Keene, Stephanie S. Lamarre, 2002 Based on extensive surveys of local parents this guide offers comprehensive up to date information on the best doctors hospitals childcare and preschools as well as parents top picks of pre and postnatal exercise facilities parents groups baby gear retailers and kid friendly restaurants Illustrations **Subscription Reviews** , Unhomed Pamela Robertson Wojcik, 2024-04-23 In this rich cultural history Pamela Roberston Wojcik examines America s ambivalent and shifting attitude toward homelessness She considers film cycles from five distinct historical moments that show characters who are unhomed and placeless mobile rather than fixed characters who fail resist or opt out of the mandate

for a home of one's own From the tramp films of the silent era to the 2021 Oscar winning *Nomadland* Wojcik reveals a tension in the American imaginary between viewing homelessness as deviant and threatening or emblematic of freedom and independence Blending social history with insights drawn from a complex array of films both canonical and fringe Wojcik effectively unhomes dominant narratives that cast aspirations for success and social mobility as the focus of American cinema reminding us that genres of precarity have been central to American cinema and the American story all along **It's Not Free Speech** Michael Bérubé, Jennifer Ruth, 2022-04-26 How far does the idea of academic freedom extend to professors in an era of racial reckoning The protests of summer 2020 which were ignited by the murder of George Floyd led to long overdue reassessments of the legacy of racism and white supremacy in both American academe and cultural life more generally But while universities have been willing to rename some buildings and schools or grapple with their role in the slave trade no one has yet asked the most uncomfortable question Does academic freedom extend to racist professors It's Not Free Speech considers the ideal of academic freedom in the wake of the activism inspired by outrageous police brutality white supremacy and the MeToo movement Arguing that academic freedom must be rigorously distinguished from freedom of speech Michael Bérubé and Jennifer Ruth take aim at explicit defenses of colonialism and theories of white supremacy theories that have no intellectual legitimacy whatsoever Approaching this question from two angles one the question of when a professor's intramural or extramural speech calls into question his or her fitness to serve and two the question of how to manage the simmering tension between the academic freedom of faculty and the antidiscrimination initiatives of campus offices of diversity equity and inclusion they argue that the democracy destroying potential of social media makes it very difficult to uphold the traditional liberal view that the best remedy for hate speech is more speech In recent years those with traditional liberal ideals have had very limited effectiveness in responding to the resurgence of white supremacism in American life It is time Bérubé and Ruth write to ask whether that resurgence requires us to rethink the parameters and practices of academic freedom Touching as well on contingent faculty whose speech is often inadequately protected It's Not Free Speech insists that we reimagine shared governance to augment both academic freedom and antidiscrimination initiatives on campuses Faculty across the nation can develop protocols that account for both the new realities from the rise of social media to the decline of tenure and the old realities of long standing inequities and abuses that the classic liberal conception of academic freedom did nothing to address This book will resonate for anyone who has followed debates over MeToo Black Lives Matter Critical Race Theory and cancel culture more specifically it should have a major impact on many facets of academic life from the classroom to faculty senates to the office of the general counsel *Abu Ghraib und die Folgen* Werner Binder, 2014-03-15 Die Missbrauchsfälle im irakischen Abu Ghraib Gefängnis sorgten im Mai 2004 für weltweite Empörung Diese Studie untersucht den amerikanischen Diskurs zu Abu Ghraib Sie bietet eine Interpretation der Skandalfotografien und eine umfangreiche Analyse von Presseartikeln und Fernsehtranskripten 2004 2009 die erstmals die

Sp tfolgen des Skandals f r Politik Recht Kunst Popul rkultur und den Folterdiskurs aufdeckt Werner Binder schlie t damit nicht nur eine Forschungs lcke zu Abu Ghraib sondern liefert zugleich einen eigenst ndigen Beitrag zur kultursoziologischen Theoriebildung

The New York Times Theatre Reviews 1999-2000 New York Times Theater Reviews,2001-12 This volume is a comprehensive collection of critical essays on The Taming of the Shrew and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

Free Speech and Intellectual Diversity in Higher Education Paul Carrese,Carol McNamara,James Stoner,2023-06-19 The essays in Free Speech and Intellectual Diversity in Higher Education reflect diverse perspectives on one of the most pressing issues in higher education the controversies over freedom of speech and its relation to intellectual diversity Does the First Amendment apply on campuses and do its principles clarify or obscure the issues surrounding campus speech What after all is the basis for those principles and how do they relate to the purposes of the university Is free speech truly effective without a diversity of perspectives and to what extent is such diversity found at universities today Does free speech discourage the inclusion of minorities or previously excluded groups Are there specific policies that can address the issue of free speech on campuses today in ways that are fair to all parties and to the interests at stake

