After Daniel: Redemption Romance Book 1 Ivy Winters, 2025-08-14 Because sometimes the second chapter is the one worth living for I thought my story ended the day Daniel died The world didn't just lose its color it lost its meaning Every sunrise felt like a mistake every breath an obligation Then I met him Mack is nothing like the man I loved He's rough edges and sharp lines all muscle and mischief with a past that should warn me away But there's something in his eyes something raw and unspoken that calls to the pieces of me I thought were gone for good He doesn't try to fix me He doesn't tell me to move on He just stands there solid and stubborn until I start to believe maybe I could let go of the past But loving again after loss isn't simple The grief is still there waiting for the dark days And Mack has his own ghosts ones that could rip us apart before we even begin If I give my heart to him am I honoring what I lost or risking everything I have left Trigger Warnings Miscarriage happens off page in the past Loss of a loved one Grief panic anxiety Hospital scenes References to domestic abuse nothing on the page

Reckless Love: An

Inspirational Romance Novel Matt Kingsley, Emma stood on the creaking porch of her family's ancestral home her gaze lingering on the rolling green hills of the English countryside The scent of fresh rain mingled with the earthy aroma of the garden a sensory reminder of her childhood It was here among these hills that she'd grown up her life a tapestry of family traditions and unspoken expectations The house with its ivy-clad walls and weathered stones had been a witness to generations of joy and sorrow Emma felt the weight of her lineage an invisible mantle that had been passed down through the years Her family known for their unwavering principles and societal standing had always been her guiding compass But beneath the composed surface Emma harboured a heartache a secret she'd kept even from those closest to her She had returned home after years abroad her academic pursuits and a teaching career taking her far from these familiar surroundings Yet the pull of home had been irresistible a call to return to her roots to the place that held her most cherished and painful memories As she walked through the house her fingers trailed along the spines of dusty books and family portraits that adorned the walls Each step was a journey through time a reminder of the legacy she was expected to uphold Her parents both eminent figures in their fields had always envisioned a certain path for her a path of academic excellence and a marriage that would align with their social standing However Emma's heart yearned for something different She sought a love that was passionate and all-consuming a connection that transcended societal norms and expectations But such desires were often whispered in the quiet of the night never to be voiced in the light of day
