Meet The Mertzes The Life Stories Of I Love Lucys Other Couple:

Meet the Mertzes Rob Edelman, Audrey Kupferberg, 2013-08-27 *Meet the Mertzes* is an expansive dual biography chronicling the lives of two of America's most popular situation comedy actors William Frawley and Vivian Vance who portrayed Fred and Ethel Mertz on *I Love Lucy*. This meticulously researched book contains interviews with Frawley's and Vance's colleagues, friends, and relatives and explores their personal and professional lives before, during, and after *I Love Lucy*. With a complete filmography and videography of each, *Meet the Mertzes* finally sets the record straight on the lives and legacies of these compelling stars who detested one another. You'll learn about Vance's successful Broadway career prior to *I Love Lucy*, Frawley's vaudevillian roots and his passion for baseball, Vance's nervous breakdown after the collapse of her first marriage, Frawley's drinking and carousing, Lucille Ball's caustic relationship with both of her costars, Vance's hatred of being known to the world as Ethel Mertz. **100 Entertainers Who Changed America** Robert C. Sickels, 2013-08-08 This fascinating and thought-provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film, television, and music as influential pop stars. Comprising approximately 100 entries from more than 50 contributors from a variety of fields, this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture, not their popularity. The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers. Each subject's individual influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches. Many entries examine commonly discussed figures' influence on popular culture in ways not normally seen, for example, the widespread appeal of Woody Allen's essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams' plays in breaking down Hollywood censorship. **Currents of Comedy on the American Screen** Nicholas Laham, 2014-01-10 This book analyzes the evolution of film and television comedy from the 1930s through the present, defining five distinct periods and discussing the dominant comedic trends of each. Chapters cover the period spanning 1934 to 1942 defined by screwball comedies that offered distraction from the Great Depression; the suspense comedy reflecting America's darker worldview during World War II; the 1950s battle of the sexes comedy; the shift from the physical exaggerated comedy of the 1950s to more realistic plotlines and the new suspense comedy of the 1970s and 1980s focusing on the popular dumb cop or dumb spy series along with modern remakes including 2006's *The Pink Panther* and 2008's *Get Smart*. **Focus On: 100 Most Popular American Musical Theatre Actresses** Wikipedia contributors, *Desi Arnaz* Todd S. Purdum, 2025-06-03 An illuminating biography of Desi Arnaz, the visionary trailblazing Cuban American who revolutionized television and brought laughter to millions as Lucille Ball's beloved husband on *I Love Lucy*, leaving a remarkable legacy that continues to influence American culture today. Desi Arnaz is a name that

resonates with fans of classic television but few understand the depth of his contributions to the entertainment industry In Desi Arnaz Todd S Purdum offers a captivating biography that dives into the groundbreaking Latino artist and businessman known to millions as Ricky Ricardo from I Love Lucy Beyond his iconic role Arnaz was a pioneering entrepreneur who fundamentally transformed the television landscape His journey from Cuban aristocracy to world class entertainer is remarkable After losing everything during the 1933 Cuban revolution Arnaz reinvented himself in pre World War II Miami tapping into the rising demand for Latin music By twenty he had formed his own band and sparked the conga dance craze in America Behind the scenes he revolutionized television production by filming I Love Lucy before a live studio audience with synchronized cameras a model that remains a sitcom gold standard today Despite being underestimated due to his accent and origins Arnaz s legacy is monumental Purdum s biography enriched with unpublished materials and interviews reveals the man behind the legend and highlights his enduring contributions to pop culture and television This book is a must read biography about innovation resilience and the relentless drive of a man who changed TV forever **Getting Along**

Famously Melissa Hellstern,2008-10-23 Where would we be without our friends If we are truly fortunate we each have one special friend in our lives the one who cheers every accomplishment no matter how small who lifts spirits in even the darkest hour and who knows our deepest secrets and will never tell In a look at six of the most iconic best friends of our time bestselling author Melissa Hellstern crafts a charming celebration of strong women and the enduring bonds that unite them With pairs like Audrey Hepburn and Sophia Loren Coco Chanel and Madame Misi Sert and Julie Andrews and Carol Burnett Getting Along Famously brings these famous friendships down to earth and explores the precious the art of friendship and the many forms it takes These women walked the world side by side building friendships that not only withstood all the joys and sorrows of life but often encouraged them to reach the top of their professions Whether through laughter or tears these dynamic relationships illuminate the importance of friendship in every woman s life Part surprising biography part tribute to the unique bonds of friendship Getting Along Famously will remind you of your delight in your own friends and is the perfect book to share with those woman that mean so much you choose to call them family **Lucille Ball FAQ** Barry

