Value Pricing for Accounting Professionals Mark Wickersham, 2022-07-03 Accountants and bookkeepers are working long hours but not making the profits they should. A value pricing strategy can lead to better prices for accounting professionals and better results for their clients. The concept of value pricing is simple to understand but many accountants struggle with the price conversation and lack the confidence to charge higher prices. Value Pricing for Accounting Professionals is a practical guide to building a clear pricing strategy, feeling more confident, and increasing earnings. It covers the critical steps to pricing a new client and how to re-price existing clients without losing them by quantifying value. The book's step-by-step approach is backed up by dozens of real-life case studies of firms which applied these methods to get better results, along with benchmarking research based on a survey of thousands of accounting professionals. There is guidance on calculating a profitable price, creating effective packages, and managing the invisible cost of scope creep, and new insights into meeting clients remotely and pricing in difficult economic times. Become more profitable and deliver extraordinary solutions to clients with this essential guide to effective value pricing.