The Campus Rape Frenzy KC Johnson,Stuart Taylor, Jr.,2018-05-22 In recent years politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation s institutions of higher learning as awash in a violent crime wave and to suggest preposterously that university leaders professors and students are indifferent to female sexual assault victims in their midst Neither of these claims has any bearing to reality But they have achieved widespread acceptance thanks in part to misleading alarums from the Obama administration and biased media coverage led by The New York Times The frenzy about campus rape has helped stimulate and has been fanned by ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation s all too compliant colleges and universities essentially to presume the guilt of accused students The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play This book uses hard facts to set the record straight It explores among other things nearly two dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have in a lopsided process been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges often after being tarred and feathered by their fellow students And it shows why all students and eventually society as a whole are harmed when our nation s universities abandon pursuit of truth and seek instead to accommodate the passions of the mob As detailed in the new Epilogue some encouraging events have transpired since this book was first published in October 2016 A majority of the judicial rulings in dozens of lawsuits by

male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike revoked most of the guilt presuming Obama era policies and began a protracted rule making process designed to compel procedural fairness and nondiscrimination

Performing Postracialism Philip S.S. Howard, 2023-02-14 Blackface instances in which non-Black persons temporarily darken their skin with make up to impersonate Black people usually for fun and frequently in educational contexts constitutes a postracialist pedagogy that propagates antiblack logics In *Performing Postracialism* Philip S.S. Howard examines instances of contemporary blackface in Canada and argues that it is more than a simple matter of racial misrepresentation The book looks at the ostensible humour and dominant conversations around blackface arguing that they are manifestations of the particular formations of antiblackness in the Canadian nation state and its educational institutions It posits that the occurrence of blackface in universities is not incidental and outlines how educational institutions' responses to blackface in Canada rely upon a motivation to protect whiteness *Performing Postracialism* draws from focus groups and individual interviews conducted with university students faculty administrators and Black student associations along with online articles about blackface to provide the basis for a nuanced examination of the ways that blackface is experienced by Black persons The book

investigates the work done by Black students faculty and staff at universities to challenge blackface and the broader campus climate of antiblackness that generates it *If Democrats Had Any Brains, They'd Be Republicans* Ann Coulter, 2007-10-02 Uttering lines that send liberals into paroxysms of rage otherwise known as citing facts is the spice of life When I see the hot spittle flying from their mouths and the veins bulging and pulsing above their eyes well that s when I feel truly alive So begins *If Democrats Had Any Brains They d Be Republicans* Ann Coulter s funniest most devastating and yes most outrageous book to date Coulter has become the brightest star in the conservative firmament thanks to her razor sharp reasoning and biting wit Of course practically any time she opens her mouth liberal elites denounce Ann insisting that She s gone too far and hopefully predicting that this time it will bring a crashing end to her career Now you can read all the quotes that have so outraged her enemies and so delighted her legions of fans More than just the definitive collection of Coulterisms *If Democrats Had Any Brains They d Be Republicans* includes dozens of brand new commentaries written by Coulter and hundreds of never before published quotations This is Ann at her best covering every topic from A to Z Here you ll read Coulter s take on Her politics As far as I m concerned I m a middle of the road moderate and the rest of you are crazy Hillary Clinton Hillary wants to be the first woman president which would also make her the first woman in a Clinton administration to sit behind the desk in the Oval Office instead of under it The environment God gave us the earth We have dominion over the plants the animals the trees God said Earth is yours Take it Rape it It s yours Religion It s become increasingly difficult to distinguish the pronouncements of the Episcopal Church from the latest Madonna video Global warming The temperature of the planet has increased about one degree Fahrenheit in the last century So imagine a summer afternoon when it s 63 degrees and the next thing you know it s 64 degrees Ahhhh Run for your lives everybody Women and children first Gun control Mass murderers apparently can t read since they are constantly shooting up gun free zones Bill Clinton Bill Clinton s library is the first one to ever feature an Adults Only section Illegal aliens I am the illegal alien of commentary I will do the jokes that no one else will do *If Democrats Had Any Brains They d Be Republicans* is a must have for anyone who loves or loves to hate Ann Coulter **Gender** Linda L. Lindsey, 2020-12-17 A landmark publication in the social sciences Linda Lindsey s *Gender* is the most comprehensive textbook to explore gender sociologically as a critical and fundamental dimension of a person s identity interactions development and role and status in society Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race ethnicity culture sexuality class and religion Arriving at a time of enormous social change the new seventh edition extends its rigorous theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result Recent and emerging topics that are investigated include the MeToo and LGBTQ rights movements political misogyny in the Trump era norms of masculinity

marriage and family formation resurgent feminist activism and praxis the gendered workplace and profound consequences of neoliberal globalization Enriching its sociological approach with interdisciplinary insight from feminist biological psychological historical and anthropological perspectives the new edition of Gender provides a balanced and broad approach with readable dynamic content that furthers student understanding both of the importance of gender and how it shapes individual trajectories and social processes in the U S and across the globe
