

MEDITATION

A Unique Relaxation Experience

A seagull is shown in flight, wings spread wide, against a backdrop of a mountain range. The sky is a mix of blue and green, suggesting a dawn or dusk setting. The mountains are dark and silhouetted against the lighter sky. The overall mood is serene and expansive.

Consciousness Rising provides hope for the future of humankind Thomas Capshaw outlines a roadmap and vision of what our lives and world will be like when we become the Love we were created to be Working from the premise that humans emanate from our common Creator Capshaw describes ways we have found value in each other that come up short Over millennia this practice has created and normalized a shared dominator consciousness devaluing other humans to seek survival through wealth and power power over We have been living under this illusion sapping our potential Capshaw defines the intelligence that created the universe as Consciousness and the energy used by Consciousness to conceive and maintain the seen world as Love The author emphasizes that our Creator designs us with inherent value Consciousness creates power with Power with creates harmony with our Creator and with each other When in harmony our heart directs our life aligning us with our inherent passion and purpose for living Finally Capshaw illuminates ways to create a collective human consciousness that works for all people and our planet to provide conditions for life to thrive Consciousness is rising Consciousness has provided within us and around us the resources we need to become the Love we were created to be As we clear the wounds of our individual and collective past we cannot help but join Consciousness rising **Happiness Is the Way** Dr. Wayne W.

Dyer,2020-11-03 Now in tradepaper is the first book of spiritual teachings in several years from international best selling author and beloved spiritual teacher Dr Wayne W Dyer Audio lectures of Wayne's from the 1990s and 2000s are restructured in a cohesive way to offer a fresh take on his teachings When you change the way you look at things the things you look at change This was something Dr Wayne Dyer said often and it was the inspiration for this book The material contained within is taken from speeches and presentations he gave to many varied audiences over many years Yet it seemed that no matter who he talked to he returned to a few themes over and over again and these themes are woven throughout the pages of Happiness Is the Way As Wayne will show you there is no magic potion for getting what you want from life All you could ever want or need can be found inside of you you simply need to learn to reframe your thinking No matter what your present circumstances are you have the power to overcome them This book will show you the impact of your attitudes choices and

expectations leading you to a great sense of empowerment help you recognize how you are likely much more successful than you ever realized regardless of the challenges you may be facing and illuminate the importance of a personal mission It also includes specific questions and journal exercises to help you chart the way to the life you ve dreamed of In the process you ll discover that you contain the seeds for greatness within leading you to a life of true happiness **PRACTICAL**

Dr. Wayne W. Dyer, 2011-01-01 Within the pages of this transformational book Dr Wayne W Dyer reveals how to change the self defeating thinking patterns that have prevented you from living at the highest levels of success happiness and health Even though you may know what to think actually changing those thinking habits that have been with you since childhood might be somewhat challenging If I changed it would create family dramas I m too old or too young I m far too busy and tired I can t afford the things I truly want It would be very difficult for me to do things differently and I ve always been this way may all seem to be true but they re in fact just excuses So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light In this groundbreaking work Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all You ll learn to apply specific questions to any excuse and then proceed through the steps of a new paradigm The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them You ll ultimately realize that there are no excuses worth defending ever even if they ve always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or failures you ll awaken to the life of

your dreams Excuses Begone *Eat Sanely* Terese Katz,2011-04-01 *Being in Balance* Dr. Wayne W. Dyer,2016-07-12 An extraordinary 9 step program that will give you the keys to perfect balance in every aspect of your life In this inspirational work beloved best selling author Dr Wayne W Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires Imagine a balance scale with one end weighted down to the ground and the other end featuring the objects of your desires sticking up precariously in the air This scale is a measurement of your thoughts To restore the same balance that characterizes everything in our universe you have to take up the weighty thoughts so that they match up to your desires The seasons reflect the overall harmony of life For example winter passes and the blossoms emerge This is balanced by a need to have the trees rest so autumn arrives on time and helps the trees ready themselves for another period of repose This book is dedicated to the idea that we re a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out of balance thoughts
