is a story about a young girl who marries her high school sweetheart only to find out that he is not what she thought he was. She quickly finds herself fleeing for her life. She finds her way to a small town that centers around Mary's Diner. Here she finds herself along with people she could love and trust. This small town is special and everyone works to help one another and their town. If we all would seek to make a difference in our communities like this little town, we would all reap the rewards you experience when we help our fellow man.

About the Author: Dianna Smith retired from a local telephone company. During the pandemic, Dianna kept herself busy with puzzles, television, and books. After reading many books, she started creating her own stories. She filled up a large stack of notebooks. Dianna started telling some of her stories to friends and family who encouraged her to have them published. Mary's Diner is her first story. [PC Mag](#), 1988-12-13. Susan Mallery, 2025-10-07. Published for the first time together, ONCE UPON A HOLIDAY includes the fan favorite story Happily this Christmas and a bonus novella from Susan Mallery's beloved Happily Inc series never before published together. There's no place like Happily Inc for the holidays. Wynn Beauchene has a thriving business, a great kid, and a mildly embarrassing crush on the guy next door, local cop Garrick McCabe. She's a strong independent woman who can't help dreaming what if about a man she barely knows. Until he needs her help, Garrick's pregnant daughter will be home for Christmas, and his house needs a woman's touch. Garrick and his little girl were tight once, and he's hoping a small town Christmas will bring her back to him. But thawing his daughter's frosty attitude will take more than a few twinkling lights. Maybe sharing the holiday with Wynn and her son will remind her of the joy of family. As the season works its magic on these wounded souls, Wynn realizes it's time to stop punishing herself for a painful secret while Garrick remains haunted by the ghosts of past mistakes. Will he allow Wynn to open the only gift she truly wants: his heart? Includes a bonus novella and a sneak peek at her next book, Happily Inc Book 1: You Say It First, Book 2: Second Chance Girl, Book 3: Why Not Tonight, Book 4: Not Quite Over You, Book 5: Meant to Be Yours, Book 6: Happily This Christmas. [Undivided](#). Patricia Raybon, Alana Raybon, 2015-04-28. Mom, I have something I need to tell you. They didn't talk. Not for ten years. Not about faith, anyway. Instead, a mother and daughter tiptoed with pain around the deepest gulf in their lives: the daughter's choice to leave the church, convert to Islam, and become a practicing Muslim. Undivided is a real-time story of healing and understanding with alternating narratives from each as they struggle to learn how to love each other in a whole new way. Although this is certainly a book for mothers and daughters struggling with interfaith tensions, it is equally meaningful for mothers and daughters who feel divided by tensions in general. An important work for parents whose adult children have left the family's belief system, it will help those same children as they wrestle to better understand their parents. Undivided offers an up-close and personal look at the life of an Islamic
