Opulence The Excess Series 1:

After the American Century Brian T. Edwards, 2015-12-01 When Henry Luce announced in 1941 that we were living in the American century he believed that the international popularity of American culture made the world favorable to U S interests Now in the digital twenty first century the American century has been superseded as American movies music and video games are received understood and transformed How do we make sense of this shift Building on a decade of fieldwork in Cairo Casablanca and Tehran Brian T Edwards maps new routes of cultural exchange that are innovative accelerated and full of diversions Shaped by the digital revolution these paths are entwined with the growing fragility of American soft power They indicate an era after the American century in which popular American products and phenomena such as comic books teen romances social networking sites and ways of expressing sexuality are stripped of their associations with the United States and recast in very different forms Arguing against those who talk about a world in which American culture is merely replicated or appropriated Edwards focuses on creative moments of uptake in which Arabs and Iranians make something unexpected He argues that these products do more than extend the reach of the original They reflect a world in which culture endlessly circulates and gathers new meanings

Sleeping Policemen Dale Bailey, Jack Slay Jr., 2014-07-22 A late night joyride takes a sharp turn into nightmare territory when a group of college students tries to cover up a crime of carelessness A moment of inattention on a winding roadway in the Smoky Mountains leaves a stranger dead and his accidental killers at the mercy of a possible witness Finney Durant Nick Laymon and Reed Tucker are desperate not to be linked to the crime Finney and Tucker insist on hiding the corpse and Nick hard up for money takes the man s cash But the hit and run is just the beginning of their problems once they use a key found in the victim s pocket to open a bus locker and find a videotape that opens an ever widening doorway into horror

Brian on the Brahmaputra David Fletcher, 2013-04-01 Brian on the Brahmaputra is a day by day account of an actual wildlife expedition to Assam by means of a boat trip down the Brahmaputra and the extension to this expedition in the form of an excursion to the Sundarbans the mangrove covered islands in the mouth of the Ganges south of Kolkata However it is a great deal more than this It is the tale of two dozen middle aged amateur naturalists from England and their encounter with a very unusual world as seen through the eyes of one of the group This fairly insecure misanthropic member of the party Brian records his thoughts and his feelings about not just the unfamiliar parts of India through which he travels but also about those with whom he is travelling In this way a picture is painted of a largely unknown area of the world and of a largely unknown pastime namely that of an organised nature trip and of course of the sort of people who participate in such trips The account is factual but overlaid with a large helping of humour a number of quirky perspectives and some poetic licence The result is an amusing and informative story which is at the same time unavoidably caustic and provocative Brian on the Brahmaputra will appeal to fans of travel writing in particular those with an interest in human behaviour It is part of a seven part series which details Brian and Sandra s

Dunne,2025-10-07 What does the Bible say about alcohol Evangelical Christianity has a complicated relationship with alcohol For years many believers have welcomed it as a gift from God while others have rejected it as a definite Spirit quenching sin But what does the Bible actually say about alcohol and its use Alcohol is a pervasive theme throughout the Bible In The Mountains Shall Drip Sweet Wine John Anthony Dunne offers an exhaustive exploration of the references to alcohol and its related imagery within the Old and New Testaments His biblical theological approach allows for the nuance of the genres and historical periods of the Bible to shed light on how we are to approach the topic In his thorough account Dunne argue that the symbolism of wine and other fermented drinks in the Bible is multifaceted and complex as a good vintage itself would be We must be attuned to the various ways in which biblical authors deploy this motif dripping with theological symbolism when they speak of creation covenant kingdom wise decision making and more The Bible s kingdom oriented imagery communicates a call for wisdom in the everyday life of the Christian disciple with an overarching vision that what Christians think about alcohol regardless of position has significant impact on community life