Monush,James Sheridan,2011-06-01 Applause Books Although countless books and articles have been written about Lucille Ball most people know only the surface details of her personal life and some basic facts about her popular television series Lucille Ball FAQ takes us beyond the Lucy character to give readers information that might not be common knowledge about one of the world s most beloved entertainers It can be read straight through but the FAQ format also invites readers to pick it up and dig in at any point Background information and anecdotes are provided in such categories as People Lucy found funny Lucy at home her various residences throughout the years Movie television radio theater projects that never materialized Lucy s off camera romantic attachments James Sheridan and Barry Monush go beyond the well known facts making this an indispensable book for all Lucille Ball fans *Gunn's Golden Rules* Tim Gunn,2010-09-07 On the runway of life Tim Gunn is

the perfect life coach You've watched him mentor talented designers on the hit television show Project Runway Now the inimitable Tim Gunn shares his personal secrets for making it work in your career relationships and life Filled with delightfully dishy stories of fashion's greatest divas behind the scenes glimpses of Runway's biggest drama queens and never before revealed insights into Tim's private life Gunn's Golden Rules is like no other how to book you've ever read In the world according to Tim there are no shortcuts to success Hard work creativity and skill are just the beginning By following eighteen tried and true principles you can apply Tim's rules to anything you set your mind to You'll learn why Tim frowns on displays of bad behavior like the vitriolic outburst by Martha Stewart's daughter about her mother's name brand merchandise You'll discover the downfalls of divadom as he describes Vogue's Andr  Leon Talley being hand fed grapes and Anna Wintour being carried downstairs by her bodyguards And you'll get Tim's view on the backstabbing by one designer on Project Runway and how it brilliantly backfired Then there are his down to earth guidelines for making life better for yourself and others in small and large ways especially in an age that favors comfort over politeness ease over style Texting at the dinner table Wearing shorts to the theater Not in Tim's book Living a well mannered life of integrity and character is hard work he admits but the rewards are many being a good friend being glamorous and attractive and being a success much like Tim himself He is never one to mince words But Tim Gunn is always warm witty wise and wonderfully supportive just the mentor you need to design a happy creative and fulfilling life that will never go out of style

Ball of Fire Stefan Kanfer, 2022-10-20 Easily the year's best Hollywood biog Independent on Sunday Ball Of Fire reveals all about house wife superstar Lucille Ball She made the top rated TV show in America before her husband's serial adulteries practically sunk it Sunday Herald To viewers all over the world Lucille Ball remains the ultimate screwball housewife getting in and out of outlandish scrapes with hilarious finesse But Stefan Kanfer's biography looks behind the image tracing Ball's comedic genius to its beginnings in a lonely childhood in upstate New York She yearned to make people laugh to attain stardom and love Then a Cuban bandleader called Desi came into her life to make her wealthy and famous and nearly destroyed her in the process Kanfer chronicles the runaway success of I Love Lucy the fiery marriage and eventual split from Desi and Ball's struggle to manage both a business empire and her own rebellious children A wonderful and poignant book Kanfer portrays Lucille Ball as insatiably anxious and insecure a woman whose search for a father figure would only ever find the unlikely and unholdable Desi Kanfer pulls no punches over Lucy the pain in the neck but he gives a superb picture of how she and Desi changed television David Thomson *TV in the USA* Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society What are the reasons behind enduring popularity of television genres such as police crime dramas soap operas sitcoms and reality TV What impact has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television's influence differ from that

of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia *TV in the USA A History of Icons Idols and Ideas* This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade s covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter **Frances Farmer** Peter Shelley,2014-01-10 Previous biographies of American actress Frances Farmer 1913 1970 have downplayed her professional achievements to emphasize her turbulent personal life including several police arrests and repeated confinements in a state mental hospital By focusing upon her acting career this book endeavors to restore her position as a significant Hollywood player of the 1930s 40s and 50s An analysis of her film radio and television work is offered as well as assessments of the three Frances Farmer biopics and the documentaries in which she is featured Each of her 16 films receives a chapter length discussion A very lengthy biographical chapter is included **The ^AOxford Companion to the American Musical** Thomas S. Make Room for TV Lynn Spigel, 1992-06 Between 1948 and 1955 nearly two thirds of all American families bought a television set and a revolution in social life and popular culture was launched In this fascinating book Lynn Spigel chronicles the enormous impact of television in the formative years of the new medium how over the course of a single decade television became an intimate part of everyday life What did Americans expect from it What effects did the new daily ritual of watching television have on children Was television welcomed as an unprecedented window on the world or as a one eyed monster that would disrupt households and corrupt children Drawing on an ambitious array of unconventional sources from sitcom scripts to articles and advertisements in women's magazines Spigel offers the fullest available account of the popular response to television in the postwar years She chronicles the role of television as a focus for evolving debates on issues ranging from the ideal of the perfect family and changes in women's role within the household to new uses of domestic space The arrival of television did more than turn the living room into a private theater it offered a national stage on which to play out and resolve conflicts about the way Americans should live Spigel chronicles this lively and contentious debate as it took place in the popular media Of particular interest is her treatment of the way in which the phenomenon of television itself was constantly deliberated from how programs should be watched to where the set was placed to whether Mom Dad or kids should control the dial *Make Room for TV* combines a powerful analysis of the growth of electronic culture with a nuanced social history of family life in postwar America offering a provocative glimpse of the way television became the mirror of so many of America's hopes and fears and dreams *The Publishers Weekly*, 1998
