Critical Thinking Sharon M. Kaye,2012-12-01 Discover how to put your point across more effectively Critical thinking shows people how to analyze arguments speeches and newspaper articles to see which faults the authors are making in their reasoning It looks at the structure of language to demonstrate rules by which you can identify good analytical thinking and helps people to formulate clear defensible arguments themselves As people are always trying to put a certain point opinion across in a variety of arenas in our lives this is a very useful skill With real life newspaper extracts a glossary exercises and answers and a guide to essay writing this is an invaluable tool for both students wanting to improve their grades and general readers wanting to boost their brainpower

Renaissance Art Tom Nichols,2012-12-01 The fifteenth century saw the evolution of a distinct and powerfully influential European artistic culture But what does the familiar phrase Renaissance Art actually refer to Through engaging discussion of timeless works by artists such as Jan van Eyck Leonardo da Vinci and Michelangelo and supported by illustrations including colour plates Tom Nichols offers a masterpiece of his own as he explores the truly original and diverse character of the art of the Renaissance

Philosophy Peter Cave,2012-09-06 Philosophy the love of wisdom is the product of our endless fascination and curiosity about the world the child of wonder Through it we seek to answer the most fundamental of questions How do we know what we know Does God exist What is beauty How should we live our lives What am I In this exhilarating tour Peter

Cave navigates all the main topics of philosophy with verve and clarity Using witty and whimsical examples including stoical sofas and Reg the regular human who just happens to carry his brain in a rucksack Cave provides a welcome antidote to the dry textbook while covering everything from political philosophy to points of logic Interspersed with helpful textboxes and underlining the enduring relevance of philosophy to us all there is no better introduction for the aspiring sage

Ancient Philosophy William J. Prior, 2016-04-21 Philosophers didn't always busy themselves with life's big questions The earliest ancient philosophers were primarily concerned with the world of nature including phenomena such as earthquakes and eclipses But one enigmatic Greek named Socrates began to explore abstract ideas about human existence What makes us happy What is the nature of the soul And what is our purpose in this universe Professor William Prior elegantly guides readers through philosophy's formative years and key ancient texts Organised into four themes nature reality the soul and ethics Ancient Philosophy A Beginner's Guide is a lively introduction to the great thinkers who still send our minds reeling today

Machiavelli Cary J. Nederman, 2012-12-01 Liberal thinker or immoral pragmatist You decide Machiavelli has been among the most commented upon criticized and feared thinkers of the modern world Infamous for his support of brutality and repression as valid political instruments he is often portrayed as the pantomime villain of political theorists In this whirlwind tour of Machiavelli's writings and eventful life Nederman highlights the complexities in his thought showing that he actually advocated democracy as much as dictatorship debate as much as violence depending upon prevailing political conditions

Classical Music Julian Johnson, 2012-12-01 Pick up where Classic FM leaves off What does classical music mean to the Western World How has it transformed over the centuries With such a rich tradition what relevance does it have today Julian Johnson inspires readers to explore the field and examines how music is related to some of the big ideas of Western experience including spirituality emotion the weight of history and self identity

Criminal Psychology Ray Bull, Claire Cooke, Ruth Hatcher, 2009-09-01 It is a conundrum that has vexed societies throughout history how do you deal with those that break the law If their aim is to evade you how do you identify them If their aim is to lie how do you interview them If they don't see their actions are wrong how do you help them to successfully reform Criminal psychology is the discipline which tackles these challenges head on From the signals which give away we're lying to the psychological profiling of violent offenders this exhaustive guide written by the UK's top experts is the perfect introduction Also covering policing and the much debated topic of sexual offenders and their treatment it will demonstrate how understanding the mind will help us to view modern justice from a more informed perspective

Descartes Harry M. Bracken, 2012-12-01 A modern primer to the father of modern philosophy The father of modern philosophy Descartes is still one of the most widely discussed philosophers today Putting rationalism above all else he sought to base all knowledge of the world on a single idea I think therefore I am This introduction expertly summarises his thoughts on the dualism of mind and body his proofs for God's existence and his responses to scepticism Explaining how his life informed his philosophy Bracken explains the philosopher's
