theologians law enforcers scholars victim advocates and others struggle to comprehend the enormity of the devastation left in the wake of these heinous acts Ritual Abuse in the Twenty first Century addresses the concerns that naturally evolve from any discussion of this phenomenon from the perspectives of professionals advocates and survivors from around the world eight countries seven states in the U S How valid are the survivors stories Is there evidence What are the consequences of these acts to the individual and society Why have these allegations been ignored or discredited whenever they have surfaced The authors of these chapters respond to these and other questions in an effort to illustrate the constellation of psychological health legal criminal societal and spiritual ramifications of ritual abuse Chapters address current issues including ritually based crime civil suits involving allegations of ritual abuse that are universal The value of understanding ritual trauma for diagnostic and treatment applications is discussed

International Conference on Child Sex Abuse Victim Protective Investigation & Trial Procedure ,1996

Adult Accounts of Organised Child Sexual Abuse in Australia Michael Salter (Ph. D.), 2010 Organised abuse is an uncommon form of child abuse however it has been one of the most controversial issues in debates over child abuse memory and the law This thesis documents and analyses accounts of organised abuse from twenty one adult survivors in order to develop a deeper understanding of the range of circumstances and contexts in which organised abuse arises and the forms of abuse to which children are subjected in organised contexts I draw from a range of feminist and critical masculinity theorists to consider how organised abuse contributes to and crafts relations between men women and children and how such profoundly abusive relations emerge out of everyday institutions such as the family and school Within the sexual subcultures of abusive groups the structured powerlessness of children signifies them as potential objects of exchange between men who seek to affirm masculine domination and accrue status and prestige through shared performances of control transgression and sexual violence Whilst the violence of these performances can reach extraordinary heights the control mechanisms through which children are subjugated to organised abuse rest upon the socially legitimised power of their abusers who are usually parents relatives or other authority figures Since the practices of power through which children are entrapped in organised abuse are normative and widespread organised abuse is rarely detected in the circumstances in which it arises Nonetheless this study has brought to light multiple intervention points through which organised abuse can be disrupted and the harms of organised abuse ameliorated and identifies a number of opportunities for intervention

Author abstract

Young Men Surviving Child Sexual Abuse Andrew Durham, 2003-06-02 Young Men Surviving Child Sexual Abuse examines a largely neglected area in child protection the sexual abuse of boys Andrew Durham a consultant social work practitioner describes his original research undertaken with young men close to or in the midst of

adolescence The book features extensive narrative as the life story approach taken allows the young men to theorise their own experience and to understand how and why child sexual abuse has had a harmful and long lasting impact on their day to day lives Alongside the research stories the author presents a theoretical framework for understanding male sexual abuse as well as a wide range of accessible practice materials This book will be invaluable to those working with children and young people who are recovering from child sexual abuse *The Social and Health Needs of Sexually Abused and Exploited Children*

Jacqui Saradjian, Helga G. I. Hanks, 1999 Includes directory of organizations involved in the issue and case studies *Women Who Sexually Abuse Children* This work is based on in depth research with more than fifty women who have sexually abused children and therapy that has been carried out with several such women It describes many aspects of their lives childhood own abuse histories and adult relationships with partners and peers **Child Sexual Exploitation**

After Rotherham Angie Heal, Adele Gladman, 2017-04-21 Written for professionals and managers working across children's services this book examines the recent case of widespread child sexual abuse which took place in Rotherham over many years despite cases being reported to the police It examines what went wrong and provides recommendations for improving responses throughout children's services *Missing and Sexually Exploited Children in the EU*

Gert Vermeulen, H. de Pauw, 2004 The first part of the project resulted in a book entitled Missing and sexually exploited children in the EU Epidemiological data The book stresses the importance of EU wide multidisciplinary and integrated efforts between competent authorities and civil society organisations in collecting epidemiological data as a basis for improved knowledge based policy making in the area of missing and sexually exploited minors It comprises country reports of all 15 EU Member States Each country report provides essential definitional information regarding the various forms of sexual exploitation of children and types of missing children outlines the way data collection on sexual exploited and missing children by various governmental police judicial other and non governmental actors is organised and deliver available data on the phenomena concerned A final comparative report bridges the country report information into a first Union wide epidemiological state of the art thus showing that current data collection is organised in a very chaotic and poor fashion At the same time the report identifies the main weaknesses and shortcomings of applied data collection methods It also offers a set of recommendations for both Member State and EU action in striving for improved and integrated ways of collecting administering and centralising reliable comparable and comprehensive data on the various forms of missing and sexually exploited children

