

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

experience of Toni Cade Bambara June Jordan Audre Lorde and Adrienne Rich at the City University of New York cuny in the
late 1960s and early 1970s This period during which cuny guaranteed tuition free admission to every city high school
graduate was one of the most controversial in US educational history Analyzing their archival teaching materials syllabi
lesson plans and assignments alongside their published work Savonick reveals how these renowned writers were also
transformative educators who developed creative methods of teaching their students to navigate and change the world In
fact many of their methods such as student led courses collaborative public projects and the publication of student writing
anticipated the kinds of student centered and antiracist pedagogies that have become popular in recent years In addition to
recovering the pedagogical legacy of these writers Savonick shows how teaching in cuny s free and open classrooms
fundamentally altered their writing and with it the course of American literature and feminist criticism *A Check List of*
