basketball career to lead Bringing his own toilet paper to away games courts made of concrete and fully geared riot police at every stadium were not part of his original dream Where were all the big contracts people talked about Would he even have a job next season or next week And would he be playing for free this month because the team didn't feel like paying him In this highly unstable and unorthodox overseas lifestyle as a professional basketball player Smith draws readers in quickly with his humor and ability to share his clever stories that seem outrageous but are 100 percent true His attitude and faith are tested relentlessly through bounced paychecks injuries and the seemingly endless frustrating reality of people around him speaking a language he could not understand From Italy to Japan to Uruguay and even the NBA the challenges and adventures only accelerate as Tyler's wife and kids are added to the overseas equation His unique story is highly engaging whether or not you're a basketball junkie Called for Traveling is an honest and entertaining inside look at one man's journey playing pro basketball around the world