Organised Crime in Europe Cyrille Fijnaut, Letizia Paoli, 2006-10-24 Attempts to systematically compare organised crime concepts as well as historical and contemporary patterns and control policies in thirteen European countries Based on a standardised research protocol thirty three experts from different legal and social disciplines provide insight through detailed country reports **Sexual Harassment and Abuse in Sport** Celia Brackenridge, Kari Fasting, 2002 This work looks to increase awareness of sexual abuse in sports Topics covered include the experiences of elite female athletes sexual

harassment of women in athletics as compared to the world of academia the prevalence of sexual abuse in organized competitive sports in Australia and defining appropriateness in coach athlete sexual relationships Independent Publishers

The Politics and Experience of Ritual Abuse Sara Scott, 2001 Sara Scott's book is a very powerful work not only in terms of the subject matter and the politics of intense violence and violation that it explores but also as a commentary on methodology and the nature of power. She thus contributes to the empowerment of survivors and the breaking of closures on debate and intervention. Professor Jeff Hearn, University of Manchester, author of *The Violences of Men* Through exemplary use of theory and research, Scott's analysis of ritual abuse moves forward key debates within feminism, therapy and social science more generally. This eloquent book confirms established sociological wisdom that great insights are produced from skilful research into boundary cases. Lois Bryson, Emeritus Professor, Research Institute for Gender and Health, University of Newcastle, Australia, very carefully researched, argued and presented. It contains some very important, if highly shocking and disturbing material which is handled in a highly sensitive way. Professor Mary Maynard, Department of Social Policy and Social Work, University of York. This book makes an important contribution to the existing literature and debate on ritual abuse as well as to the understanding of gendered violence and abuse more generally. Marianne Hester, Professor of Sociology and Social Policy, University of Sunderland. We live in an era characterised by contradictions, not least in relation to the issue of ritual abuse which emerged as a social problem only to have its existence immediately challenged by a discourse of disbelief. While many academics have ranked amongst the sceptics in this debate, Sara Scott is a sociologist who takes her respondents seriously as well as acknowledging the interests and experiences which have shaped her own position. *The Politics and Experience of Ritual Abuse* offers insight into why ritual abuse has become such a contested issue while enabling the reader to explore the meaning of ritual abuse through the accounts of those who claim direct experience. Drawing on her research with adults who identified themselves as survivors, the author argues that the wholesale dismissal of such accounts as false memories produced by a moral panic may be somewhat premature. *The Politics and Experience of Ritual Abuse* has been written for anyone interested in the specific controversy over ritual abuse including students and researchers in criminology, social work, sociology and women's studies.

Practical Guidelines to the Assessment of the Sexually Abused Child Patricia A. M. Horsham, Dr. John Bradford, Hilary McCormack, 1989

Counselling and Psychotherapy of Victims of Organised Violence in Sociocultural Context Karl Peltzer, 1996

Child Protection Great Britain. Department of Health, 1995. This report describes the development of the evaluation programme of sexually abused children and young perpetrators of abuse, the choice of the voluntary community centres involved and the measures used to follow the progress of the children and the results.

The Extent and Nature of Organised and Ritual Abuse Jean Sybil La Fontaine, 1994. Although the problem of organized abuse in England and Wales is relatively small and the number of cases in which ritual satanic abuse is alleged accounts for less than 10% of this minority of cases, it is an issue which arouses much public

controversy

Organised Sexual Abuse Introduction

In the digital age, access to information has become easier than ever before. The ability to download Organised Sexual Abuse has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Organised Sexual Abuse has opened up a world of possibilities. Downloading Organised Sexual Abuse provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Organised Sexual Abuse has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Organised Sexual Abuse. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Organised Sexual Abuse. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Organised Sexual Abuse, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Organised Sexual Abuse has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Organised Sexual Abuse Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Organised Sexual Abuse is one of the best book in our library for free trial. We provide copy of Organised Sexual Abuse in digital format, so the resources that you find are reliable.
