Global Literary Studies Diana Roig-Sanz, Neus Rotger, 2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach Forget Me Not Stacy Willingham, 2025-08-26 A pulse pounding new Southern thriller from the author of the runaway bestseller *A Flicker in the Dark* Twenty two years ago Claire Campbell's older sister Natalie disappeared shortly after her eighteenth birthday Days later her blood was found in a car a man was arrested and the case was swiftly closed In the decades since Claire has attempted to forget her traumatic past by moving to the city and climbing the ranks as an investigative journalist until an unexpected call from her father forces her to come back home and face it all anew With the entire summer now looming ahead a summer spent with nothing to do in her childhood home with her estranged mother Claire decides on a whim to accept a seasonal job at Galloway Farm a muscadine vineyard in coastal South Carolina less than an hour away from where she grew up At first glance Galloway is an idyllic escape for Claire A scenic retreat full of slow paced nostalgia as well as a place where her sister seemed truly happy in that last summer before she vanished it feels like the perfect plan to pass the time However as soon as Claire starts to settle in she stumbles across an old diary written by one of the vineyard's owners and what at first seems like a story of young rebellion and love turns into something much more sinister as it begins to describe details of various unsolved crimes As the days stretch on Claire finds herself becoming more and more secluded as she starts to obsess over the diary's contents as well as the lingering feeling that her own sister's disappearance may be somehow tied to it all Galloway was supposed to be a place to help her move forward but instead Claire quickly finds herself immersed in her own dark and dangerous past *Only If You're Lucky* Stacy Willingham, 2024-01-16 A sharp and twisty exploration of female friendship from the New York Times bestselling author of *A Flicker in the Dark* and *All the Dangerous Things* Lucy Sharpe is larger than life Magnetic addictive Bold and dangerous Especially for Margot who meets Lucy at the end of their freshman year at a liberal arts college in South Carolina Margot is the shy one the careful one always the sidekick and never the center of attention But when Lucy singles her out at the end of the year a year Margot spent studying

and playing it safe and asks her to room together something in Margot can't say no something daring or starved or maybe even envious And so Margot finds herself living in an off campus house with three other girls Lucy the ringleader Sloane the sarcastic one and Nicole the nice one the three of them opposites but also deeply intertwined It's a year that finds Margot finally coming out of the shell she's been in since the end of high school when her best friend Eliza died three weeks after graduation Margot and Lucy have become the closest of friends but by the middle of their sophomore year one of the fraternity boys from the house next door has been brutally murdered and Lucy Sharpe is missing without a trace From the author of *A Flicker in the Dark* and *All the Dangerous Things* comes a tantalizing thriller about the nature of friendship and belonging about loyalty envy and betrayal another gripping novel from an author quickly becoming the gold standard in psychological suspense
