Done That: Practical Tips & Wisdom from Cancer Survivors for Cancer Patients Amor Y. Traceski,2019-06-14 Been There Done That Practical Tips Wisdom from Cancer Survivors for Cancer Patients is first and foremost an HONEST true to life book It contains detailed first hand information of cancer experiences from 19 brave and amazing cancer survivors some of who survived multiple cancers and even metastasis The survivors range in age from 21 to 91 with cancer backgrounds covering cancers of the blood bone marrow chronic lymphocytic leukemia breast triple negative triple positive included colon kidney ovaries pancreas prostate rectum salivary glands and soft tissue sarcoma and skin **Coyote Nights** Debra Elaine Medina,2019-08-28 Matt Shaw trudged into his future job marriage homeownership expensive acquisitions In spite of his growing indifference it seemed too late to turn back Then Hannah crashed his Halloween party and before long nothing else mattered Go on Matt said leaning back trying to act relaxed as if he d heard a couple hundred how I became a vampire stories It seems like there s fog in the row of trees at the back of the cemetery Like a fog has come up suddenly It s hardly ever foggy in Albuquerque so I was surprised Wondering if things could get any creepier Hannah s knee was bouncing steadily Then I thought did I see movement I looked up from the grave toward that row of trees and I think there s someone there like I could see a face for a second but then maybe it was just a swirl in the fog I can t quite make it out I better go I said it out loud and my voice startled me It seemed loud It made my heart jump But I keep standing there and I know there s someone in those trees but I just can t quite see it and I m afraid to move Maybe if I stand still it won t notice me It will get darker and the fog will get thicker and who or whatever is there won t be able to see me and then I can get out of there I can run maybe if I don t trip over something A grave or something somebody s flowers These thoughts are racing through my mind but my body feels heavy and slow Hannah took a drink of her beer Matt felt as if she had forgotten his presence Her face was serene almost smiling I sort of stopped thinking then just stood there My hair felt damp my face was cold When I

forced myself to focus on where I was I saw the face again from the corner of my eye Much closer now maybe fifty feet away I mean I didn't really see it like I see you now but there was this impression Something really horrible zeroing in on me the mouth was too big and the eyes were glittering with dark circles all the way around them Something sneaking The skin looked yellowy white against the gray white of the fog It had cloaked itself with this fog so it could get close and then pounce on me like some huge spider I lost the image whenever I tried to focus on it but I knew it was there I knew I was in trouble Then maybe twenty feet then maybe fifteen then I could see the hands and arms reaching and it was on me It got its hands on me and I don't think I ever even moved Didn't turn to run just stood there like a deer in headlights It was ugly and it stunk but it said sweet and comforting things Even the pain when it bit me took place in the middle of all these kind encouraging words and thoughts it put into my head I think I was convinced this monster had my best interests at heart
