

Medical Marijuana 101

State Laws

Each state has its own set of laws and regulations governing the use, acquisition, and distribution of medical marijuana.

In 1996, California became the first state to legalize medical marijuana through a ballot initiative.

© Marijuana.com

Doctor Recommendation

To obtain a medical marijuana card, patients must first be diagnosed with a qualifying medical condition by a licensed physician.

Qualifying medical conditions vary from state to state, but may include conditions such as cancer, epilepsy, glaucoma, multiple sclerosis, Crohn's disease, and chronic pain.

The physician must then provide a recommendation for medical marijuana as a treatment option.

Medical marijuana, also known as medical cannabis, is the use of the marijuana plant or its extracts to alleviate symptoms associated with certain medical conditions such as:

- Chronic pain
- Insomnia and drug addiction
- Depression and social anxiety
- Cancer
- Multiple sclerosis
- Epilepsy

Dispensary Locations

Medical marijuana can only be purchased from licensed dispensaries in states where it is legal.

They also offer a variety of different strains of marijuana, as well as other cannabis products such as edibles, tinctures, and concentrates.

According to a survey by the National Conference of State Legislatures as of September 2019, medical marijuana is legal in 36 states plus Washington D.C.

Migrating for Medical Marijuana Tracy Ferrell, 2019-09-27 In the last six years Colorado has seen a population boom reminiscent of the state's first few years of settlement But rather than staking mining claims or establishing homesteads these new pioneers are on the frontier of an emerging science marijuana as treatment for various debilitating conditions This book contains personal accounts from doctors researchers and patients self proclaimed refugees seeking treatment unavailable elsewhere who are at the forefront of medical marijuana practice Their stories provide unique insights into a social political and medical revolution

Weed, The User's Guide David Schmader, 2017-08-01 This definitive 21st century handbook answers all the questions that many people are frightened to ask and was written to educate and entertain both the novice and experienced user alike Complete with history ways to enjoy recipes safety and legality tips and medical use information this witty guide is perfect for the new world of decriminalised recreational marijuana

Healing with Medical Marijuana Mark Sircus, 2017-03-15 Imagine that there is an effective treatment for dozens of serious ailments from

cancer and Parkinson's disease to headaches and depression. Now imagine that the government is preventing you from using it because it is derived from a controversial herb. Cannabis, more commonly called marijuana, is still looked upon by many people as a social evil, yet scientific evidence clearly shows the compounds it contains can reduce and in many cases reverse some of our most serious health conditions. In *Healing with Medical Marijuana*, best-selling author and medical researcher Dr. Mark Sircus has written a clear guide to understanding the power of the cannabis plant in combating numerous disorders. In the early 1930s, cannabis extract was legally available throughout the United States. However, as the public's perception of marijuana was often linked to violence, crime, and deviant behavior, the Federal Government outlawed its use in 1937. From that point on, using marijuana was considered a crime, an illegal offense that carried stiff penalties, including jail time. And yet, although the United States had deemed cannabis an illegal narcotic, many other countries began doing scientific research on this herb, studying its remarkable medicinal qualities. *Healing with Medical Marijuana* provides a fascinating look at these studies, showing just how effective the compounds found in cannabis can be in treating a wide range of illnesses and conditions. It also examines the laws that continue to prevent its use in the United States. While more and more states are now legalizing medical marijuana as a safe and effective treatment method, the controversy continues to block its use for the majority of the population in spite of the relief it can provide. For those who may be unable to obtain medical marijuana to treat their individual conditions, this book is designed to provide options that can offer the much-needed help they are seeking. *Marijuana Legalization* Jonathan P. Caulkins, Angela Hawken, Beau Kilmer, Mark A.R.

Kleiman, 2012-09-27 Over the next decade, the United States is likely to face a flood of debate and state referendums proposing the legalization of marijuana production and use. This book will provide readers with a non-partisan primer about the topic, covering everything from the medical definition and benefits and negative consequences of using marijuana to current laws around the drug, the likely consequences of legalization at the state and national levels, and ideas about the way that marijuana could be produced and regulated. *Weed Land* Peter Hecht, 2014-05-02 Early in the morning of September 5, 2002, camouflaged and heavily armed Drug Enforcement Administration agents descended on a terraced marijuana garden. The DEA raid on the Women's Alliance for Medical Marijuana, a sanctuary for severely ill patients who were using marijuana as medicine, is the riveting opening scene in *Weed Land*, an up-close journalistic narrative that chronicles a transformative epoch for marijuana in America. From the 1996 passage of California's Proposition 215, the nation's first medical marijuana law, through law enforcement raids, clinical studies that revealed medical benefits for cannabis, and the emergence of a lucrative cannabis industry, *Weed Land* reveals the changing political, legal, economic, and social dynamics around pot. Peter Hecht, an award-winning journalist from *The Sacramento Bee*, offers an independent, meticulously reported account of the clashes and contradictions of a burgeoning California cannabis culture that stoked pot liberalization across the country.

