Choice Raymond Ngaiza, 2022-06-13. Have you ever felt like life is getting away from you? We all know what it is to sometimes feel like mere passengers along for the ride, victims of circumstances outside of our control. In this striking work of self-help literature, author Raymond Ngaiza takes up arms against this familiar feeling, showing the myriad ways we determine the course of our lives through the choices we make, whether they be personal or professional, big or small. Inspired by his own experiences of career and lifestyle changes, in leaving his training for priesthood, going back to school, taking up writing, and becoming a husband and father, Ngaiza draws on a fascinating array of religious and secular texts, as well as politics, pop culture, and his own life to show us how we can make the difference in our lives and in the world. Careful to examine all sorts of important dynamics that may come into play in decision-making, from being met with a lack of choice

or its overwhelming abundance to the methods by which we actually execute our decisions to the issues that may follow our choice making such as proverbial buyer's remorse Choice is a powerful wake up call to readers everywhere reminding us that we can and should become masters of our destinies *The Husband's Secret - 101 Amazing Facts You Didn't Know* G Whiz,2014-05-18 Did you know that Liane Moriarty got a lot of inspiration from death bed confessions Or did you know that Moriarty used the Berlin Wall as a metaphor in her book What are the amazing facts of *The Husband's Secret* by Liane Moriarty Do you want to know the golden nuggets of facts readers love If you've enjoyed the book then this will be a must read delight for you Collected for readers everywhere are 101 book facts about the book author that are fun down to earth and amazingly true to keep you laughing and learning as you read through the book Tips Tricks to Enhance Reading Experience Enter G Whiz after your favorite title to see if publication exists ie Harry Potter G Whiz Enter G Whiz 101 to search for entire catalogue Tell us what title you want next Combine your favorite titles to receive bundle coupons Submit a review and hop on the Wall of Contributors Get ready for fun down to earth and amazing facts that keep you laughing learning G Whiz **DISCLAIMER** This work is a derivative work not to be confused with the original title It is a collection of facts from reputable sources generally known to the public with source URLs for further reading and enjoyment It is unofficial and unaffiliated with respective parties of the original title in any way Due to the nature of research no content shall be deemed authoritative nor used for citation purposes Refined and tested for quality we provide a 100% satisfaction guarantee or your money back *Inclusive Young Adult Fiction* Melanie Ramdarshan Bold,2019-01-04 This book examines diversity or the lack thereof in young adult fiction YA publishing It focuses on cultural hegemony in the United Kingdom and explores how literary culture aimed at young adults reproduces and perpetuates racial and ethnic cultural hierarchies Diversity is described by the We Need Diverse Books project as all diverse experiences including but not limited to LGBTQIA Native people of color gender diversity people with disabilities and ethnic cultural and religious minorities This study focuses on people of colour While previous studies have looked at the representation of ethnic minorities in books for children and young adults this book examines the experiences of own voice cultural producers that create a counter narrative Specifically this book will investigate the output and experiences of British young adult fiction authors of colour BAME authors published in the UK during the period 2006-2016 drawing upon semi structured interviews with a sample of authors [The Valley of Amazement: A Novel By Amy Tan \(Trivia-On-Books\)](#) Trivion Books,2016-09-13 Trivia on Book *The Valley of Amazement* by Amy Tan Take the challenge yourself and share it with friends and family for a time of fun *The Valley of Amazement* Amy Tan's latest novel takes the reader on a rollercoaster of emotional events woven around a family saga bedeviled with secrets and deception Violet the heroine of the story must navigate her way through the perilous corridors of brothels to uncover the identity of her father lost to her since birth which inevitably pits her against her mother Lulu *The Valley of Amazement* stole the scene as Amazon's Best Book of the Month in the month of its publication and went on to snatch a nomination in the 2013

The History of Science Fiction and Its Toy Figurines Luigi Toiati, 2023-12-21

This eye-opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby. Toy Soldier Collector Science fiction, as the name suggests, is the combination of science and fantasy. In addition to a literary form, it also encompasses film, TV, comics, toys, and our beloved toy astronauts or other figures such as aliens, monsters, and other playable genres. The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines. Space invaded radio, cinema, TV, and consequently, for a long time, toy figurines were predominantly space-related, later evolving into other themes. This lavishly illustrated book covers both the history of literary science fiction, following in the footsteps of contemporary official criticism, and toy figurines inspired by science fiction. You will also find several other themes, such as the link between science fiction figures and cinema, radio, TV, comics, and more. Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it.
