Meeting Her Match:

Meeting Her Match (The Matchmakers Book #3) Jen Turano, 2024-07-16 Miss Camilla Pierpont a renowned matchmaker and influential member of the New York Four Hundred has vowed never to marry after suffering a devastating heartbreak during her debut years ago. However when she is nearly abducted along the Hudson River she finds herself rescued by an annoyingly outspoken albeit fascinating gentleman who challenges her in a manner she wasn't expecting. After learning that Camilla Pierpont has enjoyed success with taking wayward young ladies in hand Mr Owen Chesterfield travels to the Hudson River Valley determined to convince Camilla to sponsor his sister who is in desperate need of social rehabilitation. Knowing her life is in danger Camilla agrees to Owen's proposition and travels with him to West Virginia finding herself charmed by the less than formal attitude of his small hometown as well as by Owen himself. But danger waits in the shadows disrupting what she knows would be the most spectacular match she's ever made her own. **My Match** Darren James, 2008-03-27

The Matchmaker Meets Her Match Jennifer Lawler, 2013-05-06 Rilka rpd inherited her name and her job from her grandmother. She doesn't mind her name it's her job she can't stand. Working as a matchmaker has exposed her to all the downsides of human behavior in her opinion it's a wonder anyone can stand each other long enough to get through a date let alone cherish each other forever. She makes herself a promise if she can just get through her current client list in the next three months she'll go on sabbatical. And maybe never come back. Her new client war veteran Jeremy Ford ends up being everything Rilka has come to expect and dislike about her work when he announces that he just wants to get laid. At least he's honest. Or so she thinks. It turns out that Jeremy wants a lot more than a one night stand and he wants it from Rilka. But the only way they can get to forever is if Rilka learns to trust her heart. *Sensuality Level Behind Closed Doors* *The Coursing calendar*, ed. by 'Stonehenge'. John Henry Walsh, 1875 **Lives of the Fur Folk** M.D Haviland, 2020-07-20 Reproduction of the original *Lives of the Fur Folk* by M D Haviland **Seeking Love in Modern Britain** Zoe Strimpel, 2020-03-05 *Seeking Love in Modern Britain* charts the emergence of the modern British single through an account of the dating industry that sprang up to serve men and women. It shows how amid a period of unprecedented sexual and social change the single became a key unisex identity and lifestyle. From around 1970 a growing cottage style matchmaking industry in Britain was offering the romantically solo a choice between computer dating firms such as Dateline or Computate introduction agencies and the lonely hearts pages of Private Eye Time Out and others. Zoe Strimpel reveals how this rapidly expanding landscape of services was catering to a new breed of single people and how by the late 1990s singleness had become the culturally mainstream wholly expected part of the romantic life cycle that it is today. Refuting the widespread idea that the Internet invented modern dating this book uses an eclectic and engaging range of first person accounts and snapshots from the time to show that the story of contemporary romance mediated courtship and singleness began in a time long before Tinder.

Status Single Sreemoyee Piu Kundu, 2018-02-12 Marriage It's the obvious path for every girl in India. It's supposed to define us, shape us and give meaning to our life. But does it really? Figures show that nearly 74.1 million women in India are either divorced, separated, widowed or have never been married. And the number is on the rise. In what promises to be a path-breaking work on female identity, Sreemoyee Piu Kundu, a proud to be single woman herself, spills the beans on what it is like being over 30 and unattached in India through her own compelling story and the chequered lives and journeys of nearly 3,000 urban single Indian women from all walks of life. Women, whether single by choice or circumstance, are under scathing societal pressure, invasive scrutiny and pervasive criticism. Be it the difficulty in renting an apartment, being character assassinated by your gynaecologist or being slut-shamed as having slept your way to the top, even when you're successful professionally, a single woman's life choices are the easiest to dissect. From one of the most powerful voices in contemporary Indian writing comes a passionate narrative of grit and gumption, anger and loneliness, and the daily struggle of being single in a country where the highest validation of your gender remains marriage and motherhood. Fiercely honest and painfully vulnerable, Status Single is a book that every woman and man, single or otherwise, must read.