Cannabis Therapy Wendy Read, 2024-04-30 Examines the endocannabinoid system and explains how cannabis medicine

affects the major systems of the body Looks at more than 20 marijuana medicines describing each medicine s time of onset duration of effect target areas and conditions treated Shares recipes for making simple marijuana medicines as well as detailed instructions for making psychoactive and non psychoactive teas tinctures oils salves and aromatherapy remedies In this in depth guide to cannabis therapy written for both health practitioners and those looking for self care methods herbalist and holistic healer Wendy Read provides a complete look at why marijuana medicine works its medical and spiritual uses throughout history and how to develop a personalized healing plan She explores the endocannabinoid system ECS of the body and how phytocannabinoids interact with it She addresses the myths and confusion around cannabis which stem from its history of persecution and propaganda Looking at cannabis as whole plant medicine the author examines the many healing components throughout the plant from flowers to roots from cannabinoid acids to alkaloids Outlining how to develop a personalized cannabis therapy plan for yourself or others the author presents a comprehensive list of more than 20 marijuana medicines for various conditions including anxiety PTSD depression opioid addiction Alzheimer s Disease and cancer The author also shares recipes for making simple marijuana medicines at home as well as detailed instructions for psychoactive and non psychoactive teas tinctures oils salves and aromatherapy remedies Revealing the vast benefits of cannabis therapy this step by step guide shows you how to use marijuana medicine to help restore the balance of mind body and spirit

The High North Andrew D. Hathaway, Clayton James Smith McCann, 2022-05-01 The High North is a groundbreaking collection of essays that shakes up widely accepted narratives about marijuana legalization in Canada In 2018 Canada became only the second country in the world to legalize cannabis Once shunned cannabis users are now eagerly courted as customers What has cannabis legalization meant for the general public governments and the Canadian legal system The contributors cannabis scholars and practitioners activists and advocates examine public policy on cannabis analyze consumer perceptions and recount the history of the legalization movement From the first appearance of cannabis in Canada and the advent of current day dispensaries to the mental health implications of legal weed and the plight of workers in the cannabis economy The High North offers a comprehensive critique of the many aspects of legalization To quote the Grateful Dead What a Long Strange Trip It s Been

Marijuana in America James Hawdon, Bryan Lee Miller, Matthew Costello, 2022-03-29 This A Z encyclopedia provides a broad and evenhanded overview of America s complex relationship with marijuana examining political recreational cultural medical and economic aspects of marijuana use both historically and in the present day Marijuana in America is an accessible and comprehensive exploration of the many changes in medical legal and cultural issues surrounding cannabis in the United States This multidisciplinary volume features contributions from several different fields to explain all facets of marijuana including its chemical composition evolving depictions in popular culture and historical legal and social settings in which marijuana use occurs A mix of coverage provides readers with a full and accurate understanding of the spectrum of issues and controversies swirling around marijuana today including the

