the melodic style may sound impossible with all of those notes coming from it surprisingly you will find that it is not that difficult to learn and no previous musical knowledge is needed This course covers the melodic style from the very basics of this picking style to the advanced techniques and provides many fun to play and well known songs arranged in the three finger melodic style for upper level beginning players through advanced level players **Turkey in the Straw** Phil Rosenthal,2001-09 [Psalms, Hymns and Spiritual Songs for Voice and Dulcimer](#) Peter B.
