Digital Legend and Belief Andrew Peck,2023-07-18 The internet brings new urgency to

the study of folklore The digital networks we use every day amplify the capacity of legends to spread swiftly define threats and inform action Using the case of a particularly popular digital bogeyman known as the Slender Man Andrew Peck brings the study of legends into the twenty first century Peck explains not only how legends circulate in the digital swirl of the internet but also how the internet affects how legends seep into our offline lives and into the mass media we consume What happens he asks when legends go online How does the internet enable the creation of new legends How do these ideas go viral How do tradition and technology interact to construct collaborative beliefs Peck argues that the story of the Slender Man is really a story about the changing nature of belief in the age of the internet Widely adopted digital technologies from smartphones to social media offer vast potential for extending traditional and expressive social behaviors in new ways As such understanding the online landscape of contemporary folklore is crucial for grasping the formation and circulation of belief in the digital age Ultimately Peck argues that advancing our comprehension of legends online can help us better understand how similar belief genres like fake news conspiracy theories hoaxes rumors meme culture and anti expert movements are enabled by digital media

Jolie Gentil Books 12 to 14 Plus the Prequel Elaine L. Orr,2024-09-15 Jolie Gentil Mysteries Books 12 14 and the Prequel Jolie and Scoobie High School Misadventures

The Jersey Shore can be fun but then there's the occasional murder. Ocean Alley's most curious sleuth Jolie Gentil stays on top of crime but has to use careful judgment so she doesn't mess up life with her great husband and four year old twins. Somehow trouble still finds her and from time to time she enlists friends to help her solve a murder before a killer comes after her. Sticky Fingered Books. Generally parents don't find bodies in their kids daycare center. Leave it to Jolie to be the exception. Murder isn't funny but the adults and 4 year old twins bring chuckles as Jolie gets help from Scoobie and friends George and Ramona as she tries to figure out who wanted the daycare director dead. And what does it have to do with plans for downtown changes. Can development be deadly. New Lease on Death. People don't usually keel over in the Java Jolt Coffee Shop and Jolie does not often find bodies in vacant houses. Jolie didn't think anyone in Ocean Alley's real estate business could be ornerier than cigar chewing Lester Argrow but Buck Brock wins the prize. Problem is the prize is death in a vacant house with an old friend of Jolie's as a key suspect. Phoning in a Murder. The band director hates cell phones in class or on the football field. But is that a good reason to kill him. Or maybe he's chosen his friends poorly. Either way Scoobie's much younger brother is the last person seen on security footage before the band teacher dies. Jolie needs to prove he isn't the one who stuck a needle in the man's neck. Jolie and Scoobie High School Misadventures. Sixteen year old Jolie is furious to be duped. She gets dropped off at Aunt Madge's Cozy Corner B B not for a fun weekend but for her junior year of high school while her parents work things out in their marriage. She feels like an outsider but does make friends with Scoobie a kid who seems to be always on his own. To make money she babysits. Who knew taking care of kids could be dangerous. Review My favorite part of this series is following the arc of characters whose lives feel authentic. Babies and seniors recovering alcoholics and vets with PTSD and everything else we all see in our communities. These topics are treated as the part of life which they are and rather than detract from the story they enrich it. Amazon Review **Sticky Fingered Books** Elaine L. Orr, 2021-11-23. Sticky Fingered Books Jolie Gentil Cozy Mystery Book 12. It isn't every day that you find a body at your kids school. Unless you're Jolie Gentil. Then it's more of an option. Someone broke into Sand and Sea Daycare leaving a broken window and plenty of rain in the director's office. When Jolie hears an angry man say the intruder must have been looking for some books she wonders what's up. But that's not her business. Her job at the co op center is to place orders for the food the kids gobble. Scoobie's contribution as a poet is to lead a rhyming session with the kids. It's bedlam and they love it. But when Jolie goes into the center for an evening board meeting she finds a body at the desk of the Sand and Sea director. With help from Mayor Madge Jolie learns that the daycare center building has been caught up in plans for a boutique hotel and could have to close. Some liked the idea of a sale and others strongly objected. Neither Jolie or Scoobie think it's a good idea for the twins to head back to school until they know what really happened. And when four year olds clamor to be with friends it's a good idea to figure it out. Who kills for an old building. Someone does and they don't like the idea of Jolie learning who they are. **Devoted** Brett Eastonfield, 2011-07-09. A reclusive stranger arrives in town with a secret even he won't think about