changing legal landscape pertaining to the sale possession and use of marijuana both at the state and federal levels the factual basis for arguments for and against so called medical marijuana claims that marijuana is a gateway drug to harder drugs changing cultural attitudes about marijuana and potheads economic arguments for and against marijuana legalization and the impact of marijuana on families communities the economy and the criminal justice system **Cannabis Consulting** Ezra Parzybok,2018-07-03 As the movement for legalization of marijuana spreads across the country it is important to weigh the possible benefits and pitfalls of cannabis use Cannabis Consulting is both a handbook and a report from the front lines of medical marijuana use Writing from the perspective of a parent and veteran schoolteacher turned professional cannabis consultant Ezra Parzybok tells the often inspiring stories of his practice where he assists victims of chronic pain terminal disease and even conditions such as ADHD This timely volume was written for patients and families law enforcement and health professionals who are trying to make decisions about cannabis during this critical era of transition It is an honest clear eyed exploration of the marijuana debate that looks beyond the hype and disinformation on both sides to chart a new path toward rational and safe use of cannabis **Medical Use of Marijuana** Tatiana Shohov,2003 In recent years there has been much debate over whether marijuana an illegal drug can provide patients with a level of therapeutic relief comparable to existing pharmaceutical treatments While this idea is hardly new it is advanced by some proponents as deserving more scientific inquiry Advocates for the medical use of marijuana contend that there is already sufficient scientific evidence to justify rescheduling marijuana under the Controlled Substances Act a change that would give it the necessary legal recognition to be used for medicinal purposes This has already occurred in the case of dronabinol the synthetic form of the main psychoactive ingredient in marijuana which has been available as an oral prescription drug since 1986 under its brand name Marinol To address these viewpoints several comprehensive studies were done in the late 1990s to evaluate medicinal claims made for smoked marijuana and determine whether they are supported by convincing scientific evidence The medical marijuana debate gained attention at the state level in 1996 when voters in California and Arizona approved ballot initiatives allowing doctors to prescribe the drug for therapeutic uses In 1998 similar propositions were adopted in Alaska Nevada Oregon and Washington and reaffirmed in Arizona Voters in Maine adopted a medical marijuana initiative in 1999 In 2000 medical marijuana was approved by voters in Colorado reconfirmed in Nevada and passed by the legislature in Hawaii Federal health officials assert that these initiatives are part of a strategy to soften the nation s drug laws and that public policy would be better served if science rather than the ballot box were used to judge the drug s utility This book assesses the current issues and examines the controversies regarding the marijuana legalization issue **Getting High** John Charles Chasteen,2021-10-06 Noted historian John Chasteen traces the global history of marijuana exploring its rich heritage with captivating insight Among the first domesticated plants Surprisingly though only infrequently has it been used as a recreational drug Instead there is a vibrant spiritual dimension to its long history that has been continually ignored *Can*

Legal Weed Win? DR. ROBIN. SUMNER GOLDSTEIN (PROF. DANIEL.), Robin Goldstein, Daniel Sumner, 2023-09-19 Two economists take readers on a tour of the economics of legal and illegal weed showing where cannabis regulation has gone wrong and how it could do better Cannabis legalization hasn't lived up to the hype Across North America investors are reeling tax collections are below projections and people are pointing fingers On the business side companies have shut down farms have failed workers have lost their jobs and consumers face high prices Why has legal weed failed to deliver on many of its promises Can Legal Weed Win takes on the euphoric claims with straight dope and a full dose of economic reality This book delivers the unadulterated facts about the new legal segment of one of the world's oldest industries In witty accessible prose economists Robin Goldstein and Daniel Sumner take readers on a whirlwind tour of the economic past present and future of legal and illegal weed Drawing upon reams of data and their own experience working with California cannabis regulators since 2016 Goldstein and Sumner explain why many cannabis businesses and some aspects of legalization fail to measure up while others occasionally get it right Their stories stretch from before America's first medical weed dispensaries opened in 1996 through the short term boom in legal consumption that happened during COVID 19 lockdowns Can Legal Weed Win is packed with unexpected insights about how cannabis markets can thrive how regulators get the laws right or wrong and what might happen to legal and illegal markets going forward **A New Leaf** Alyson Martin, Nushin

Rashidian, 2015-02-03 Two award winning journalists offer a cogent well sourced and ambitious analysis of the slow decline of cannabis prohibition in the United States Kirkus Reviews In November 2012 voters in Colorado and Washington passed landmark measures to legalize the production and sale of cannabis for social use a first in the United States and the world Once vilified as a gateway drug cannabis is now legal for medical use in eighteen states and Washington DC Yet the federal government refuses to acknowledge these broader societal shifts 49.5 percent of all drug related arrests involve the sale manufacture or possession of cannabis In the first book to explore the new landscape of cannabis in the United States investigative journalists Alyson Martin and Nushin Rashidian demonstrate how recent cultural and legal developments tie into cannabis's complex history and thorny politics Reporting from nearly every state with a medical cannabis law Martin and Rashidian interview patients growers doctors entrepreneurs politicians activists and regulators A New Leaf moves from the federal cannabis farm at the University of Mississippi to the headquarters of the ACLU to Oregon's World Famous Cannabis Caf The result is a lucid account of how cannabis legalization is changing the lives of millions of Americans and easing the burden of the war on drugs both domestically and internationally [Fast Facts about Medical Cannabis and Opioids](#)

Gregory Smith, Kevin Smith, 2020-03-18 Note to Readers Publisher does not guarantee quality or access to any included digital components if book is purchased through a third party seller Helps nurses to provide the best and safest care for patients suffering from chronic pain This is the first book to discuss the use of medical cannabis in helping combat the opioid crisis relieving pain and reversing opioid addiction rates With information presented in short chapters with bulleted content
