Ethics, Efficiency and Macroeconomics in China Jonathan Leightner, 2017-04-21 This book is an invaluable resource to understanding China and its impact on the world. It examines China's leadership and how China should rebalance its goals by seriously working on the ethics of the society that it is creating. It argues that a more ethical society in which the Chinese masses can trust is a necessary prerequisite for the successful implementation of a consumption driven growth model, a model that China's leadership has endorsed since 2008. It also puts forth that a more ethical society is a prerequisite for China receiving the international respect that China's leaders crave. Lead Like a Girl Dalia Feldheim, 2024-04-16 An incredibly forward looking and positive example of how to be and how to work in today's world. Booklist For women AND men this fresh look at leadership helps us all learn to connect to our more feminine leadership traits and lead like a girl. Lead Like a Girl is a holistic look at how to achieve purpose and joy at work. It is about turning the world of work into a place where empathy, intuition, passion and resilience take their rightful place where women can lead like women and men can tap into their more feminine leadership traits and dare to lead more like a girl. Dalia Feldheim was one of the marketing directors behind the 2014 global Always ad campaign LikeAGirl. This message touched a nerve for women and men alike, becoming much more than a commercial as it became an icon for women's empowerment. The ad was selected by Forbes as one of the 10 most influential campaigns of the decade. In the commercial while a young girl understands the phrase run like a girl to mean run as fast as you can somewhere along the way doing things like a girl becomes an insult. The goal of the commercial was to change the meaning of words and reclaim the phrase to simply mean be proud of who you are. With Dalia's new book it is time to reclaim that phrase once again and this time in the world of leadership. It's time to stop asking our women leaders to lead like men and instead start learning from what is working for our women leaders and share that wisdom with everyone, men and women alike. Lead Like a Girl is a provocative call to action to all leaders to stop wearing an emotional mask at work and connect to their more feminine leadership traits, owning their passion, perseverance, people skills and positivity. With her flare for relatable storytelling, Dalia shares her executive leadership journey of over two decades, backed by theoretical underpinning from the world of psychology, business and mindfulness to encourage leaders to connect to their more feminine super powers, be courageous, lead from their heart and lead more like a girl. **DUMONT direkt Reiseführer E-Book Antwerpen, Gent, Brügge** Patricia Fridrich, 2019-10-04 DuMont direkt Reiseführer Antwerpen, Gent, Brügge.
